Scotland and the Caribbean, c.1740-1833 Michael Morris,2015-03-12 This book participates in the modern recovery of the memory of the long forgotten relationship between Scotland and the Caribbean Drawing on theoretical paradigms of world literature and transnationalism it argues that

Caribbean slavery profoundly shaped Scotland's economic, social and cultural development and draws out the implications for current debates on Scotland's national narratives of identity. Eighteenth to nineteenth century Scottish writers are re-examined in this new light. Morris explores the ways that discourses of improvement in both Scotland and the Caribbean are mediated by the modes of pastoral and georgic which struggle to explain and contain the labour conditions of agricultural labourers both free and enslaved. The ambivalent relationship of Scottish writers including Robert Burns to questions around abolition allows fresh perspectives on the era. Furthermore, Morris considers the origins of a hybrid Scottish Creole identity through two nineteenth century figures, Robert Wedderburn and Mary Seacole. The final chapter moves forward to consider the implications for post-devolution, post-referendum Scotland. Underpinning this investigation is the conviction that collective memory is a key feature which shapes behaviour and beliefs in the present; the recovery of the memory of slavery is performed here in the interests of social justice in the present.

What factors motivated their emigration? The True Mary Todd Lincoln Betty Boles Ellison, 2014-04-01. This new biography provides a startlingly different picture of Mary Lincoln, President Abraham Lincoln's wife. Preconceived myths about the former first lady are factually disproved. At times her judgment was faulty; in other instances it was brilliant. After her 1861 refurbishing of the Executive Mansion, she made no further furnishings purchases, only replacement items. The furniture she purchased is still in use, and the Lincoln bed is well known. Committed to an insane asylum by her only surviving son, she organized, while under constant scrutiny, her friends in a skillfully successful scheme to obtain her freedom and resume control of her life and money. Mary Todd Lincoln had a brilliant mind, a caring heart, and an exuberant personality, and she was in every aspect a true partner to Abraham Lincoln.
