The Origins and growth of Mau Mau: an historical survey Kenya. Government Commissioner (History of Mau Mau), Historical Survey of the Origins and Growth of Mau Mau Frank D. Corfield,1960 **The Origins and Growth of Mau Mau** F. D. Corfield,1960 *The Origins and Growth of Mau Mau* ,1960 The Logic of Political Survival Bruce Bueno De Mesquita,Alastair Smith,Randolph M. Siverson,James D. Morrow,2005-01-14 The authors of this ambitious book address a fundamental political question why are leaders who produce peace and prosperity turned out of office while those who preside over corruption war and misery endure Considering this political puzzle they also answer the related economic question of why some countries experience successful economic development and others do not The authors construct a provocative theory on the selection of leaders and present specific formal models from which their central claims can be deduced They show how political leaders allocate resources and how institutions for selecting leaders create incentives for leaders to pursue good and bad public policy They also extend the model to explain the consequences of war on political survival Throughout the book they provide illustrations from history ranging from ancient Sparta to Vichy France and test the model against statistics gathered from cross national data The authors explain the political intuition underlying their theory in nontechnical language reserving formal proofs for chapter appendixes They conclude by presenting policy prescriptions based on what has been demonstrated theoretically and empirically **Historical Survey of the Origins and Growth of Mau Mau** Great Britain. Colonial Office, Imperial Reckoning Caroline Elkins,2010-04-01 A major work of history that for the first time reveals the violence and terror at the heart of Britain s civilizing mission in Kenya As part of the Allied forces thousands of Kenyans fought alongside the British in World War II But just a few years after the defeat of Hitler the British colonial government detained nearly the entire population of Kenya s largest ethnic minority the Kikuyu some one and a half million people The compelling story of the system of prisons and work camps where thousands met their deaths has remained largely untold the victim of a determined effort by the British to destroy all official records of their attempts to stop the Mau Mau uprising the Kikuyu people s ultimately successful bid for Kenyan independence Caroline Elkins an assistant professor of history at Harvard University spent a decade in London Nairobi and the Kenyan countryside interviewing hundreds of Kikuyu men and women who survived the British camps as well as the British and African loyalists who detained them The result is an unforgettable account of the unraveling of the British colonial empire in Kenya a pivotal moment in twentieth century history with chilling parallels to America s own imperial project Imperial Reckoning is the winner of the 2006 Pulitzer Prize for Nonfiction The Oxford Handbook of the History of Terrorism Carola Dietze,Claudia Verhoeven,2022 The Oxford Handbook of the History of Terrorism presents a re evaluation of the major narratives in the history of terrorism exploring the emergence and the use of terrorism in world history from antiquity up to the twenty first century The volume presents terrorism as a historically specific form of political violence that was generated by modern Western culture and then

shows that the unforeseen changes wrought by development greater wealth for some dashed hopes for many more foster moral debates that Taita people express in occult terms By carefully chronicling the beliefs and actions of this diverse community from frustrated youths to nostalgic seniors duplicitous preachers to thought provoking witch doctors BewitchingDevelopment vividly depicts the social life of formerly foreign ideas and practices in postcolonial Africa
