former Soviet socialist republics Slovakia and Macedonia and Ethiopia land locked throughout its long history except for the period 1952 1992 and Andorra land locked always but recognized as a sovereign State only in 1993 Thus by any reckoning there are now more than one third more land locked States in the world than there were only three years ago Some are already experiencing problems with transit across their more fortunate coastal neighbours and even other land locked neighbours and with their uses of the sea and it is likely that such problems will multiply and intensify before they are resolved This fourth edition contains a number of new features all intended to make it more useful as well as more complete and up to date than its predecssors The format has been improved in several ways there are more cross references and the subject index and table of contents have been expanded *Missionaries and Health* Samuel K. Sayenda,1990 *A Current Bibliography on African Affairs*,1962
