GOD'S POWER IS NEVER OFF Loreatha Gunnels Mayberry, 2025-04-27 God the Father has given His people many tools to conquer the enemy devil He Jesus left us as power of attorney When the author was not sure of her faith and power God gave her the following prophetic word Loreatha I am your source of power and it is never off You are never in the dark With this power I give to you you can free others from the dark and bring them into my marvelous light where they are changed healed from depression oppression physical healing and set free of demons My power is never off Teach the people This book will enlighten you to realize that you have power over the wiles of the enemy **Discourses Upon the Existence and Attributes of God** Stephen Charnock, 1859 God and the History of the Universe Jarvis Streeter, 2016-03-22 The popular belief that a scientific understanding of reality is incompatible with a Christian one is simply wrong Some Christian understandings of reality do conflict with some scientific understandings But a thoroughly rational Christian understanding of the origin and history of the universe will be informed by the best scientific theories and the facts founded on them This book weaves a narrative of the origin and history of the universe from the perspective of contemporary science with a Christian understanding of God and of God's role in the origin and history of the universe At the center of this integrated narrative is the view that God who is pure unbounded Love is Creator the zest for life in the universe comes from God and God is the source of Truth Beauty and Goodness in the universe God is amazed and delighted at what God and the world has created God is saddened by ways creatures have fallen short of pure unbounded Love Truth Beauty and Goodness and God's pure unbounded Love keeps on trying to persuade all creatures toward Truth Beauty and Goodness *God in South Africa* Albert Nolan, 2024-02-01 This is a reprint of the 1988 publication which is now out of print The book was written while Albert Nolan was in hiding during the State of Emergency in South Africa This volume includes reviews of the book used with permission from the South African Grace and Truth journal from 1990 The author believes that in South Africa the practice of

the struggle is the practice of faith and to show this he reviews the central themes of the Christian faith as found in the Old Testament and the preaching of Jesus the nature of sin and salvation and of God's action in the world He also faces the dilemma of Christians who can no longer support the apartheid state but are uncertain where the liberation struggle will lead Like his best selling *Jesus before Christianity* God in South Africa is a contextual theology a theology rooted in the painful conversion of a church to the cause of liberation It can be regarded the author says as a conversation between South African Christians but out of that conversation comes a challenge to Christians everywhere to discover the meaning of the gospel to find God in their situation This profound book written in the 1980s to guide those seeking to deploy the gospel message against the repressive and abhorrent South African apartheid regime continues to speak powerfully to all peoples in all times and in all places It continues to show how the gospels respond to the signs of the times anywhere that people are in crisis providing the tools to build a contextualised and local theology that can preach the good news of God's liberating power against all forms of injustice Albert Nolan South Africa's Gustavo Gutierrez revealed hope that God cares for and finds the poor and oppressed wherever they are For my own community the potential to construct a contextualised and local Ukrainian theology offers hope that the good news always challenges those who oppress and forever speaks liberation for those burdened by an unjust war and the despair found in its wake

The Living under God's Governmental Administration in His Salvation and the Provisions of the Divine Life Witness Lee, In his Epistles Peter emphasizes God's government Whereas Paul's ministry speaks mainly of the Body of Christ and John's ministry speaks mainly of the house of God Peter's ministry speaks mainly of the kingdom of God that is of all matters related to God's governmental administration His Epistles substantially and comprehensively speak of how God's hand in His governmental administration accomplishes His desire in us and they speak deeply and with much application to our actual condition If we want to know God in our practical living and walk and know God's hand and His work upon us we must know the content of the Epistles of Peter

God: A brief philosophical introduction II K.H.A. Esmail, 2019-02-01 This is a clear and original investigation of God s nature and existence First of all it considers two of God s traditional properties being all knowing and being all powerful It argues he cannot possess these properties But it argues this is in accord with him being worthy of worship Secondly it introduces the notion of evil being overridden It argues he has to bring about other free living things and it is plausible they have to be liable to experience evil due to their conditions But it argues the evil in this world is overridden Thirdly it considers the principal arguments for the claim he does not exist They refer to the evil in the world It argues they do not establish sufficient grounds for this claim Finally it considers some well known arguments for the claim he exists It argues they face difficulties It sets out other arguments eg some arguments to increase any degree of belief one has that God can exist It includes a number of Appendices God s sovereignty Are there sufficient grounds for the claim that very probably God does not exist Theodicy and some theodicies It covers as a whole the principal parts of the Philosophy of Religion It unifies these parts to a significant degree It proceeds regularly by way of formal and clear arguments It will be of interest to advanced students and specialists in Philosophy Religious Studies and Theology Given its explanation of key terms its jargon free language its clarity and brevity it will be of interest to others too

A Shorter Commentary on Romans Karl Barth, 2007-01-01 This reissue of Barth s *A Shorter Commentary on Romans* links to the renewed interest today in a theological interpretation of Scripture In response to the modern preoccupation with what lies behind the text the author s context and to a postmodern preoccupation with what lies in front of the text the reader s context both theologians and biblical scholars are asking the following questions What is the relationship between the biblical text interpreter and God Can the Bible be read both as an historical document and as a text that speaks to us today and if so how can it do so Barth s commentarial practice as exemplified in *A Shorter Commentary on Romans* answers these questions This book is presented in two parts first an introduction by Maico Michielin helping readers understand Barth s theological exegetical approach to interpreting Scripture and showing readers how to let Scripture address theological and ethical concerns for today the main body of the book then follows the republication of the original English translation by D H van Daalen of Barth s *A Shorter*

Commentary on Romans **How can I Hear the Voice of God?** Mark Craythorn, 2012-03-09 Why a book on listening to the voice of God Surely it implies that there is a God out there that is talking to us And if he is talking to us why is He even interested in talking to us There is so much pain hurt and suffering in this world it can seem that God is often so distant Mark Craythorn left no stone unturned while patiently and diligently searching for an answer to the question Does God Exist He obtained the proof that he was looking for but it was what happened afterwards that surprised him Subsequent assent that Jesus Christ is the Son of God followed by a number of significant encounters with the Holy Spirit changed his life forever Mark is passionate about teaching others that God is very active in our lives and communicates to us more than we give him credit for This book contains answers to the question How can I hear the Voice of God It also contains a study guide Forty Days of Hearing God for Yourself This is Mark s second book the first is titled God and Email
