

New Nurse Orientation Pathway

New Graduate Nurse Orientation Pathway Phases of Orientation and Role Responsibilities

In each phase of orientation, eight categories of learning opportunities are followed to progress the new graduate nurse from initiation to adaptation to assimilation then finally to independence in the synthesis phase. Learning opportunities support the three domains of learning: cognitive (knowledge), technical (skill) or affective (behavior).

THE 8 CATEGORIES OF LEARNING OPPORTUNITIES AND ACTIVITIES

- 1. ASSESSMENT/EVALUATION**
 - a. Help orientee develop proficient clinical and communication skills by experiences on unit
 - b. Situational awareness
- 2. EMERGENCY**
 - a. Provide learning opportunities that prepare the orientee to act in the face of an emergency, situational awareness, emergency equipment in room preparation, crash cart, disaster preparedness information
- 3. EQUIPMENT/DEVICES**
 - a. All equipment or devices that are used on a daily basis must be incorporated
 - b. Equipment/skills checklist verification with verbalization of rationale and/or assessment of patient
 - c. State the resources to be used if they are required to use a piece of unfamiliar equipment
 - d. Never proceed in the face of uncertainty. Find another staff member more familiar
 - e. Ask clarifying questions
- 4. SKILLS AND INTERVENTIONS**
 - a. ROPH procedures in Policy Manager link to Mosby Online Nursing Skills
 - b. Skills and interventions may be pre-assigned learning opportunities based on the unit or "just-in-time" learning opportunities as the new nurse is experiencing a skill or intervention for the first time
- 5. MEDICATIONS**
 - a. Provide learning opportunities that support safety behaviors of medication administration
 - b. Use Mosby Clinical Nursing Skills and Techniques as learning opportunities to validate medication administration such as subcutaneous injections, IM injection skills
 - c. Calculations and use of the seven "rights" of medication administration
 - d. Focus on potential/adverse effect on body system
 - e. What are the most frequently administered medications on the unit?
- 6. DOCUMENTATION AND EDUCATION**
 - a. Learning opportunities may consist of information from notes accessible in the EMR, teaching a family and documenting
 - b. All care must be documented: admission assessment, body system assessment, skills and interventions, etc., and verification by preceptor considered for each phase
 - c. Focus on PPOC and patient education and behaviors for sustainability of documentation
- 7. PSYCHOSOCIAL**
 - a. Incorporate age-specific and cultural considerations in every patient experience and learning opportunity
 - b. For example, for age specific: when using equipment — deciding what size oxygen mask to choose for your patient
 - c. What behaviors would you expect from a teenager vs. an adult or geriatric patient for this procedure?
 - d. What nursing intervention would you make based on age?
 - e. What are cultural diversity considerations you have made in caring for your patient and family today?
- 8. OTHER RESOURCES/POLICIES**
 - a. What are policies that support some of the expected behaviors, such as accountability for nursing care, assessment standards, high risk medications, etc.?
 - b. What are the resources — Drug Formulary, intranet sites and accessing both internal and external experts?
- 9. ADDED/INDIVIDUALIZED LEARNING NEEDS**

New Graduate Nurse Orientation Pathway

Performance Indicator	ORIENTEE/EMPLOYEE	PRECEPTOR	EDUCATION QUALITY COORDINATOR	MANAGER
RELATIONSHIP AND CARE	Addresses clinical skills and competencies at the time of assignment to another unit and points concern if not competent to perform an assigned skill or task	Communicates on a regular basis with management to evaluate progress of orientee	Assures standardization and minimizes duplication with variations; learning opportunities will be assigned to allow all unit's department access	Creates an environment that promotes timely competency assessment and ongoing growth and development
STANDARD SKILL-BASED	Participates in individual competency development	Uses Phases of Selection Tool for orienting staff	Participates in the assessment of competency in collaboration with the assigned preceptor or other designers, when appropriate	Establishes a process for ongoing validation of unit specific competencies for all unit staff prior to the assignment of a patient
TEAM OR UNIT	Maintains record of competency completion	Uses and documents validation methodology/source of evaluation for verifying competencies	Provides expertise in identifying learning opportunities and the appropriate verification of the competencies	Assures the competence of the staff on the unit
CLINICAL TRAINING	Participates in evaluation of the competency process	Seeks to critically evaluate orientee progression through the phases of orientation to assure progress from initiation to synthesis	In conjunction with the clinical manager and director, the educator for each clinical department will develop the orientation program based on the four phase's documents, utilizing the first care competency statements as the basis for assessment of the new staff nurse's progress through the orientation process	Monitors and evaluates employee progress and performance on an ongoing basis
LEARNING	Completes indicated learning opportunities by the established deadlines for that job class. If successful completion has not been achieved, a Performance Improvement Plan is initiated.	Proactively identifies patient assignments to avoid errors in meeting care competencies	Works with the Shared Governance structure to provide nonperiodic learning opportunities that are standardized across ROPH	Implements a Performance Improvement Plan for staff not meeting the established goals
			Maintains a record keeping and report system that documents educational activities in compliance with department, organizational and external agency requirements

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Orientation And Evaluation Of The Professional Nurse eBooks, including some

popular titles.

FAQs About Orientation And Evaluation Of The Professional Nurse Books

What is a Orientation And Evaluation Of The Professional Nurse PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Orientation And Evaluation Of The Professional Nurse PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Orientation And Evaluation Of The Professional Nurse PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Orientation And Evaluation Of The Professional Nurse PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Orientation And Evaluation Of The Professional Nurse PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
