This book explores the individual and complex experiences of captors and prisoners and the practice of ransoming in the Hundred Years War **Dictionary of French Family Names in North America** Marc Picard,2020-09-10 This dictionary contains data not only on the origins of French surnames in Qu bec and Acadia a great many of which eventually spread to many parts of North America but also on those which arrived in the United States directly from various French speaking European and Caribbean countries In addition to providing the etymology of the original surnames it also lists the multifarious variants that have developed over the last four centuries A unique feature of this work in comparison to other onomastics dictionaries is the inclusion of genealogical information on most of the Francophone migrants to this continent something which has been rendered possible not only by the excellent record keeping in French Canada since the very beginnings of the colony but also through the explosion of such data on the internet in the last couple of decades In sum this dictionary serves the dual purpose of providing information on the meanings of French family names on the North American continent as well as on the migrants who brought them there **Édith Thomas** Dorothy Kaufmann,2018-07-05 dith Thomas 1909 1970 a remarkable French woman of letters was deeply involved in the traumatic upheavals of her time most crucially the resistance to Nazi occupation and the collaborationist Vichy regime but also the Spanish Civil War and the Algerian War During the occupation she played an essential role in the struggle to counteract Nazi and P tainist propaganda She was the only woman in the Paris network of Resistance writers they held their clandestine meetings in her left bank apartment Dorothy Kaufmann s powerful and moving book is based in large part on previously unavailable material that dith Thomas a historian novelist and journalist chose not to publish during her lifetime A particularly fascinating chapter in Thomas s life was her intimate relationship with Dominique Aury who wrote Story of O as Pauline R age The astonishing documents made available to Kaufmann by Aury include Thomas s eight notebooks of diaries which she kept from 1931 to 1963 her fictional diary of a collaborator written during the first year of the occupation and her political memoir to which she gave the disturbing title Le T moin compromis The Compromised Witness dith Thomas A Passion for Resistance sheds light on the historical dimensions of Thomas s life and work and on the autobiographical complexity of her writing which everywhere illustrates her personal courage Kaufmann follows dith Thomas s itinerary as it intersects with that of well known contemporaries in particular Simone de Beauvoir Jean Paul Sartre Albert Camus Louis Aragon Jean Paulhan and of course Dominique Aury *The Saint Bartholomew's Day massacre* Arlette Jouanna,2016-05-16 On 18 August 1572 Paris hosted the lavish wedding of Marguerite de Valois and Henri de Navarre which was designed to seal the reconciliation of France s

Catholics and Protestants Only six days later the execution of the Protestant leaders on the orders of the king's council unleashed a vast massacre by Catholics of thousands of Protestants in Paris and elsewhere Why was the celebration of concord followed so quickly by such unrestrained carnage Arlette Jouanna's new reading of the most notorious massacre in early modern European history rejects most of the established accounts especially those privileging conspiracy in favour of an explanation based on ideas of reason of state The Massacre stimulated reflection on royal power the limits of authority and obedience and the danger of religious division for France's political traditions Based on extensive research and a careful examination of existing interpretations this book is the most authoritative analysis of a shattering event *The Rough Guide to the Loire* James McConnachie, 2004 The brand new Rough Guide to The Loire is the essential guide to one of France's most popular regions A World Heritage Site The Loire is famed for its soft fertile countryside and a marvellous parade of châteaux The main section of the guide has informed accounts of every attraction from the fascinating troglodyte dwellings carved out of rock faces around Saumur to the compelling gardens at Villandry The listings tell you where to find the best wines the tastiest goat's cheese and the most interesting places to stay There are maps and plans throughout and a full colour introductory section listing the author's favourite things not to miss In the contexts section there is detailed background on the region's culture cuisine wine festivals and history **Ign 27 Top 100 Orleans/La Charite-Sur-Loire** Chartechnic Staff, 2003-04-01 *Joan of Arc* Marina Warner, 2000 Examines the life of Joan of Arc and explores the meaning of Joan both to her contemporaries and succeeding generations Joan as hero prophet heretic androgyne harlot and saint **Saint Joan of Arc** Victoria Sackville-West, Vita Sackville-West, 2001 Vita Sackville West wrote Saint Joan of Arc in 1936 at the age of forty four and had at that point already been writing for thirty years At fourteen Sackville West published her first book and at fourteen Joan of Arc first heard the voices Joan was seventeen when she took command of the armies of France a peasant girl in the early fifteenth century in charge of a nation's forces At nineteen she was captured by the British and tried as a witch by a church court Before her twentieth birthday she was burned at the stake In 1920 she was canonized by the Roman Catholic Church as a saint In a clever brisk voice Vita Sackville West tells the triumphant story of a French peasant girl raised in a country torn apart by the Hundred Years War who rose from poverty to military greatness With dazzling insight and clarity Sackville West breathes new life into Joan of Arc's beautiful and tragic story **Annuaire général du diocèse d'Orléans pour 1851**, 1851 *A Collection of the Chronicles and Ancient Histories of Great Britain, Now Called England* Jean (de Wavrin), 1887 **A Collection of the Chronicles and Ancient Histories of Great Britain, Now Called England** Jean de Wavrin, Jehan De Wavrin, 2012-11-15 The first full length history of England by a medieval French knight covers the reigns of Henry IV and Henry V **A Collection of the Chronicles and ancient Histories of Great Britain, now called England, by John de Wavrin, from A.
