Introduction to

Acupressure & Qigong Ram Babu Sao,2025-05-20 This book Introduction to Acupressure headaches heaviness in the head

dizziness ringing in the ears stiff shoulders arising from disorders of the autonomic nervous system constipation sluggishness

chills of the hands and feet insomnia malformations of the backbone frequent in middle age and producing pain in the

shoulders arms and hands pains in the back pains in the knees experienced during standing or going up or downstairs

tension the balance of emotions anxiety grief other emotional imbalances and diseases that can be relieved with acupressure

Acupressure points can be used to enhance many aspects of life such as managing stress relieving and preventing sports

injuries improving muscle tone and blood circulation relieving neuromuscular problems and a beauty treatment like

improvement of skin condition and toning and relaxing the facial muscles which can lessen the appearance of wrinkles

without drugs However acupressure is not a substitute for medical care it is often an appropriate complementary treatment

The Acupressure points are located between the shoulder blades the spine at the level of the heart the soles of one s feet and

palms and all over the body Patients with life threatening diseases and serious medical problems such as a stroke or heart

attack or any serious medical condition should always consult their doctor and take treatment before using acupressure

therapies Acupressure is not an appropriate sole treatment for cancer contagious skin diseases or sexually transmitted

diseases but in conjunction with proper medical attention however gentle acupressure can help soothe and relieve a patient s

distress and diseases
