Practical Discipleship:

Here's How Lee Brown,2013-06 How many times have you been told you should do some particular thing in your walk with Christ But has anyone ever taken the time to show you how We often feel guilty when people tell us we should be walking closer with Jesus because we simply don t know what that looks like in a real and practical sense In this book you ll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ Rather than beat you over the head this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all Whether you ve been following Christ all your life or you re just taking your first steps Here s How will show you the path to true discipleship *Practical Discipleship* Zac Poonen,2002 **As You'Re Going** Brett Harig,2018-08-07 If you have a passion for making disciples and dont know where to start this book puts in simple terms where to start From learning and teaching to love As Youre Going goes through simple and practical teachings to make disciples If youre interested in making your everyday life a call to make disciples As Youre Going will be a great book for you **A Practical Discipleship Model That Fosters Spiritual Maturity** Owar Ojha Ojulu,2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwaa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwaa culture into the discipleship approach and the persistence of certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers [Christian Growth from A to Z](#) Doug Lowery,2015-07-08 This thorough and biblical discipleship manual will prove to be practical and edifying to those who are new believers and will challenge those who have known Christ longer to go forward to greater Christ likeness and spiritual maturity These four biblical alphabets can be used in many settings personal study one on one discipleship small groups Sunday school class curriculum and Christian school and home school Bible study material Christian Growth from A to Z is a wonderful help to lead a Christian from salvation to maturity in Christ This is an excellent help for those mentoring new converts or students in Sunday school and other class settings I especially appreciate the focus on knowing God and His attributes It is evident that this work comes out of the many needs that Brother Lowery has seen after many years of ministry Dr Les Ollila Chancellor Northland Baptist Bible College *The Practical Discipleship Training Manual* Decal

Nono,2025-05-05 The purpose of this book is to equip you with the true knowledge of being a follower of Jesus Christ It emphasis on how to live a Christian life as a disciple of Jesus This discipleship training program is an excellent foundational teaching for every believer It covers all the essential areas for Christian growth and gives a good understanding of the fundamental principles of spiritual growth and service The emphasis is very practical The course provides plenty of suggestions for discussion and applying the truths taught It will encourage and inspire you to go deeper into your relationship with Christ and in the practice of your Christian life This book will be useful for your personal growth it is also good for small Bible study groups and even better for the entire church It can lead the whole congregation to be on the same page regarding the fundamental truth of biblical doctrine since there is much confusion caused by the rise of false and misleading teachings that challenge our faith Pastors and those who lead any type of Christian congregation will find this training useful because it covers most of the issues that affect the growth The book covers 27 fundamental topics of spiritual growth stability and spiritual maturity The contents are centred on the Bible and will establish a strong foundation in your ministry and in your Christian journey I highly recommend this book to you whether you are a pastor or just believer

spread Christ's word But the one big question they are all asking is how The Spirit of God is compelling them to seek the answer This book is the gateway to answering that question The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions What does it mean to be a godly man and how can I become one The Spirit answered by sending men into their lives to disciple them not with disdain or judgment but with love and compassion a gospel centered focus These men walked alongside them in the messiness of life helping them to apply Biblical truths and spiritual disciplines in a challenging world From their own personal journeys out of the abyss the authors have written this book Here you will learn to BUILD a one on one relationship CREATE a culture of men who support each other LOOK TO CHRIST and find what obstacles are blocking you TRANSFORM your life seeing the Gospel advance through the discipling of other men Real Life Discipleship The Ordinary Man's Guide to Disciple Making offers a gateway from confusion to clarity from struggle to transformation Practical Discipleship Craig Weyrens, 2017-05-29 This is discipleship at its very core keeping our eyes fixed on Jesus and attaching our lives to Him so that we begin to walk like Him This in fact is the goal of the Christian faith and the path by which we fully experience God's salvation This book was created to help us as we strive to become disciples of Jesus It includes 13 interactive studies about Christian discipleship for groups of two or three The following themes are addressed Identity Repentance Lordship Abiding in Jesus Community A responsive heart God's will Worship Service Evangelism Mercy Making disciples Life long discipleship *Discipleship as Holy Collaboration* Yolanda Solomon, 2024-05-14 In this practical guide Yolanda Solomon offers biblical exposition and personal narratives to help us become disciples who are invited by Jesus to collaborate with God in a sacred group project With a discussion guide and multiple step by step praxis activities this book will encourage equip and reignite your passion to disciple others **Loving God** Matthew McDill, 2018-01-04 Today our churches are full of Christians who are starved for discipleship Christians who are serious about following Jesus but don't know where to start Discipleship is when a Christian helps others learn how to follow Jesus Christ Loving God A Practical Handbook for Discipleship is a valuable resource for your discipleship relationships If you have not been taught and led through the basic principles and disciplines of the Christian life this book is a great place to start You may be a parent who wants to know how to disciple your children You may be a parent or friend looking for a practical resource as you help others on their spiritual journey Loving God can equip you to be an effective mentor as you help others follow Jesus Its easy to read chapters discuss the following subjects in detail Finding your purpose Giving it all to God Spending time with God Learning to pray Understanding God's Word Living in victory Ministering to others Living in community Discerning God's will Each chapter includes discussion questions a summary of the main ideas recommendations for further reading and practical tools you can return to again and again as you follow Christ and mentor others **Centering Discipleship** E. K. Strawser, 2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual

discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus *Optimal Discipleship* Neil Thomas DeSiato, 2025-06-26 The apostle Peter in his second epistle tells us that God's Word and promises are given as we encounter the revelation of Jesus Christ His promises are unveiled when we experience His glory and goodness In these moments Jesus the divine catalyst implants His promises in our hearts like seeds designed to grow and produce His life within us just as a natural seed grows in the soil to reproduce its life As the character of Christ develops within us the living Word works in us washing cleansing and pruning us from the filth of this world transforming and conforming us into His divine nature This ongoing transformation both powerful and hope filled encourages us to remain committed and dedicated to our spiritual journey and inspires others to follow Christ

Gospel-Centered Discipleship Jonathan K. Dodson, 2012-03-31 Reflecting on the practice of disciple making in young adult college graduate and local church contexts Jonathan Dodson has discerned some common pitfalls For many discipleship is reduced to a form of religious performance before God For others it devolves into spiritual license and a loose adherence to spiritual facts Both approaches distort biblical motivations for Christian obedience and are in need of reform By explaining various motivations for discipleship Dodson charts a biblically faithful grace driven alternative Additionally he provides a practical model for creating gospel centered discipleship groups small reproducible missional gender specific groups of believers that fight for faith together This book blends both theology and practice to inspire and equip Christians to effectively fight sin keep Jesus central and make gospel centered discipleship a way of life Both new and growing Christians will learn to trust the gospel in community as they fight together for holiness as well as how to start gospel centered community groups in any local church **Radical Discipleship** Robert P. Vande Kappelle, 2022-08-11 Discipleship is a

universal experience all human beings share In our lifetime each of us has had a mentor tutor teacher or role model someone we admired respected and followed As the central character in the Bible the world's best selling book Jesus is known and revered the world over What would it be like to be mentored by such an individual Of course we can follow the accounts of the historical Jesus and his disciples in the gospels but what would it mean to be discipled by a contemporary twenty first century Jesus While people across the world claim to follow Jesus what would it mean to live in the modern world guided by a modern Jesus on religious issues such as faith God and scripture and on social issues such as poverty healthcare social justice political reform and caring for the environment A good place to begin is with compassion for Christianity and compassion are largely linked To be apprenticed to Jesus is to follow one whose profound love for the hungry sick and dying inspired more compassion than any single person movement or force in history Addressing discipleship as a priority in our lives *Radical Discipleship* illustrates its subject with stories and accounts of ordinary Christians living out their discipleship in authentic and inspiring ways Useful for individual or group study this volume serves as a resource for people seeking tools necessary to fulfill Jesus vision for a more vibrant and equitable world one in which every human being can thrive

Discipleship in Education Joseph Allotta, 2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone
