Power And The Glory:

The Power and the Glory Graham Greene, 2003 A tormented alcoholic priest is pursued by an idealistic lieutenant during an anti clerical persecution in Mexico

The Power and the Glory Graham Greene, 2018-03-13 This prize winning novel of a fugitive priest in Mexico is quite simply Graham Greene's masterpiece John Updike The New York Review of Books In the Mexican state of Tabasco in the 1930s all vestiges of Catholicism are being outlawed by the government As churches are razed icons are banned and the price of devotion is execution an unnamed member of the clergy flees He's known only as the whisky priest Beset by heretical vices guilt and an immoral past he's torn between self destruction and self preservation Too modest to be a martyr too stubborn to follow the law and too craven to take a bullet he now travels as one of the hunted attending in secret to the spiritual needs of the faithful When a peasant begs him to return to Tabasco to hear the confessions of a dying man the whisky priest knows it's a trap But it's also his duty and possibly his salvation Named by Time magazine as one of the hundred best English language novels written since 1923 *The Power and the Glory* is a violent raw work on suffering strained faith and ultimate redemption The Atlantic

The Power And The Glory Graham Greene, 2001-05-22 During a vicious persecution of the clergy in Mexico a worldly priest the whisky priest is on the run With the police closing in his routes of escape are being shut off his chances getting fewer But compassion and humanity force him along the road to his destiny reluctant to abandon those who need him and those he cares for

Graham Greene Lynette Kohn, 1961 The Bible and Spirituality Andrew T. Lincoln, J. Gordon McConville, Lloyd K. Pietersen, 2013-07-05 The essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality It is prompted by the belief that although the Christian tradition has always nurtured an emphasis on spirituality rooted in the Bible and its interpretation few biblical scholars until recently have pursued their work by making connections with either this religious tradition or present day interest in the broader phenomenon of spirituality Spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice The essays therefore attempt from within the context of the academy responsible readings of Scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature The essays began as papers produced for an international symposium on the Bible and Spirituality in May 2012 hosted by the Centre for the Study of the Bible and Spirituality in the School of Humanities at the University of Gloucestershire
