*Practices of Power* Robert Ewusie Moses,2014-04-01 The conception of powers and principalities in Paul s thought has been amply explored but how did the powers work in the Pauline community Robert Ewusie Moses argues that Paul s conception of the powers is best understood through examining the practices he advocates for the early believers In this detailed study Moses shows that Paul believed certain practices guarded believers from the dominion of the powers while others exposed humans to the work of powers of darkness Moses traces the distinct function of power practices in each of Paul s letters and draws illuminating comparisons with traditional African religious practices     Understanding Spiritual Warfare James K. Beilby,Paul Rhodes Eddy,2012-12-01 The topic of spiritual warfare is an issue of ongoing interest in a

number of sectors of the contemporary church This four view work brings together leading theologians and ministry leaders to present major views on spiritual warfare in dialogical fashion all authors present their views and then respond to each of the other views Contributors include Walter Wink with Gareth Higgins and Michael Hardin David Powlison Gregory Boyd C Peter Wagner and Rebecca Greenwood This volume provides a balanced irenic approach to a much discussed and often controversial topic Offering a model of critical thinking and respectful dialogue it highlights the differences between contributors discusses a full range of important topics on the subject and deploys biblical as well as theological arguments

Understanding Spiritual Warfare Sam Storms, 2021-04-27 A comprehensive theological guide to everything the Bible has to say about spiritual warfare Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives But if we re to take Scripture seriously we can t overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed tormented and tempted by demonic powers In Understanding Spiritual Warfare theologian and professor Sam Storms confronts the reality of the spiritual conflict in our midst the threat of the demonic and how we as Christians can respond to such a threat in our own lives and in the lives of others Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic answering question like Who is Satan and his demons and how do they act Can a Christian be demonized How does the authority of Christ defeat the devil and the demonic What is warfare prayer and how can we wield it Perfect for any individual or group who wants to grow in their understanding of spiritual warfare Understanding Spiritual Warfare also serves as a training manual for a ministry of deliverance and inner healing

**Are Miraculous Gifts for Today?**

Zondervan, 2011-10-11 Are Miraculous Gifts for Today takes you to the heart of one of the most dividing questions in the Church today how are the Holy Spirit s miracles at work among God s people now Is he still actively giving the gifts of tongues prophecy and healing that fill the book of Acts Is he driving out demons when Christians command them to flee Or are these events confined to the time of the early church and the apostles This volume of the Counterpoints series provides

an impartial format for comparing the four main positions on present day miracles including the history and distinctions between the three positions that affirm miraculous gifts with voice also given to a large sector of open but cautious evangelicals Cessationist there are no miraculous gifts of the Holy Spirit today Pentecostal gifts are intended for today with certain nuances focused on baptism and speaking in tongues Charismatic gifts are intended for today and should be actively practiced Third Wave gifts are intended for today with greater emphasis on baptism and less on tongues This thought provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Their Rock Is Not Like Our Rock Daniel Strange, 2015-02-03 The reality of the West's post Christendom multiethnic multicultural context has meant that more than ever Christians face questions posed not simply by the existence of other religions but also by their apparent flourishing If secularization is alive and well then so too is society's sacralization Hence a theology of religions is arguably the most significant concern confronting Christian mission and apologetics in the twenty first century There has been little evangelical theology offering a detailed comprehensive and biblically faithful analysis not only of the question of salvation but also questions of truth the nature and history of human religiosity and a host of other issues pertaining to Christian apologetics and contextualization amid religious pluralism In Their Rock is Not Like Our Rock lecturer and vice principal of Oak Hill College in London Daniel Strange explores these issues and offers the beginning of a theology of other religions

The Holy Spirit and Mission Dynamics C. Douglas McConnell, 1997-09-15 Over the past decade there have been few forums in which the controversial subject of this book could be openly discussed During the 1994 and 1996 annual conferences of the Evangelical Missiological Society this subject was a central topic of discourse These ten chapters represent an attempt to reflect the concerns and present understanding of evangelical missiologists on the Holy Spirit and mission dynamics **The Undistracted Widow** Carol W. *Across the Spectrum* Gregory A. Boyd,Paul Rhodes Eddy,2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University *Across the Spectrum* succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book

will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I ve been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It s settled I m requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University

**Fighting Satan** Joel R. Beeke, 2015-06-23 In a day when society has in many ways placed itself under Satan s rule when Satanism is flourishing in Western nations when certain branches of the church are preoccupied with deliverance ministries and when others deny the devil s existence *Fighting Satan* is a sober practical perspective on this vital subject Joel R Beeke states We must know our enemy We must know how to withstand him and what spiritual weapons to take up against him We must defeat him by faith through lives that bear fruit and spread the truth With questions for reflection and discussion at the close of each chapter *Fighting Satan* is ideal for group and individual Bible study Table of Contents Part One Knowing the Enemy The Personality and History of Satan 1 Satan in the Bible 2 Satan in Church History Today and the Future Part Two Knowing Satan s Weaknesses Fighting Him Defensively and Offensively 3 Building an Unyielding Defense 4 Building an Attacking Offense Part Three Knowing Satan s Strategies His Devices and Their Remedies 5 Satan s Strategies and Skill 6 Confronting Four Major Strategies of Satan Part Four Knowing Satan s Defeat in Our Personal Lives Churches and Nations 7 Our Challenge as Believers 8 Our Challenge as Church Members 9 Our Challenge as Citizens      **Developments in Biblical**

Caram, 2018-06-08 We are living in a time of increasing confusion and turmoil People in the world are full of insecurity they

are troubled lonely and full of self doubt In the midst of such uncertainty peace is a sacred treasure Yet the sad truth is that many people and this includes many Christians have never enjoyed the blessings of true peace Peace seems illusive and out of reach and very difficult to maintain in our daily lives God s Word however encourages those who belong to Him to diligently seek peace and pursue it Ps 34 14 This divine directive is meant to stir us up If we truly desire to live a victorious Christian life we cannot just be satisfied with wishing or yearning for peace Instead we must enthusiastically pursue it and when we find it we must grab hold of it and not let it go For all who seek an inner calm from the fears and frustrations of life it is our prayer that this book will help you in your personal pursuit of peace Through Jesus Christ we have been promised abundant life Jn 10 10 Still many Christians cling to the wrong belief that abundant life is only possible when we reach heaven However there are keys in God s precious Word that when unlocked and received within our spirit will bring us to that place of peace we are longing for in this life These keys which are established for us in The Pursuit of Peace will enable us to Win the War Within as we conquer our insecurities through the wonderful life changing Word of God
