The Cape Town Commitment: A Confession of Faith, A Call to Action Darrell L. Bock, 2013-06-14 The Cape Town Commitment which arose from The Third Lausanne Congress on World Evangelization Cape Town 2010 stands in the historic line of The Lausanne Covenant 1974 and The Manila Manifesto 1989 It has been translated into twenty five languages and has commanded wide acceptance around the world The Commitment is set in two parts Part 1 is a Confession of Faith crafted in the language of covenantal love Part 2 is a Call to Action The local church mission agencies special interest groups and Christians in the professions are all urged to find their place in its outworking This annotated bibliography of The Cape Town Commitment arranged by topic has been compiled by specialists in a range of fields As such it is the first bibliography of its kind Arranged in sections for graduate level teaching Equally useful for research students **Introducing**

Story-Strategic Methods Robert Strauss, 2017-03-17 The purpose of *Introducing Story Strategic Methods* is to awaken us in the cross cultural context Our natural tendency is to be asleep to our own cultural values and core worldview assumptions This tendency applies as well to our expectations in the cross cultural context For example in what ways would a justice pattern of culture orient our speech and behavior To what degree is a justice pattern of culture different from an honor pattern of culture The book asserts that culture matters in effective communication Going further to what degree does a story told from the Bible nullify the power of culture Often we assume that the biblical story trumps culture It does not The book affirms rigorously that culture is much more powerful than we first suppose If in fact culture trumps the biblical story Therefore understanding and skills are required for effective engagement across cultures Strategic storytelling is a twelve step methodology that addresses the problems of miscommunication and syncretism that plague the cross cultural context It offers a step by step solution that promises success Insights are firmly rooted in Scripture and equally grounded in empirical research from the social sciences The stories told throughout the book are true The answers are compelling

Reconnecting God's Story to Ministry Tom A. Steffen, 2006-12-31 To help readers recapture the most natural universal and effective means of evangelism discipleship that exists storytelling **No Perfect People Allowed** John Burke, 2009-05-26 How do we live out the message of Jesus in today's ever changing culture The church is facing its greatest challenge and its greatest opportunity in our postmodern post Christian world God is drawing thousands of spiritually curious imperfect people to become his church but how are we doing at welcoming them *No Perfect People Allowed* shows you how to deconstruct the five main barriers standing between emerging generations and your church by creating the right culture From inspiring stories of real people once far from God to practical ideas that can be applied by any local church this book offers a refreshing vision of the potential and power of the Body of Christ to transform lives today [Introduction to Evangelism](#) Alvin Reid, 1998 In this important book Alvin Reid traces the essence of evangelism its history and character teaching Christians how to preach the Gospel effectively *The Power of Story* Leighton Ford, James D. Denney, Jim

Denney,1994 If you re like most people you have some hesitancy about talking to others about Jesus It might be due to fear or shyness or it may be that you just don t know what to say Now Dr Ford shows how simply telling your story is perhaps the best non threatening low key way to communicate the Gospel God s story to others *Evangelism Handbook* Alvin

Reid,2009 A thoroughly updated overview of how evangelism should happen detailing the work of the Great Commission in four key categories biblical spiritual intentional missional **THE CHURCH COMMUNITY IN CONTEMPORARY**

CULTURE Kieran Beville,2016-02-12 Once upon a time Postmodernism was a buzz word It pronounced Modernism dead or at least in the throes of death It was a wave that swept over Christendom promising to wash away sterile dogmatic and outmoded forms of church But whatever happened to postmodernism It was regarded as the start of a major historical transition to something new and promising and hailed as a major paradigm shift Is it a philosophy that has passed its sell by date No The radical fringe has become the dominant view and has been integrated into all aspects of life including the Christian church With the emergence of multicultural societies comes interaction with different belief systems and religions Values like tolerance and a dislike of dogmatism have become key operating concepts which reflect a change in worldview This change is affecting every area of life including the way we believe and what we believe The effects are far reaching Postmodernism presents new challenges and opportunities for Christians In this book Kieran Beville presents Postmodernism as a quest for significance meaning and belonging and outlines evangelistic strategies for reaching Postmodern people with the abiding good news of the gospel The Return of Oral Hermeneutics Tom Steffen,William Bjoraker,2020-05-01 Have Western exegetes turned an Eastern book into a Western one Has our fondness for a fixed printed text capable of being analyzed with precision and exactitude blinded us to other hermeneutic possibilities Does God require all people to be able to analyze grammar to interpret Scripture Does God assume all people can interpret Scripture through oral means The authors recognize the effects of centuries of literacy socialization that produced a blind spot in the Western Christian world the neglect by most in the academies agencies and assemblies of the foundational and forceful role orality had on the biblical text and teaching From the inspired spoken word of the prophets including Jesus pre text to the elite literate scribes who painstakingly hand printed the sacred text to post text interpretation and teaching the footprint of orality throughout the entire process is acutely visible to those having the oral aural influenced eyes of the Mediterranean ancients Could oral hermeneutics be the mother of relational theology **A New Vision, a New Heart, a Renewed Call** David Claydon,2005

Preaching Parables to Postmoderns Brian Stiller,2005-01-01 Preachers in their call to preach the Scriptures are not only charged with the responsibility of speaking its truth but of speaking in such a way that people of this age and culture understand To do this the preacher builds a bridge between todays people and the gospel of both testaments For some this task is more difficult than for others Preaching to those living in an inner city housing project is far removed from an outpost mission in the two thirds world Each community has its own way of thinking and attaches different values to symbols of its

own making For those called preach to a generation raised on MTV and late night comedians or those rooted in various economic cultures from government sponsored jobs overseen by union bosses to entrepreneurial dot com companies or generations stretching from high school students to freedom fifty fivers the task is enormous When one adds to that the complexity of a radical shift in underlying intellectual and cultural assumptions the task of preaching becomes even more complicated

The Power of Story John Topliff, 2015 You have a story to tell This book will help you tell it In *The Power of Story* Leighton Ford explains how you can experience the joy of leading others to Christ simply by telling them the story of how God has impacted your life Evangelism isn't about formulas and programs Ford says It's about what God has done in our lives Evangelism is the result of God's Story intersecting with our story He is the evangelist not us If you have become a part of the Story of God then you will have a story to tell to those around you They are eager to hear it writes Ford They are dying

Charisma and Christian Life, 1994-07 **Closer Walk**, 1995 Bedtime Snacks for the Soul Diane M. Komp, 2000 A world renowned physician offers soothing meditations for night owls *Bedtime Snacks for the Soul* is designed to hand over readers into the gentle arms of God With reflective devotions this book is for believers wanting to finish their day in God's quiet comforting presence

Perfection interdite John Burke, 2013 Que faut il faire pour devenir un responsable spirituel dont le ministere ait un impact reel sur la generation postmoderne mergente Que faut il faire pour detourner le tsunami qui est en train d'effacer l'Eglise de la carte Quel genre de culture pourra captiver et convaincre nos contemporains Comment devenir des chretiens attractifs capables d'amener ceux qui sont en recherche dans la famille de Dieu tout comme Jesus l'a fait Dans la societe postmoderne le message est le message La maniere dont nous sommes perçus est tout aussi importante que la verite que nous defendons Ce que les gens voient c'est ce qu'ils reçoivent Un ouvrage précieux pour nous aider à réfléchir au message que nous faisons passer en tant que chretiens titre individuel et collectif
