Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey s life s work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey s concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic s passion for God with the activist s passion for

justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future 52 Weeks of Passion and Pain Anita Lorraine,2018-03-14 It takes courage to harness the strength to create a body of work that makes one truly look at themselves in the mirror In 52 Weeks of Passion and Pain Anita explores the dark places within herself and lays them on the page Just as she encourages her audience to stretch Face the truth Accept it she lends the reader a front row seat to her own journey of doing just that Her debut collection part poetry part prose is not for the faint of heart As the up and coming author strives to present her best and truest self to the world her body of work is a revealing testament of struggle suffering and survival Whether in the form of letters to her younger self or tear laden lines of verse Anita s intimate narrative conveys the vital importance of accepting one s truth but living it as well 52 Weeks of Passion and Pain is a stellar and sobering gift by an author whose talent for the written word and the sincerity with which she shares it is sorely needed in todays world **The Divine Renaissance** J. Todd Ferrier,1929 **Imagination, Meditation, and Cognition in the Middle Ages** Michelle Karnes,2017-12-20 In Imagination Meditation and Cognition in the Middle Ages Michelle Karnes revises the history of medieval imagination with a detailed analysis of its role in the period s meditations and theories of cognition Karnes here understands imagination in its technical philosophical sense taking her cue from Bonaventure the thirteenth century scholastic theologian and philosopher who provided the first sustained account of how the philosophical imagination could be transformed into a devotional one Karnes examines Bonaventure s meditational works the *Meditationes vitae Christi* the *Stimulus amoris* *Piers Plowman* and Nicholas Love s *Myrroure* among others and argues that the cognitive importance that imagination enjoyed in scholastic philosophy informed its importance in medieval meditations on the life of Christ Emphasizing the cognitive significance of both imagination and the meditations that relied on it she revises a long standing association of imagination with the Middle Ages In her account imagination was not simply an object of suspicion but also a crucial intellectual spiritual and literary resource that exercised considerable authority The Grief of God Ellen M. Ross,1997 Analyzing a wide range of textual and pictorial evidence the author finds that the bleeding flesh of the wounded Savior manifests divine presence in the intensified corporeality of the suffering Jesus whose flesh not only condemns but also nurtures heals and feeds believers meet a trinitarian God of mercy *The Reality of Words* Kim Rhodes,2019-11-25 If the battlefield is the mind the words we speak are ammunition Words possess more creative power than we realize With words we have the ability to change the trajectory of our life We can create a new reality through the words we speak In *The Reality of Words* Kim L Rhodes elaborates on the conflicts she faced as a Christian and a lesbian She

reconciles the Christian beliefs she grew up understanding to be true with the reality of her life and the loving God she has come to know and love But reconciliation is no easy feat Rhodes had to learn how to speak to and about herself to begin the long journey of inner peace Seeing things differently starts with thinking differently and thinking differently starts with changing the words we think and speak Words can heal or words can destroy They can uplift or put down Words are the most impactful tool we possess yet we act as if they are impotent Words are eternal The power of consequence they hold cannot be diminished it can only be changed with the renewal of your mind The Reality of Words can change your life
