Orphan In History:

An Orphan in History Paul Cowan, 1982 You are about to embark on a wondrous voyage through time and culture The journey carries you from the privileged world of Park Avenue to nineteenth century Lithuania turn of the century Chicago a contemporary Israeli kibbutz and the timeless world of New York City s Lower East Side Journey s end occurs in the Jewish year 5743 on Manhattan s Upper West Side just crosstown and a lifetime away from where Paul Cowan s complicated halting trip toward faith begins Paul Cowan grows up unaware that he is a descendant of rabbis In one generation five thousand years of religion and culture have been lost Like millions of immigrant families Lou and Polly Cowan pay for the prosperity with their pasts When they die in a tragic fire Paul begins a search for that part of his parents that had perished in America The quest for an ancestral legacy by the American Paul Cowan becomes a rite of passage for the Jew who emerges Saul Cohen Relatives like Jacob Cohen the used cement bag dealer and Modie Spiegel Sr the mail order magnate come to life in the author s warm and touching recreation of an odyssey through immigrant America Jacket flap *The Luckiest Orphans* Hyman Bogen, 1992 Founded in 1860 the Hebrew Orphan Asylum of New York was the oldest largest and best known Jewish orphanage in the United States until its closing in 1941 This book the first history of an orphanage ever published tells the story of the HOA s development from a nineteenth century institution into a model twentieth century child care facility Because of the humane and benevolent attitude of the New York Jewish community toward its orphans the harsh authoritarianism and Dickensian conditions typical of contemporary orphanages were gradually replaced there by a nurturing approach that looked after the religious social and personal needs of the children Though primarily an instrument of social control the HOA was also an expression of Jewish ethnicity Its history is set in a larger context that includes the life and character of the New York Jewish community the city s immigrant population the social and economic conditions of the time the child saving efforts of other groups and the debate over institutional versus foster care Drawing from HOA archives published sources and his personal experience as a resident from 1932 to 1941 Hyman Bogen brings a unique perspective to child saving efforts in the late nineteenth and early twentieth centuries His compelling tale portrays daily life for those who lived and worked in such institutions He illustrates how an enlightened orphanage rather than crushing the spirit of its young residents can help children to gain self esteem and become secure adults Bogen s tale will be of particular interest to urban and social historians to city and government officials and to social workers as well as to anyone concerned with the growing crisis in child care options **An Orphan in History** Paul Cowan, Rachel Cowan, 2002 After growing up as a fully assimilated Jew Paul Cowan embarks upon a journey to discover and appreciate his true identity and heritage traveling a path from his Park Avenue home to nineteenth century Lithuania to a contemporary Israeli kibbutz **Orphans and Abandoned Children in European History** Nicoleta Roman, 2017-11-08 In a world dominated by poverty a central characteristic has been the plight of orphans and abandoned children Over the centuries State Church and individuals have all attempted to

tackle the issue but can we trace any change over the course of time when it comes to the welfare system intended for these disadvantaged children and acts of philanthropy What kind of social policies did States follow and what were the main differences between countries and regions Drawing on historical evidence across several centuries and a range of European countries the contributors to this volume provide a transnational overview The Bristol Orphan Houses, Ashley Down: the History of the New Orphan Houses on Ashley Down Bristol Under the Direction of Mr. George Müller William Elfe Tayler,1872 Orphans Jeremy Seabrook,2018 A rich and varied cultural and social history of an overlooked but ever present phenomenon and an impassioned plea for proper care today **The History of the Jewish Foster Home and Orphan Asylum of Philadelphia** S. M. Fleischman,1905 A History of St. Paul's Orphans' Home of the Reformed Church in the United States, Greenville, Mercer County, Pa David B. Lady,1917 **A New Survey of London: Fully Developing Its Antiquity, History, and Architecture ... Public Buildings ... Trade and Manufactures ... Geography, Geology, and Natural History. Illustrated by a ... Map ... Engravings, Etc. [Edited by John Weale.]** London,1853 **A picturesque history of Yorkshire** Joseph Smith Fletcher,1899 **The Patchwork of World History in Texas High Schools** Stephen Jackson,2022-11-30 This book traces the historical development of the World History course as it has been taught in high school classrooms in Texas a populous and nationally influential state over the last hundred years Arguing that the course is a result of a patchwork of competing groups and ideas that have intersected over the past century with each new framework patched over but never completely erased or replaced the author crucially examines themes of imperialism Eurocentrism and nationalism in both textbooks and the curriculum more broadly The first part of the book presents an overview of the World History course supported by numerical analysis of textbook content and public documents while the second focuses on the depiction of non Western peoples and persistent narratives of Eurocentrism and nationalism It ultimately offers that a more global accurate and balanced curriculum is possible despite the tension between the ideas of professional world historians who often de center the nation state in their quest for a truly global approach to the subject and the historical core rationale of state sponsored education in the United States to produce loyal citizens Offering a new conceptual understanding of how colonial themes in World History curriculum have been dealt with in the past and are now engaged with in contemporary times it provides essential context for scholars and educators with interests in the history of education curriculum studies and the teaching of World History in the United States *History of Our Homes* ,1913 **History of the Catholic Church in Australasia** Patrick Francis Moran,1890 **A Concise History of Chinese Literature** Yuming Luo,2011 Adopting new theoretical perspectives and using updated research this book by a leading Chinese scholar seeks to provide a coherent panoramic description of the development of premodern Chinese literature and its major characteristics **Encyclopedia of the History of Missouri** Howard Louis Conard,1901 **Making History** Carol Bakhos,Alyssa M. Gray,2024-03-29 Essays in this volume honor Richard L Kalmin one of the leading scholars of

rabbinic literature Volume contributors explore a variety of topics related to Kalmin's wide ranging work from the development of the Talmud to rabbinic storytelling from the transmission of tales across geographic and cultural boundaries to ancient Jewish and Iranian interactions Many of the essays reflect current trends in how scholars use ancient Jewish literary sources to address questions of historical import Contributors include Carol Bakhos Beth A Berkowitz Noah Bickart Robert Brody Joshua Cahan Shaye J D Cohen Steven D Fraade Shamma Friedman Alyssa M Gray Judith Hauptman Christine Hayes Catherine Hezser Marc Hirshman David Kraemer Marjorie Lehman Kristen Lindbeck Jonathan S Milgram Chaim Milikowsky Michael L Satlow Marcus Mordecai Schwartz Seth Schwartz Burton L Visotzky and Sarah Wolf A Standard History of Erie County, Ohio Hewson Lindsley Peeke, 1916 **A Concise History of Chinese Literature (2 vols.)** Yuming Luo, 2011-06-09 A history of Chinese literature from its early beginnings through the end of the Qing dynasty this recent work from Professor Luo Yuming of China's Fudan University seeks to provide by adopting new theoretical perspectives and using updated research a coherent panoramic description of the development of Chinese literature and its major characteristics As one of the very few English translations of such works by Chinese authors it seeks to inform the Western audience of the recent viewpoints and scholarship on the topic from a leading Chinese scholar It may also provide some grounds of comparison and contrast with equivalent works in the West A Guide to Oral History and the Law John A. Neuenschwander, 2014-09-12 According to the Oral History Association the term oral history refers to a method of recording and preserving oral testimony which results in a verbal document that is made available in different forms to other users researchers and the public Ordinarily such an academic process would seem to be far removed from legal challenges Unfortunately this is not the case While the field has not become a legal minefield given its tremendous growth and increasing focus on contemporary topics more legal troubles could well lie ahead if sound procedures are not put in place and periodically revisited A Guide to Oral History and the Law is the definitive resource for all oral history practitioners In clear accessible language it thoroughly explains all of the major legal issues including legal release agreements the protection of restricted interviews the privacy torts including defamation copyright the impact of the Internet and the role of Institutional Review Boards IRBs The author accomplishes this by examining the most relevant court cases and citing examples of policies and procedures that oral history programs have used to avoid legal difficulties Neuenschwander's central focus throughout the book is on prevention rather than litigation He underscores this approach by strongly emphasizing how close adherence to the Oral History Association's Principles and Best Practices provides the best foundation for developing sound legal policies The book also provides more than a dozen sample legal release agreements that are applicable to a wide variety of situations This volume is an essential one for all oral historians regardless of their interviewing focus *A History of the Liberty Baptist Association* Henry Sheets, 1907
