Transforming Evangelism Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism

and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor

Quakering Theology Dr David L Johns, 2013-08-28 Quakers exist neither for themselves nor by themselves alone Therefore they ought not to construct Quaker theologies but rather quaker verb theology to add their fingerprints to the larger conversation David Johns contributes to a Quaker way of thinking theologically but also invites others to think through their denominational identities into a more expansive and ecumenical space Placing contemporary Quaker thought in conversation with the wider theological tradition Johns shows that Quakers have something important to contribute to the wider Christian family and he demonstrates how other groups may enter this conversation as well Some themes explored may not spring immediately to mind as Quaker themes the saints C S Lewis sacraments ritual and Shakespeare but Johns argues these are precisely the kind of issues that require Quaker fingerprints that require quakering
