Prayer Revolution

John Smed,2020-05-05 Are you praying constricted prayers or disruptive ones Most prayers are constricted ones They re prayers that only focus on one part of the Lord s Prayer give us our daily bread They re usually focused on self and envision God as a heavenly caretaker Disruptive prayers on the other hand are powerful uncommon and deeply biblical They focus on God rather than self seek to advance the kingdom and submit all things to God They are also prayed with a profound belief that prayer actually accomplishes something When we pray disruptive prayers that s when the revolution begins This book shows you how to equip leaders fuel kingdom movements and do real damage to the powers of darkness in the here and now But most of all discover how your own heart will be transformed as you begin to see how much bigger prayer and God is than you ever thought possible
