Power of Feminist Art Norma Broude, Mary D. Garrard, 1996-09-01 The Power of Feminist Art is not a book it is a milestone Until Power feminist art has been conspicuously absent from standard academic narratives Now no critic or historian conservative or not can argue that feminist art is insignificant Elizabeth Hess Village Voice 270 illustrations 118 in full color **The Power of Feminist Art** Norma Broude, Mary D. Garrard, 1996 *The Power of Feminist Art* Norma Broude, 1994 **Anthropology, Art and Cultural Production** Maruska Svasek, 2007-02-20 This book provides an introduction to anthropological perspectives on art Svasek defines art as a social process We study not only the artefacts themselves and the values attributed to them but also the process of production and its wider context Providing a critical overview of various anthropological theories of art Svasek offers a new perspective which centres on the analysis of commoditisation aestheticisation and object agency She explores the process of collecting and exhibiting art works and how this relates to art's production distribution and consumption in an increasingly global market The book outlines the significance of art and aesthetics in everyday life and examines the shifting boundaries between art and other categories such as kitsch souvenirs propaganda and pornography Finally Svasek argues for an anthropological perspective that links the production and consumption of artefacts to political religious and other cultural processes Ideal as a teaching text this book gives a detailed overview of themes that are central to the fields of art history art sociology and cultural studies

Feminists Who Changed America, 1963-1975 Barbara J. Love, 2006-09-22 Documents the key feminists who ignited the second wave women's movement This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws

Transforming the Disciplines Renee P. Prys, Mary Jane Cherry, Susan Popham, Elizabeth L. Macnabb, 2013-10-31 A jargon free non technical and easily accessible introduction to women's studies All too many students enter academia with the hazy idea that the field of women's studies is restricted to housework birth control and Susan B Anthony Their first encounter with a women's studies textbook is likely to focus on the history and sociology of women's lives While these topics are important the emphasis on them has led to neglect of equally important issues Transforming the Disciplines A Women's Studies Primer is one of the first women's studies textbooks to show feminist scholarship as an active force changing the way we study such diverse fields as architecture bioethics history mathematics religion and sports studies Although this text was designed as an introduction to women's studies it is also rewarding for upper level or graduate students who want to understand the pervasive effects of feminist theory Most chapters provide a bibliography or list of further reading of significant works Its clear jargon free prose makes feminist thought accessible to general readers without sacrificing the revolutionary power of its ideas In almost thirty essays covering a broad range of subjects from anthropology to chemistry to rhetoric Transforming the Disciplines exemplifies the changes achieved by feminist thought Transforming the Disciplines

combines a high standard of writing and scholarship with personal insight includes both traditional academic arguments and alternative non agonistic forms of discussion embraces an international scope challenges traditional assumptions models and methodologies offers an inter and multidisciplinary approach strengthens readers understanding of the big picture not only for women but for all disempowered groups critiques feminism as well as patriarchal society Feminist theory is grounded in a questioning of traditional assumptions about what is right natural and self evident not just about the roles and nature of men and women but about how we think what we teach whose experience matters and what is important Transforming the Disciplines is the first textbook to show the consequences of those questions not the answers themselves but the consequences of the willingness to ask and the transformations that have occurred when the right answers changed Art, Women, California 1950-2000 Diana Burgess Fuller, Daniela Salvioni, 2002 This is the book on women s art I ve been waiting for smart deeply rooted and up to date with an overdue focus on women of color that fills in the historical cracks Read it and run with it Lucy R Lippard author of The Pink Glass Swan Selected Essays on Feminist Art More than merely beautiful and ground breaking Art Women California 1950 2000 is also about the enriching interventions created by diverse women artists the effect of whose work is not only far reaching but has also opened up the very definition of American art It is about intellectual interdisciplinarity and the dialectical relationship between art and social context It is about the way various California cultures Native Latino Asian feminist immigrant politically active and virtual which are so different from the trope of the Western cowboy have intervened in that entity we imagine as America Elaine Kim editor of Dangerous Women Gender and Korean Nationalism Rich and provocative A pleasure to read and to look at Linda Nochlin author of The Body in Pieces The Fragment as a Metaphor of Modernity This book should greatly help everyone understand the remarkably diversified evolution of art in California which is largely due to the great influx of women and the transformative effect of a new feminist consciousness Arthur C Danto author of Philosophizing Art Selected Essays **Art of Engagement** Peter Selz, Susan Landauer, 2006-01-09 Art of Engagement focuses on the key role of California s art and artists in politics and culture since 1945 The book showcases many types of media including photographs found objects drawings and prints murals painting sculpture ceramics installations performance art and collage **Reading California** Stephanie Barron, Sheri Bernstein, Ilene Susan Fort, 2000 This collection of essays written by a stellar cast of art historians and scholars looks closely at the forces that shaped fine art and material culture in California Illustrations Iconic Works of Art by Feminists and Gender Activists Brenda Schmahmann, 2021-07-22 In this book contributors identify and explore a range of iconic works Mistress Pieces that have been made by feminists and gender activists since the 1970s The first volume for which the defining of iconic feminist art is the raison d tre its contributors interpret a Mistress Piece as a work that has proved influential in a particular context because of its distinctiveness and relevance Reinterpreting iconic art by Alice Neel Hannah Wilke and Ana Mendieta the authors also offer important insights about works that may be less well known those by Natalia

LL Tanja Ostoji Swoon Clara Men res Diane Victor Usha Seejarim Ilse Fuskov Phaptawan Suwannakudt and Tracey Moffatt among others While in some instances revealing cross influences between artists working in different frameworks the publication simultaneously makes evident how social and political factors specific to particular countries had significant impact on the making and reception of art focused on gender The book will be of interest to scholars working in art history visual studies and gender studies

The Taste of Art Silvia Bottinelli, Margherita d'Ayala Valva, 2017-06-01 The Taste of Art offers a sample of scholarly essays that examine the role of food in Western contemporary art practices The contributors are scholars from a range of disciplines including art history philosophy film studies and history As a whole the volume illustrates how artists engage with food as matter and process in order to explore alternative aesthetic strategies and indicate countercultural shifts in society The collection opens by exploring the theoretical intersections of art and food food art's historical root in Futurism and the ways in which food carries gendered meaning in popular film Subsequent sections analyze the ways in which artists challenge mainstream ideas through food in a variety of scenarios Beginning from a focus on the body and subjectivity the authors zoom out to look at the domestic sphere and finally the public sphere Here are essays that study a range of artists including among others Filippo Tommaso Marinetti Daniel Spoerri Dieter Roth Joseph Beuys Al Ruppertsberg Alison Knowles Martha Rosler Robin Weltsch Vicki Hodgetts Paul McCarthy Luciano Fabro Carries Mae Weems Peter Fischli and David Weiss Janine Antoni El bieta Jab o ska Liza Lou Tom Marioni Rirkrit Tiravanija Michael Rakowitz and Natalie Jeremijenko

Social Controversy and Public Address in the 1960s and Early 1970s Richard J. Jensen, 2017-10-01 The period between the 1960s and 1970s is easily one of the most controversial in American history Examining the liberal movements of the era as well as those that opposed them this volume offers analyses of the rhetoric of leaders including those of the civil rights movement the Chicano movement the gay rights movement second wave feminism and conservative resistance groups It also features an introduction that summarizes much of the significant research done by communication scholars on dissent in the 1960s and 1970s This time period is still a fertile area of study and this book provides insights into the era that are both provocative and illuminating making it an essential read for anyone looking to learn more about this time in America

Finding Fran Lois W. Banner, 2000-07-03 Exploring the intersections of biography and autobiography East and West faith and reason Finding Fran tells the story of two high school friends who took radically different paths Lois Banner became an academic feminist while Fran Huneke converted to Islam joining the mystical Sufi Order and moving to Egypt

Pens and Needles Susan Frye, 2011-11-29 The Renaissance woman whether privileged or of the artisan or the middle class was trained in the expressive arts of needlework and painting which were often given precedence over writing Pens and Needles is the first book to examine all these forms as interrelated products of self

fashioning and communication Because early modern people saw verbal and visual texts as closely related Susan Frye discusses the connections between the many forms of women s textualities including notes in samplers alphabets both stitched and penned initials ciphers and extensive texts like needlework pictures self portraits poetry and pamphlets as well as commissioned artwork architecture and interior design She examines works on paper and cloth by such famous figures as Elizabeth I Mary Queen of Scots and Bess of Hardwick as well as the output of journeywomen needleworkers and miniaturists Levina Teerlinc and Esther Inglis and their lesser known sisters in the English colonies of the New World Frye shows how traditional women s work was a way for women to communicate with one another and to shape their own identities within familial intellectual religious and historical traditions Pens and Needles offers insights into women s lives and into such literary texts as Shakespeare s Othello and Cymbeline and Mary Sidney Wroth s Urania

Contemporary Art and Feminism Jacqueline Millner,Catriona Moore,2021-07-05 This important new book examines contemporary art while foregrounding the key role feminism has played in enabling current modes of artmaking spectatorship and theoretical discourse Contemporary Art and Feminism carefully outlines the links between feminist theory and practice of the past four decades of contemporary art and offers a radical re reading of the contemporary movement Rather than focus on filling in the gaps of accepted histories by adding the missing female queer First Nations and women artists of colour the authors seek to revise broader understandings of contemporary practice by providing case studies contextualised in a robust art historical and theoretical basis Readers are encouraged to see where art ideas come from and evaluate past and present art strategies What strategies materials or tropes are less relevant in today s networked event driven art economies What strategies and themes should we keep hold of or develop in new ways This is a significant and innovative intervention that is ideal for students in courses on contemporary art within fine arts visual studies history of art gender studies and queer studies

Art Workers Julia Bryan-Wilson,2009 From artists to art workers Carl Andre s work ethic Robert Morris s art strike Lucy Lippard s feminist labor Hans Haacke s paperwork

Visualizing Feeling Susan Best,2011-06-30 Is late modern art anti aesthetic What does it mean to label a piece of art affectless These traditional characterizations of 1960s and 1970s art are radically challenged in this subversive art history By introducing feeling to the analysis of this period Susan Best acknowledges the radical and exploratory nature of art in late modernism The book focuses on four highly influential female artists Eva Hesse Lygia Clark Ana Mendieta and Theresa Hak Kyung Cha and it explores how their art transformed established avant garde protocols by introducing an affective dimension This aspect of their work while often noted has never before been analyzed in detail Visualizing Feeling also addresses a methodological blind spot in art history the interpretation of feeling emotion and affect It demonstrates that the affective dimension alongside other materials and methods of art is part of the artistic means of production and innovation This is the first thorough re appraisal of aesthetic engagement with affect in post 1960s art

The Political Body Andrea Giunta,2023-03-28 This book discusses how some works of art

produced in Latin America in the sixties seventies and eighties forged a different understanding of the female body understood as space for the expression of a dissident subjectivity in relation to socially normalized places Representations of art and of feminist activism interrogated the disciplining of the female body that entails as well the disciplining of the male body Before a history of highly regulated artistic representations regardless of the occasional exceptions a historian might point out images erupted that questioned the social and institutional naturalization of the feminine and the masculine
