approach to preparing prospective education leaders by combining theory research and practice Grounded in organizational and leadership theory this book helps leaders understand their schools and districts from multiple perspectives and develop their own leadership aspirations approaches and missions Well known authors Brazer Bauer and Johnson present authentic practical problems illuminate them with appropriate theory and research and give readers opportunities to solve common puzzles as a means to grow wisdom about how to lead especially when confronted with complex challenges This book is an invaluable resource for aspiring leaders one that readers will reference as they proceed through their leadership coursework and keep close at hand throughout their leadership career Special Features eResources complementary resources for instructors and students including a set of authentic role playing scenarios accessible from <https://www.routledge.com/9781138039100> Vignettes introduce the reader to real life dilemmas that impact teaching and learning and provide a central reference point for discussions of theory research and practice Theory and Research frameworks and examples inform common leadership challenges helping readers expand their knowledge and experience base to explore situations similar to their own contexts Puzzles real world situations test knowledge and provide opportunities to practice ideas for effective leadership Thought Partner Discussions TPCs and Extended Web Activities EWAs additional thought activities opportunities for reflection and suggestions for discussion provoke puzzle solving

Independent Thinking on Laughter Dave Keeling, 2020-03-09 Dave Keeling's Independent Thinking on Laughter Using humour as a tool to engage and motivate all learners is an uplifting manifesto packed with tips and techniques to help educators unleash the power of humour and laughter in the learning environment Foreword by Ian Gilbert Education is too important to be taken seriously everyone in our schools from the youngest learner to the ahem most senior teacher likes to laugh And beyond the many stress busting and morale boosting benefits that laughter brings on an individual level the collective rewards of laughter in the classroom setting are also numerous such as enhancing openness and teamwork stimulating imagination and creativity and above all strengthening the student teacher relationship No one is more familiar with the power of classroom conviviality than stand up educationalist and Independent Thinking Associate Dave Keeling who in this book takes readers on an enlightening journey into the part that humour can play in improving the learning experience for all concerned Writing with his trademark wit Dave shares handy hints acquired from his experience in the world of comedy and offers a veritable smorgasbord of activities for use with learners all proven to generate laughter enhance learning and make the teacher look great The teacher's mission if they choose to accept it is to take these ideas and exercises and adapt enjoy explore and generally mess about with them to their heart's content An inspiring read for all teachers and educators Independent Thinking on Laughter is an updated edition of The Little Book of Laughter ISBN 9781781350089 and is one of a number of books in the Independent Thinking On series from the award winning Independent Thinking Press

Trump Was a Joke Sophia A McClennen, 2023-03-24 Written by a scholar of satire and politics Trump Was a Joke explains why satire is an exceptional foil

for absurd political times and why it did a particularly good job of making sense of Trump Covering a range of comedic interventions Trump Was a Joke analyzes why political satire is surprisingly effective at keeping us sane when politics is making us crazy Its goal is to highlight the unique power of political satire to encourage critical thinking foster civic action and further rational debate in moments of political hubris and hysteria The book has been endorsed by Bassem Youssef who has been referred to as the Jon Stewart of Egypt and Srdja Popovic author of Blueprint for Revolution who used satirical activism to bring down Serbian dictator Slobodan Milosevic With a foreword by award winning filmmaker satirist and activist Michael Moore this study will be of interest to readers who follow politics and enjoy political comedy and will appeal to the communications comedy studies media studies political science rhetoric cultural studies and American studies markets
