Powers Of Evil A Biblical Study Of Satan And Demons:

Powers of Evil Sydney H. T. Page, 1995 Books on the demonic abound but not until Sydney H T Page's *Powers of Evil* has there been such a comprehensive biblical analysis of Satan and demons *Powers of Evil* offers an exposition of every biblical reference to the demonic and analyzes historic and modern views Page interprets particular passages from which some Bible readers have leaped to false conclusions Studies of Jesus confrontations with demons and of the exorcisms recorded in the Gospels and Acts examine the interplay of power and authority and the implications for the believer's stand in Christ *The Encyclopedia of Christianity* Erwin Fahlbusch, Geoffrey William Bromiley, 1999 The *Encyclopedia of Christianity* is the first of a five volume English translation of the third revised edition of *Evangelisches Kirchenlexikon* Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA *Angels of Light, Powers of Darkness* Stephen Noll, 2003-04-25 Recent years have brought an unexpected revival of popular interest in angels Books professing to draw back the curtain on the unseen angelic world filled entire bookstore shelves Here as if to mock the cold universe of modernity were the stories of numerous and warm encounters with angelic beings But who are angels and what is their nature and purpose in the biblical scheme of things Are the biblical stories to be taken literally or symbolically or should they be relegated to another day and age How have the great theologians of the church regarded the angels And most important what are the nature and role of angels in God's cosmos and his redemptive plan Stephen Noll answers these questions in this detailed exploration of angels in the tapestry of Scripture Here is a biblical theological study of angels Satan and the powers that fills a significant gap and will command the attention of serious students of scripture *The Beasts, the Graves, and the Ghosts* Hann Tzuu Joey Tan, 2020-05-31 At the heart of the gospel is the message of the incarnation God translating himself into the context of human culture and language so we might know him Far from coming to an end with Christ's life on earth this process of contextualization is ongoing reoccurring every time the gospel encounters the particularities of society and culture In this book Hann Tzuu Tan explores the significance of contextualized preaching within the Chinese context Against the backdrop of three major festivals the Spring Festival the Qing Ming Festival and the Hungry Ghost Festival Tan examines the practices of six experienced Chinese preachers in order to demonstrate the theological and practical importance of contextualized preaching As a result of his research Tan suggests six main principles for contextual preaching principles that

are rooted within a Chinese context yet applicable to anyone seeking to express the gospel's relevance within a particular cultural setting. Combining insights from biblical studies, applied theology, and ethnography, this interdisciplinary study will enrich one's understanding of Chinese culture, the gospel, and the important and necessary work of contextualization.

Demons and the Devil in Ancient and Medieval Christianity Nienke Vos, Willemien Otten, 2011-07-27 This collection of essays analyzes the role of demons and the devil in ancient and medieval Christianity. Proceeding from a variety of scholarly perspectives—historical, philosophical, and theological, as well as philological, liturgical, and theoretical—the volume's diverse approach matches the complexity of its chosen theme.

The Crucifixion of the Warrior God Gregory A. Boyd, 2017-04-17 A dramatic tension confronts every Christian believer and interpreter of Scripture: on the one hand, we encounter images of God commanding and engaging in horrendous violence; on the other hand, we encounter the non-violent teachings and example of Jesus, whose loving self-sacrificial death and resurrection is held up as the supreme revelation of God's character in the New Testament. How do we reconcile the tension between these seemingly disparate depictions? Are they even capable of reconciliation? Throughout Christian history, many different answers have been proposed, ranging from the long-rejected explanation that these contrasting depictions are of two entirely different gods to recent social and cultural theories of metaphor and narrative representation. *The Crucifixion of the Warrior God* takes up this dramatic tension and the range of proposed answers in an epic, constructive investigation. Over two volumes, renowned theologian and biblical scholar Gregory A. Boyd argues that we must take seriously the full range of Scripture as inspired, including its violent depictions of God. At the same time, we must take just as seriously the absolute centrality of the crucified and risen Christ as the supreme revelation of God. Developing a theological interpretation of Scripture that he labels a cruciform hermeneutic, Boyd demonstrates how Scripture's violent images of God are completely reframed and their violence subverted when they are interpreted through the lens of the cross and resurrection. Indeed, when read through this lens, Boyd argues that these violent depictions can be shown to bear witness to the same self-sacrificial character of God that was supremely revealed on the cross.

Understanding Spiritual Warfare Sam Storms, 2021-04-27 A comprehensive theological guide to everything the Bible has to say about spiritual warfare. Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives. But if we're to take Scripture seriously, we can't overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil. The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed, tormented, and tempted by demonic powers. In *Understanding Spiritual Warfare*, theologian and professor Sam Storms confronts the reality of the spiritual conflict in our midst, the threat of the demonic, and how we as Christians can respond to such a threat in our own lives and in the lives of others. Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic, answering questions like: Who is Satan and his demons, and how do they act? Can a Christian be demonized? How does

the authority of Christ defeat the devil and the demonic What is warfare prayer and how can we wield it Perfect for any individual or group who wants to grow in their understanding of spiritual warfare Understanding Spiritual Warfare also serves as a training manual for a ministry of deliverance and inner healing **Yahweh's Council** Ellen White,2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible She proposes criteria for determining a Council of Yahweh type scene and membership requirements Following these criteria the Council of Yahweh texts are Isaiah 6 1 Kings 22 Job 1 2 Zechariah 3 and Daniel 7 After determining a cast of characters the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3 The first tier belongs to the chief god the second tier is called the Councilors and the two divisions are Judicial Officials and Advisors The third tier is the Agents and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council are also analyzed Finally Ellen White evaluates the potential for conceptual evolution especially in relationship to monotheism and the participation of human beings within the Council of Yahweh **The Message of Spiritual Warfare** Keith Ferdinando,2016-10-20 This valuable exposition of the theme of spiritual warfare is in four sections The first is concerned with the nature of Satan and his activity in the world God has made The second examines the different dimensions of Christ s victory over Satan The third considers ways in which Christ s victory over Satan impacts God s people The final section looks at various areas in which believers must fight sin and Satan Two concluding chapters examine the weapons with which God equips his people for their spiritual warfare The Politics of Salvation Timothy W. Reardon,2021-01-14 Timothy W Reardon uncovers thesalvation narrative developed within Luke Acts and its key themes as they develop within the Lukan presentation of time and space while being attentive to overcoming a facile compartmentalization of religion and politics Reardon argues that Luke Acts offers a complete holistic embodied and theopolitical soteriology cosmic in scope that includes both the what and how of salvation In contrast to recent arguments for some form of vicarious expiation in Luke Acts Reardon instead suggests that Luke Acts presentation of salvation though exhibiting elements of multiple atonement models noticeably takes a Christus Victor form using Irenaeus s Christus Victorparadigm in particular as a point of comparison Throughout this book Reardon repeatedly demonstrates that Lukan soteriology is political examining Jesus role as herald of God s kingdom the salvific space of heaven and the Church and the mission of salvation Reardon concludes that Luke Acts is a theopolitical salvation unfolding in space aiming toward the reconciliation of all things **In the Name of Jesus** Graham H. Twelftree,2007-10 This volume offers a comprehensive examination of both historical and theological aspects of exorcism in Christianity s first two centuries *God at War* Gregory A. Boyd,2014-06-18 Modern Christians are often baffled by the problem of evil frequently attributing pain and suffering to some mysterious good purposes of God Gregory Boyd instead declares that biblical writers did not try to intellectually understand evil but rather grappled to overcome it **The Mosaic of Atonement** Joshua M.

McNall,2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us **Psalm 91 and Demonic**

Menace Gerrit C. Vreugdenhil,2020-07-13 In Psalm 91 and Demonic Menace Gerrit Vreugdenhil offers a thorough analysis of the text structure and genre of Psalm 91 Already in its earliest interpretations Psalm 91 has been associated with the demonic realm The use of this psalm on ancient amulets and in magic texts calls for an explanation Examining the psalms images of threat from a cognitive science perspective Vreugdenhil shows that many of these terms carry associations with sorcery and magic incantations and curses diseases and demonic threat The psalm takes demonic threat seriously but also draws attention to the protection offered by JHWH Finally the author proposes an outline of the situational context in which Psalm 91 might have functioned *3 Crucial Questions about Spiritual Warfare (Three Crucial Questions)* Clinton E.

Arnold,1997-08-01 Knowledgeable accessible answers to these provocative questions What is spiritual warfare Can a Christian be demon possessed Are we called to engage territorial spirits **The Conqueror's Tread** Shandon L.

Guthrie,2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror s Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What

can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more
