Ali Farazmand, Jack Pinkowski

Origins Of Spontaneous Revolution East Germany 1989:

Origins of a Spontaneous Revolution Karl-Dieter Opp, Peter Voss, Christiane Gern, 1995 Explains the extraordinary collapse of Communist East Germany

Revolutions in Modern German History Andrew G. Bonnell, 2025-05-29 Andrew G Bonnell's innovative survey examines the history of revolution in modern Germany by focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918/19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945/49 and the revolution in East Germany in 1989/90 *Revolutions in Modern German History* sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times

Media, Social Mobilisation and Mass Protests in Post-colonial Hong Kong Francis L. F. Lee, Joseph M. Chan, 2010-12-23 Since 2003 Hong Kong has witnessed a series of large scale protests which have constituted the core of a reinvigorated pro democracy movement What drove tens of thousands of citizens to the street on a yearly basis to protest What were the social and organizational bases of the protest movement How did media and public discourses affect the protests formation and mobilization How did the protesters understand their own actions and the political environment This book tackles such questions by using a wide range of methods including population and protest onsite surveys media content analysis and in depth interviews with activists politicians and protest participants It provides an account of the self mobilization processes behind the historic July 1 2003 protest and how the protest kick started new political dynamics and discursive contestations in the public arena which not only turned a single protest into a series of collective actions constituting a movement but also continually shaped the movement's characteristics and influence The book is highly pertinent to readers interested in political development in Hong Kong and as a case study on the power of critical events the book also has broad implications on the study of both media politics and social movements in general

Stories, Identities, and Political Change Charles Tilly, 2002-10-28 An award winning sociologist Charles Tilly has been equally influential in explaining politics history and how societies change Tilly's newest book tackles fundamental questions about the nature of personal political and national identities and their linkage to big events_ revolutions social movements democratization and other processes of political and social change Tilly focuses in this book on the role of stories as means of creating personal identity but also as explanations true or false of political tensions and realities He uses well known examples from around the world_ the Zapatista rebellion Hindu Muslim conflicts and other examples in which nationalism and other forms of group identity are politically pivotal Tilly writes with the immediacy of a journalist but the

profound insight of a great theorist **Radical Islam Rising** Quintan Wiktorowicz, 2005-07-21 Although the West denounces the spread of radical Islam in Saudi Arabia Pakistan and elsewhere in the Muslim world it tends to overlook the development of Islamic extremism in its own societies Over the past several decades groups like al Qaeda have been supported by thousands of citizens of the United States the United Kingdom and other Western democracies Rejecting their national identity they have heeded international calls to jihad and formed extremist groups to fight their own countries This groundbreaking book represents one of the first systematic attempts to explain why Westerners join radical Islamic groups Quintan Wiktorowicz details the mechanisms that attract potential recruits the instruments of persuasion that convince them that radical groups represent real Islam and the socialization process that prods them to engage in risky extremism Throughout he traces the subtle process that can turn seemingly unreligious people into supporters of religious violence The author's invaluable insights are based upon nearly unprecedented access to a radical Islamic group in the West His extraordinary fieldwork forms the basis of a detailed case study of al Muhajiroun a transnational movement based in London that supports Bin Laden and other Islamic terrorists Through its rich empirical detail this book explains why ordinary people join extremist movements *Civil War in Syria* Adam Baczko, Gilles Dorronsoro, Arthur Quesnay, 2018-02-08 In 2011 hundreds of thousands of Syrians marched peacefully to demand democratic reforms Within months repression forced them to take arms and set up their own institutions Two years later the inclusive nature of the opposition had collapsed and the PKK and radical jihadist groups rose to prominence In just a few years Syria turned into a full scale civil war involving major regional and world powers How has the war affected Syrian society How does the fragmentation of Syria transform social and sectarian hierarchies How does the war economy work in a country divided between the regime the insurgency the PKK and the Islamic State Written by authors who have previously worked on the Iraqi Afghan Kurd Libyan and Congolese armed conflicts it includes extensive interviews and direct observations A unique book which combines rare field experience of the Syrian conflict with new theoretical insights on the dynamics of civil wars *Handbook of Globalization, Governance, and Public Administration* Ali Farazmand, Jack Pinkowski, 2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and Comparative Historical Analysis in the Social Sciences James Mahoney, Dietrich Rueschemeyer, 2003-02-03 This book systematically investigates the past accomplishments and future agendas of contemporary comparative historical analysis Its core essays explore three major issues the accumulation of knowledge in the field over the past three decades the analytic tools used to study temporal process and historical patterns and the methodologies available for making inferences and for building theories The introductory and concluding essays situate the field as a whole by comparing it to alternative approaches within the social sciences Comparative Historical

Analysis in the Social Sciences will serve as an invaluable resource for scholars in the field and it will represent a challenge to many other social scientists especially those who have raised skeptical concerns about comparative historical analysis in the past

Cultures of Selling Laura Ugolini, 2018-12-07 The study of consumption and its relationship to cultural and social values has become a vibrant and important field in recent years Hitherto however relatively few detailed and full length works on this topic have been published In what will become a seminal volume this book examines retail selling in various historical contexts and locations as both an activity at once mundane and almost universal The book introduces the reader to the existing literature relevant to the subject and explores the widespread perceptions of moral ambiguity surrounding the practice of selling consumer goods ranging from concerns about the adulteration of goods to fears about sharp practice on the part of retailers and places such concerns in the context of wider societal values and ideas The ambivalence towards retail selling and sellers is also a central focus of the collection focussing on the attempts by retailers to develop selling techniques and successful practices of salesmanship and at the same time establish widely shared understandings of good retailing The book also delves into the more dubious practices of retail selling including practices on the margin of legality the issue of credit and changing attitudes towards debt Uniquely the book examines how sales techniques relate to the wider context of a whole shopping experience or shopping environment Taken as a whole this volume will provide a first port of call for students researchers and others interested in exploring consumer cultures and the cultural norms and practices involved in the sale of consumer goods in various historical periods and geographical contexts

Germany: Phoenix in Trouble? Matthias Zimmer, 1997-05 As Germany only recently united approaches the twenty first century it is faced with a variety of political economic and social problems that will put the country to the test

Embracing Democracy in Modern Germany Michael L. Hughes, 2021-01-14 Across the modern era the traditional stereotype of Germans as authoritarian and subservient has faded as they have become mostly model democrats This book for the first time examines 130 years of history to comprehensively address the central questions of German democratization How and why did this process occur What has democracy meant to various Germans And how stable is their or indeed anyone s democracy Looking at six German regimes across thirteen decades this study enables you to see how and why some Germans have always chosen to be politically active even under dictatorships the enormous range of conceptions of political culture and democracy they have held and how interactions among various factors undercut or facilitated democracy at different times Michael L Hughes also makes clear that recent surges of support for populism and authoritarianism have not come out of nowhere but are inherent in long standing contestations about democracy and political citizenship Hughes argues that democracy in Germany or elsewhere cannot be a story of adversity overcome which culminates in a happy ending it is an ongoing open ended process whose ultimate outcome remains uncertain

Discourse, Dictators and Democrats Richard D. Anderson, 2016-05-23 Voting hides a familiar puzzle Many people take the trouble to vote even though each voter s prospect of deciding the election is nearly nil

Russians vote even when pervasive electoral fraud virtually eliminates even that slim chance The right to vote has commonly been won by protesters who risked death or injury even though any one protester could have stayed home without lessening the protest's chance of success Could people vote or protest because they stop considering their own chances and start to think about an identity shared with others If what they hear or read affects political identity a shift in political discourse might not just evoke protests and voting but also make the minority that has imposed the dictator's will suddenly lose heart During the Soviet Union's final years the cues that set communist discourse apart from standard Russian sharply dwindled A similar convergence of political discourse with local language has preceded expansion of the right to vote in many states around the globe Richard D Anderson Jr presents a groundbreaking theory of what language use does to politics

The International Handbook of Sociology Stella R Quah, Arnaud Sales, 2000-09-19 The most up to date survey of the range of research in contemporary sociology extremely useful to students teachers and researchers alike Indispensable for collective and personal libraries Immanuel Wallerstein Maison des Sciences de l Homme Paris This unique Handbook provides state of the art reviews of sociology conducted by prominent scholars Drawing on dedicated knowledge and expertise the book constitutes an unrivalled guide to the central theoretical and methodological perspectives in the discipline as a whole The book is organized into six parts o conceptual perspectives o social and cultural differentiation o changing institutions and collective action o demography cities and housing o art and leisure o social problems Each chapter includes a comprehensive review of the literature covering the full range of work from contrasting traditions of thought and approaches No existing work matches this Handbook for scholarly coverage and relevance It is a primary resource for understanding the discipline As such it will appeal to lecturers researchers and advanced graduate and undergraduate students in Sociology

States and Social Movements Hank Johnston, 2013-05-20 Since the late eighteenth century politics protest and the state have evolved together each shaping the other in significant ways This engaging and succinct treatment of protest state interaction shows how the modern national state developed in tandem with social movement mobilization arguing that to understand the state fully you cannot ignore the role of political protest Today social movements are an integral part of politics modern democratic states are in reality social movement societies and protest mobilization permeates how politics is regularly accomplished States and Social Movements presents a balanced and comprehensive assessment of various theories of social movements engaging both state centered approaches and cultural and agency based perspectives Hank Johnston takes a broad view analyzing democratic transitions and revolutions how protest occurs in repressive states and concluding with an exploration of the emerging repertoire of global social movements where these movements come from and if they spell the end of the modern state as we know it States and Social Movements cuts to the core of how social movements interact with all types of state system to produce variable outcomes such as democracy policy reform repression insurrection and revolution As such it is essential reading for students and scholars of sociology and political science interested in the

important research area of contentious politics

Regions, Institutions, and Agrarian Change in European History

Rosemary Lynn Hopcroft, 1999 An institutional approach to agricultural development in Europe leading to the Rise of the West

Theories of Political Protest and Social Movements Karl-Dieter Opp, 2009-04-08 Political protest and social movements are ubiquitous phenomena This book focuses on the current theoretical approaches that aim at explaining them the theory of collective action the resource mobilization perspective political opportunity structure theory the identity approach the framing perspective and the dynamics of contention approach The book has three objectives 1 Many basic concepts like political opportunities or identity are not clearly defined It is further often a matter of interpretation what factors are supposed to affect which phenomena The first aim is therefore to provide a detailed introduction to and a clear restatement of the theories Only then is it possible to assess and improve them 2 For each theory the major strengths and weaknesses are discussed and various modifications and extensions are suggested 3 Building on these analyses it is shown how the theories can be integrated into a single theoretical paradigm the structural cognitive model

The Handbook of Political, Social, and Economic Transformation Wolfgang Merkel, Raj Kollmorgen, Hans-Jürgen Wagener, 2019-01-03 Political social and economic transformation is a complex historical phenomenon It can adequately be analysed only by a multidisciplinary approach The Handbook brings together an international team of scholars who are specialists in their respective research fields It introduces the most important areas theories and methods in transformation research with particular attention placed on the historical and comparative dimension Although focussing on post communist and other democratic transformations in our epoch the Handbook therefore presents and discusses not only their problems paths and developments but also deals with the antecedent waves beginning with the Meiji Restoration in Japan in 1868 and its aftermath The book is structured into six parts Starting with basic concepts as systems actors and institutions Section I it gives an overview over major theoretical approaches and research methods Sections II and III The connection of theory and method with their application is essential allowing special insights into the past and opens analytical avenues for transformation research in the future Section IV provides a historically oriented description or interpretation of particular waves or types of societal transformation With a clear focus on present transformations the contributions to Section V provide a description and discussion of the problems structures actors and courses of the transformations within different spheres of civil society politics law and economics Finally brief lexicographic entries in Section VI delineate research perspectives and facts about relevant issues of societal transformation Each of the 79 contributions contains a concise list of the most important research literature

Methodological Artefacts, Data Manipulation and Fraud in Economics and Social Science Andreas Diekmann, 2016-11-21 No detailed description available for Methodological Artefacts Data Manipulation and Fraud in Economics and Social Science

Nordic, Central and Southeastern Europe 2012 Wayne C.

Thompson, 2012-08-09 This is an annually updated presentation of each sovereign country in Nordic Central and

Southeastern Europe past and present It is broken down into individual chapters on each country dealing with its geography people history political system constitution parliament decentralization and states if a federation parties political leaders and elections There are also sections on foreign and defense policy economy culture future and a lengthy bibliography A Force More Powerful Peter Ackerman, Jack DuVall, 2015-12-01 This nationally acclaimed book shows how popular movements used nonviolent action to overthrow dictators obstruct military invaders and secure human rights in country after country over the past century Peter Ackerman and Jack DuVall depict how nonviolent sanctions such as protests strikes and boycotts separate brutal regimes from their means of control They tell inside stories how Danes outmaneuvered the Nazis Solidarity defeated Polish communism and mass action removed a Chilean dictator and also how nonviolent power is changing the world today from Burma to Serbia

Adopting the Track of Appearance: An Mental Symphony within **Origins Of Spontaneous Revolution East Germany 1989**

In a world taken by monitors and the ceaseless chatter of instant transmission, the melodic elegance and mental symphony developed by the published word usually diminish into the backdrop, eclipsed by the relentless noise and distractions that permeate our lives. Nevertheless, nestled within the pages of **Origins Of Spontaneous Revolution East Germany 1989** a marvelous literary treasure brimming with natural emotions, lies an immersive symphony waiting to be embraced.

Constructed by a masterful composer of language, this captivating masterpiece conducts visitors on an emotional journey, skillfully unraveling the hidden songs and profound impact resonating within each cautiously crafted phrase. Within the depths with this touching examination, we can examine the book is main harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Origins Of Spontaneous Revolution East Germany 1989 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Origins Of Spontaneous Revolution East Germany 1989 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Origins Of Spontaneous Revolution East Germany 1989 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free

PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Origins Of Spontaneous Revolution East Germany 1989 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Origins Of Spontaneous Revolution East Germany 1989. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Origins Of Spontaneous Revolution East Germany 1989 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Origins Of Spontaneous Revolution East Germany 1989 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Origins Of Spontaneous Revolution East Germany 1989 is one of the best book in our library for free trial. We provide copy of Origins Of Spontaneous Revolution East Germany 1989 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Origins Of Spontaneous Revolution East Germany 1989. Where to download Origins Of Spontaneous Revolution East Germany 1989 online for free? Are you looking for Origins Of Spontaneous Revolution East Germany 1989 PDF? This is definitely going to save you time and cash in something you should think about.
