Power Of Words:

The Power of Words J. Martin, Reverend, 2016-06-04 There is simply no value put on words we can all speak them they don't cost any money as they are free to all they are simply not appreciated Words however are the reason that one person lives a life of abundance while another person lives a life of lack Words can open doorways that hands can not They can break down invisible boundaries A few words can destroy life or breathe new life into a withering one Words can fill a person full of happiness or fill them full of despair Words can build up a person's confidence or take it crashing to the ground As most people do not value their words they misuse them which allows the power of their words to work against them They want to go in one direction but their words push them in another This conflict is what most people battle with each day They ask God to grace their lives with favor health and abundance but their words keep them in a life full of disappointment sickness and lack In this book I want to share with you the correct way to harness the power of your words so instead of holding you back they propel you towards the life that you desire The life that you were destined to live I will draw from personal experience and Scripture to illustrate how positive thoughts and words can be used to overcome every challenge that stands in your way I will share how important it is to stop the habit of talking idly about your problems and instead focus on speaking about solutions Knowing is not enough we must apply Willing is not enough we must do Johann Wolfgang von Goethe Pick up your copy today by clicking the BUY NOW button at the top of this page **The Power of Positive Words**

positive contribution to our world Chances are a few names popped right up George Washington Abraham Lincoln Martin Luther King Jr After all they have their own national holidays Then maybe people you are studying in school such as Thomas Jefferson Eleanor Roosevelt or Harriet Tubman After that perhaps you listed a few important people in the news Bill Gates Jimmy Carter even Oprah Winfrey Coming up with a list of 50 wasn't easy was it We didn't think so either and that's why we wrote this book Every kid needs great men and women to admire and imitate but how can you look up to them if you don't know who they are 50 American Heroes Every Kid Should Meet introduces readers to a diverse cast of great Americans The remarkable stories of fifty inspiring Americans are highlighted from Jane Addams to Louis Zamperini Among our heroes are architects and aviators activists and scientists entrepreneurs and advocates They are teachers musicians inventors and athletes Some are well known Others deserve to be Some of our heroes lived long ago Others continue to enrich our world today Our heroes share admirable qualities exceptional talent fierce determination and indomitable spirit They are courageous and confident and possess an unwavering commitment to being the best they can be My Son Cassandra Ferguson, 2025-04-07 It's time to mentor him We must be the leaders and examples our young men need We can speak words of affirmation and support him The world has tried to label our young men in a negative way but we stand with and for them Author Cassandra Ferguson along with her six coauthors previously took a stand for girls around the world with their earlier project Dear Daughter Now these moms are seeking to disrupt the status quo and demand change Here they share their teaching moments with their sons reminding them that they are far more than what society has labeled them They can do all things through Christ who strengthens them they can be anything and go anywhere as long as they don't give up Standing with our sons requires not just words but also resilience and determination Mothers' teachings can have a tremendous effect on sons and these authors are out to ensure they don't forget that This inspirational guide aimed at young Black men shares the wisdom that a group of mothers have shared with their sons over the years **Heritage and Hate** Stephen M. Monroe, 2021-06 Explores how Ole Miss and other Southern universities presently contend with an inherited panoply of Southern words and symbols and Old South traditions everything that publicly defines these communities from anthems to buildings to flags to monuments to mascots Upside Down Verses Right Side Up Steven Allen, 2018-08-07 This is a book written out of an observation of the great need for God's full truth to be proclaimed as never before The word of God the Bible His truth is not matching the lifestyles of many proclaiming Christians today as we see the end draw near to that promised land The Lord God has opened my mind up to so many pertinent issues of today Not in judgment but in need of checking our short accounts before the Lord God Almighty God has a schedule and though Satan does not know the hour or the day just as we do not he knows the seasons and is in full attack mode to deceive and destroy As this world seems to be spinning out of control with everything it seems running at warp speed God has never been out of control and never will be We need like never before to fix our eyes on Him and His word of truth if we are to survive in the chaos of today Record

number of young adults are today leaving the church and it's easy to see why when you look at all the hypocrisy that they are seeing in reference to God's truth. In how we are living our lives as if this world is our hope. And to all the compromise of today. It's important that we don't take observation as judgment but that we examine our lives unto the full word of God. Not to just live in a form of legalism and rules but living in the grace of God and living that grace out not taking advantage of that grace. It should never be about judgment but encouragement to running the race as to win the prize. This is my motivation. Complacency in living in half truth is not truth at all.
