Long Night's Journey into Day Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 Long Night's Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and

church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

Arts & Humanities Citation Index ,2002 [For Decades I Was Silent](#) Baruch G. Goldstein,2008-09-07 A fascinating memoir about a Holocaust survivor's loss of and journey back to faith In 1939 Baruch Goldstein was a religiously observant adolescent resident of the Jewish community in Mława a town that was then in East Prussia After war broke out the Jewish community there was relatively sheltered as that region was incorporated into the German Reich rather than into the General Government the German run fragment of pre war Poland where conditions were harsh for everyone However in 1942 Goldstein was sent to Auschwitz where he stayed two and a half years His family was scattered all to their deaths but he survived the war barely For Decades I Was Silent is an account of life in a small Polish German town and provides information on the religious life of the Jewish citizens This book creates a direct sense of the random mystifying personal violence individuals felt at the hands of Germans not the anonymous industrial death machine but immediate face to face violence After the war Goldstein drifted as a refugee to UNRRA camps in Italy Over time young Goldstein had to face the fact that all of his extended family was lost and he had only the possibilities of Palestine or help from distant relatives in the United States as a future His American relatives urged him to enter the United States as a yeshiva student and eventually he became a rabbi and started a family As a young rabbinical student and then as a rabbi Goldstein was forced to confront the events of the Holocaust and the damage done to his faith [Books in Print](#) ,1991

The Afternoon of Christianity Tomáš Halík,2024-03-01 Tom Halík provides a poignant reflection on Christianity's crisis of faith while offering a vision of the self reflection love and growth necessary for the church to overcome and build a deeper and more mature faith In a world transformed by secularization and globalization torn by stark political and social distrust and ravaged by war and pandemic Christians are facing a crisis of faith In The Afternoon of Christianity Tom Halík reflects on past and present challenges confronting Christian faith drawing together strands from the Bible historic Christian theology philosophy psychology and classic literature In the process he reveals the current crisis as a crossroads one road leads toward division and irrelevance while the other provides the opportunity to develop a deeper more credible and mature form of church theology and spirituality an afternoon epoch of Christianity The fruitfulness of the reform and the future vibrancy of the Church depends on a reconnection with the deep spiritual and existential dimension of faith Halík argues that Christianity must transcend itself giving up isolation and self centeredness in favor of loving dialogue with people of different cultures languages and religions The search for God in all things frees Christian life from self absorption and leads toward universal fraternity one of Pope Francis's key themes This renewal of faith can help the human family move
