**Life and Times of Theodore Roosevelt** William Henry Harbaugh, Oxford University Press, 1978      *The Senator and the Sharecropper's Son* John Downing Weaver, 1997 Weaver's narrative explores these tangled lives against the background of the color line which W E B Du Bois defined in 1903 as the problem of the twentieth century

**The Encyclopedia of Diplomacy, 4 Volume Set** Gordon Martel, 2018-04-30 The Encyclopedia of Diplomacy is a complete and authoritative 4 volume compendium of the most important events people and terms associated with diplomacy and international relations from ancient times to the present from a global perspective An invaluable resource for anyone interested in diplomacy its history and the relations between states Includes newer areas of scholarship such as the role of non state organizations including the UN and M decins Sans Fronti res and the exercise of soft power as well as issues of globalization and climate change Provides clear concise information on the most important events people and terms associated with diplomacy and international relations in an A Z format All entries are rigorously peer reviewed to ensure the highest quality of scholarship Provides a platform to introduce unfamiliar terms and concepts to students engaging with the literature of the field for the first time      **The American Presidency** Sidney M. Milkis, Michael Nelson, 2015-03-03 The American Presidency examines the constitutional foundation of the executive office and the social economic political and international forces that have reshaped it along with the influence individual presidents have had Authors Sidney Milkis and Michael Nelson look at each presidency broadly focusing on how individual presidents have sought to navigate the complex and ever changing terrain of the executive office and revealing the major developments that launched a modern presidency at the dawn of the twentieth century By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States this award winning book offers perspective and insight on the limitations and possibilities of

presidential power In this Seventh Edition marking the 25th anniversary of The American Presidency's publication the authors add new scholarship to every chapter reexamine the end of George W Bush's tenure assess President Obama's first term in office and explore Obama's second term

**Theodore Roosevelt's Ghost** Michael Patrick Cullinane, 2017-12-11 A century after his death Theodore Roosevelt remains one of the most recognizable figures in U S history with depictions of the president ranging from the brave commander of the Rough Riders to a trailblazing progressive politician and early environmentalist to little more than a caricature of grinning teeth hiding behind a mustache and pince nez Theodore Roosevelt's Ghost follows the continuing shifts and changes in this president's reputation since his unexpected passing in 1919 In the most comprehensive examination of Roosevelt's legacy Michael Patrick Cullinane explores the frequent refashioning of this American icon in popular memory The immediate aftermath of Roosevelt's death created a groundswell of mourning and goodwill that ensured his place among the great Americans of his generation a stature bolstered by the charitable and political work of his surviving family When Franklin Roosevelt ascended to the presidency he worked to situate himself as the natural heir of Theodore Roosevelt reshaping his distant cousin's legacy to reflect New Deal values of progressivism intervention and patriotism Others retroactively adapted Roosevelt's actions and political record to fit the discourse of social movements from anticommunism to civil rights with varying degrees of success Richard Nixon's frequent invocation led to a decline in Roosevelt's popularity and a corresponding revival effort by scholars endeavoring to give an accurate nuanced picture of the 26th president This wide ranging study reveals how successive generations shaped the public memory of Roosevelt through their depictions of him in memorials political invocations art architecture historical scholarship literature and popular culture Cullinane emphasizes the historical contexts of public memory exploring the means by which different communities worked to construct specific representations of Roosevelt often adapting his legacy to suit the changing needs of the present Theodore Roosevelt's Ghost provides a compelling perspective on the last century of U S history as seen through the myriad interpretations of one of its most famous and indefatigable icons

**Guide to the Presidency and the Executive Branch** Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings

Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

*The Presidents vs. the Press* Harold Holzer, 2021-08-24 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press including a new foreword chronicling the end of the Trump presidency The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR's public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it

From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation The Power of the Presidency Robert S. Hirschfield, 2017-07-05 The American presidency is the most powerful political office in the world But this impressive statement serves only to raise a whole series of fundamental questions What is the scope of presidential powers and what are its limits Can the president use all the authority of his office or is that authority more formal than effective Does the presidency have sufficient power to meet today's needs or do the problems of the modern age demand a more powerful executive Is there a danger of dictatorship in the growth of political authority or will the presidency remain an office of constitutional democratic leadership This book explores such questions by presenting a wide range of views on presidential power from a variety of sources original supporters and opponents of the office presidents themselves Supreme Court decisions and professional students of the presidency **The Challenge of the American Presidency** Philip Abbott, 2011-09-16 According to Niccolo Machiavelli leaders must always be prepared for unexpected change sometimes rapidly and in violent and dramatic forms in order to retain control of their fate Philip Abbott applies this insight to U S presidents He identifies six major periods of change in the political economic and international sphere and examines how presidents from Washington to Obama responded to new challenges How presidents are elected how they are expected to govern how the economy functions and what place the nation holds in the international system create general rules that presidents must acknowledge until an alteration in one or more of these patterns changes The author maintains that in the American presidency the difference between success and failure rests with how effectively a president reacts to the changes within these systems during his term in office Organized chronologically this text focuses on high risk decisions presidents have made from George Washington's issuance of the Neutrality Proclamation to Obama's promotion of health care legislation This edition includes new material on the presidencies of George W Bush and Barack Obama as well as updated bibliographical entries The Challenge of the American Presidency will be of interest to those who teach courses in political science history and American Studies as well as to those who are interested in assessing and comparing U S presidents

*The Development of the American Presidency* Richard J. Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some

illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

*A Companion to U.S. Foreign Relations* Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of U S foreign relations from the colonial period to the beginning of the 21st century *A Companion to U S Foreign Relations* is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth *A Companion to U S Foreign Relations Colonial Era to the Present* is an important contribution to scholarship on the

history of America's interactions with the world      *The Three Roosevelts* James MacGregor Burns, Susan Dunn, 2007-12-01  
An immensely interesting account of how Theodore Franklin and Eleanor led the United States through some of its most turbulent decades David McCullough *The Three Roosevelts* is the extraordinary political biography of the intertwining lives of Theodore Franklin and Eleanor Roosevelt who emerged from the closed society of New York's Knickerbocker elite to become the most prominent American political family of the twentieth century As Pulitzer Prize and National Book Award winning author James MacGregor Burns and acclaimed historian Susan Dunn follow the evolution of the Roosevelt political philosophy they illuminate how Theodore's example of dynamic leadership would later inspire the careers of his distant cousin Franklin and his niece Eleanor who together forged a progressive political legacy that reverberated throughout the world Theodore Franklin and Eleanor Roosevelt led America through some of the most turbulent times in its history *The Three Roosevelts* takes readers on an exhilarating voyage through these tumultuous decades of our nation's past and these momentous events are seen through the Roosevelts' eyes their actions and their passions Insightful and authoritative this is a fascinating portrait of three of America's greatest leaders whose legacy is as controversial today as their vigorous brand of forward looking politics was in their own lifetimes A remarkable example of narrative and biographical history at its best Pittsburgh Post Gazette A detailed study Written with impeccable scholarship Houston Chronicle Shows how TR set FDR off on reform and how Eleanor pushed Franklin and how FDR used Eleanor as his legs and as his conscience The Boston Globe

**Reader's Guide to American History** Peter J. Parish, 1997 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company      **The Inaugural Addresses of Twentieth-Century American Presidents** Halford Ryan, 1993-06-30 The essays in Halford Ryan's *The Inaugural Addresses of Twentieth Century American Presidents* explore how presidents have used their addresses to empower themselves in office The volume's construct holds that the president delivers persuasive speeches to move the Congress and the people and to move the people to move the Congress if it is intransigent Even on Inauguration Day a largely ceremonial occasion the president seeks acquiescence and action from Congress and the people in his first rhetorical deed as the nation's chief executive officer Since scholars agree that the rhetorical presidency arose in the twentieth century with Theodore Roosevelt the book commences with Roosevelt's address followed by all subsequent presidents' inaugurals including that of Bill Clinton The authors' methodology applies classical rhetoric to the nexus of political discourse the interrelationships between the speaker the speech and the audience discussing *vox populi* *elocutio* *inventio* and *actio* Each of the chapters analyzes the political situation with regard to political purpose giving special attention to genre criticism and to the themes of campaign rhetoric that were or were not carried forth into the inaugural address The essayists explicate the evolution of each inaugural's preparation criticize its delivery and evaluate its persuasive strengths and weaknesses by accounting for its reception by the media and by the American people Recommended for scholars of political communication and rhetoric political science history and presidential studies      The

Constitution and the American Presidency Martin L. Fausold, Alan Shank, 1991-02-19 In this unusual and provocative volume historians examine the presidencies of Jefferson Jackson Lincoln Theodore Roosevelt F D R and Truman while political scientists assess the contemporary presidency and suggest a range of reforms from modest to radical including fundamental alterations to the balance of power between the presidency and the Congress

Sharing the Burden Charlie Laderman, 2019-09-11 The destruction of the Armenian community in the Ottoman Empire was an unprecedented tragedy Even amidst the horrors of the First World War Theodore Roosevelt insisted that it was the greatest crime of the conflict The wartime mass killing of approximately one million Armenian Christians was the culmination of a series of massacres that Winston Churchill would later recall had roused publics on both sides of the Atlantic and inspired fervent appeals to save the Armenians Sharing the Burden explains how the Armenian struggle for survival became so entangled with the debate over the international role of the United States as it rose to world power status in the early twentieth century In doing so Charlie Laderman provides a fresh perspective on the role of humanitarian intervention in US foreign policy Anglo American relations and the emergence of a new world order after World War I The United States responsibility to protect the Armenians was a central preoccupation of Presidents Theodore Roosevelt and Woodrow Wilson Both American and British leaders proposed an Anglo American alliance to take joint responsibilities for the Middle East and envisioned a US intervention to secure an independent Armenia as key to the new League of Nations The Armenian question illustrates how policymakers missionaries and the public grappled for the first time with atrocities on this scale It also reveals the values that animated American society during this pivotal period in the nation s foreign relations Deepening understanding of the Anglo American special relationship and its role in reforming global order Sharing the Burden illuminates the possibilities limitations and continued dilemmas of humanitarian intervention in international politics

**Presidential Wives** Paul F. Boller, 1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work Newsday
