The Expectant Father Armin A. Brott,Jennifer Ash,2001 The expectant father facts tips and advice for dads to be

How to Be a Pregnant Father Peter Mayle,2000-06 A humorous survival guide for the first time father including the pregnant father s cookbook

Birthing Fathers Richard K. Reed,2005 In this unique study Richard Reed draws on the feminist critique of professionalized medical birthing to argue that the clinical nature of medical intervention distances fathers from child delivery He explores men s roles in childbirth and the ways in which birth transforms a man s identity and his relations with his partner his new baby and society In other societies birth is recognized as an important rite of passage for fathers Yet in American culture despite the fact that fathers are admitted into delivery rooms little attention is given to

their transition to fatherhood **The Everything Father-to-be Book** Kevin Nelson,2010-04-18 There s a lot you need to know about becoming a father But you can t always find the info you need in pregnancy books for women Let s face it you want an easy to use manual that gives you step by step instructions as you enter this all new terrain Sure it s good to know the size and weight of your growing baby but what you really need is advice on how to get your pregnant partner to stop crying pick out the best car seat for baby and handle life when your mother in law comes for a visit This useful guy guide features information on Balancing home and work responsibilities Maintaining an active sex life with your pregnant partner Babyproofing the home How to support and encourage your partner Knowing when to offer help and when to back off Plus this new edition also contains advice and tips from dads who ve been there and lived to tell the tale Whether this is your first child or your fourth The Everything Father to Be Book 2nd Edition gives you all you need to be a perfect partner and a super dad **First Time Dad: An Expectant Father's Weekly Guide to Pregnancy (Simple Tips for Expectant Fathers to Confidently Support Their Partner During Pregnancy)** Jermaine Becker,101-01-01 Are you going to become a dad for the first time Congratulations Learn all you need to know with this practical guide If you are going to become a dad for the first time then you need to prepare yourself for that job What better way to do that than with this amazing book in your hands Fatherhood can be very demanding You can surely expect some sleepless nights and smelly diapers But you can make it easier for yourself This book will prepare you for every scenario and you will always know what to do Within the pages of a guide for fathers to be discover The stages of pregnancy and your role as a supportive partner and father to be A deeper look at what to expect from each trimester Healthcare options available Preparation and the birthing process How to handle your emotions and communicate them to your partner Strategies for looking after both your partner and yourself Ways to form a strong bond with your newborn and provide as much assistance as possible to your partner and baby and more If you answered yes to any of the above this book is for you and will be a game changer while your spouse is pregnant and once your little one arrives As a first time dad there isn t a one size fits all Your journey of fatherhood is unique and worth celebrating and navigating You might feel like asking or looking for advice is a sign of weakness In reality it shows that you care about being a great partner and father and will succeed in your efforts *FAQ for Expectant Fathers* Armin A. MTV and Teen Pregnancy Letizia Guglielmo,2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their

controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TVs representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women s studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves

American Fatherhood Lawrence R. Samuel, 2015-11-05

American Fatherhood A Cultural History traces changes in what it means to be a dad in America from the 1960s through today The book begins with an overview of fatherhood in America from the founding fathers through the 1950s and progresses to the role of fathers as they were encouraged to move beyond being simply providers to becoming more engaged parents navigating complex and changing gender and family expectations By tracing the story of fatherhood in the United States over the course of the last half century American Fatherhood reveals key insights that add to our understanding of American culture The book argues that for most of the twentieth century male parents were urged to embrace the values and techniques of motherhood In recent years however fathers have rejected this model in place of one that affirms and even celebrates their maleness and their relationships with their children After decades of attempting to adopt the parenting styles of women in other words men have finally forged a form of child raising that is truer to themselves In short fatherhood has become a means of asserting rather than denying or suppressing masculinity an original and counterintuitive argument that makes us rethink the idea and practice of being a dad today

Pregnant Fathers Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Pregnant Fathers**, a literary masterpiece that delves deep into the significance of words and their effect on our lives.
