The Nursery Alice by Lewis Carroll Lewis Carroll, 2021-04-29 The Nursery Alice 1889 90 is a shortened
version of Alice s Adventures in Wonderland 1865 by Lewis Carroll adapted by the author himself for children from nought to
five It includes 20 of John Tenniel s illustrations from the original book redrawn enlarged coloured and in some cases revised
by Tenniel himself The book was published by Macmillan a quarter century after the original Alice It featured new illustrated
front and back covers in full colour by E Gertrude Thomson who was a good friend of Dodgson The book was engraved and
printed by the famous colour printer Edmund Evans The work is not merely a shortened and simplified version along the
lines of J C Gorham s 1905 Alice s Adventures in Wonderland retold in words of one syllable It is written as though the story
is being read aloud by someone who is also talking to the child listener with many interpolations by the author pointing out
details in the pictures and asking questions such as Which would you have liked the best do you think to be a little tiny Alice
no larger than a kitten or a great tall Alice with your head always knocking against the ceiling There are also additions such
as an anecdote about a puppy called Dash and an explanation of the word foxglove
