Long Range Deserter:

Long Range Deserter Henry Chesham,1986 **Long Range Deserter** David Bingley,1997 **Military Deserters**
United States. Congress. Senate. Committee on Armed Services. Subcommittee on Treatment of Deserters from Military Service,1968 **Broken Homes: A Study of Family Desertion and its Social Treatment** Joanna C. Colcord,2022-09-16
Joanna C Colcord s Broken Homes A Study of Family Desertion and its Social Treatment is a seminal work that meticulously examines the multifaceted issue of family desertion Through a blend of case studies statistical analyses and sociological insights Colcord delves into the causes consequences and societal responses to this prevalent yet often overlooked social phenomenon Her narrative is both compassionate and critical offering a window into the lives affected by abandonment and the era s social policy frameworks The book is a vital artifact in the literary continuum of social work reflecting the progressive ambition of early 20th century reforms within its rich historical context As a pioneering social worker and a director at the Russell Sage Foundation Joanna C Colcord s professional experience deeply informs her exploration in Broken Homes Her passion for social justice and her first hand encounters with the plight of disintegrated families lend authenticity and depth to her analysis Colcord s voice echoes the cries for reform and understanding in an age where industrialization and urbanization were transforming the American family landscape Scholars policymakers and anyone interested in the history of social welfare will find Broken Homes both enlightening and thought provoking Colcord s work offers vital lessons about the social constructions of family and the enduring impact of desertion on individuals and communities It stands as a testimony to the complexities of family dynamics and an admonition for continual progress in social support systems This book not only contributes to historical scholarship but also serves as a call to action for current and future generations to address the persistent challenges surrounding family cohesion and societal support mechanisms No Soap, No Pay, Diarrhea, Dysentery & Desertion Jeff Toalson,2006-08-18 No Soap No Pay Diarrhea Dysentery Desertion is a groundbreaking study of life during the final sixteen months of the Confederacy Civil War studies normally focus on military battles campaigns generals and politicians with the common Confederate soldier and Southern civilians receiving only token mention Using personal accounts from more than two hundred seventy soldiers farmers clerks surgeons sailors chaplains farm girls nurses nuns merchants teachers and wives author Jeff Toalson has created a compilation that is remarkable in its simplicity and stunning in its scope These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals They discussed disease slavery inflation religion desertion blockade running and their never ending hope that the war would be over before their loved ones died As in all wars these are the people who suffer the most and glory is hard to find amid lice dysentery starvation and death A significant contribution to Civil War literature No Soap No Pay Diarrhea Dysentery Desertion will open vistas to a side of the war with which most are only mildly familiar The words of these individuals are an honest powerful and poetic portrayal of the war s effect on their lives All Hands ,1951 *Murdering*

Wells G Mitchell, 2017-04-01 When a military deserter robs a mail contractor and leaves him to the mercy of Apache raiders in a remote corner of Arizona the contractor's brother Luke Adison vows to track down those responsible. Soon the tables turn however as Luke is captured by the deserters. Will he manage to escape and avenge his brother or will he learn the true secret behind the sinisterly named Murdering Wells.

'Reshaping Shakespeare' and Later Literary Essays Cedric Watts, 2017 Cedric Watts M A Ph D Emeritus Professor of English at Sussex University gathers here seventeen of his literary essays which were previously published in a diversity of locations. The authors discussed include Shakespeare Dickens James Fenimore Cooper Maupassant Kipling O Henry Anthony Hope Conan Doyle John Buchan John Galsworthy Stephen Crane Joseph Conrad James Joyce and Graham Greene.

The Oxford Companion to American Military History, *Hitler's Deserters* Douglas Carl Peifer, 2025 The Wehrmacht executed thousands of its own in World War II for desertion and undermining the military spirit. This study examines who these Wehrmacht deserters were why they deserted what punishment they could expect and how German military justice operated. It argues that after the First World War the German military embraced the Dolchstoß legend and determined that if it ever went to war again the military would punish deserters ruthlessly. This view arrived at independently accorded fully with that of Adolf Hitler. The study analyses the challenges associated with hiding in the Third Reich surrendering to the enemy or crossing over into neutral Switzerland or Sweden. After the Second World War Germans began a debate about how these deserters should be remembered Vergangenheitsbewältigung and whether they should be rehabilitated. The study analyzes the contested meaning attached to the Wehrmacht deserter in Germany from 1945 to the twenty-first century.

The Deserters Charles Glass, 2014-05-27 An impressive achievement a boot level take on the conflict that is fresh without being cynically revisionist. The New Republic A groundbreaking history of ordinary soldiers struggling on the front lines. The Deserters offers a completely new perspective on the Second World War. Charles Glass renowned journalist and author of the critically acclaimed *Americans in Paris* *Life and Death Under Nazi Occupation* delves deep into army archives personal diaries court martial records and self-published memoirs to produce this dramatic and heartbreaking portrait of men overlooked by their commanders and ignored by history. Surveying the 150 000 American and British soldiers known to have deserted in the European Theater The Deserters A Hidden History of World War II tells the life stories of three soldiers who abandoned their posts in France Italy and Africa. Their deeds form the backbone of Glass's arresting portrait of soldiers pushed to the breaking point a sweeping reexamination of the conditions for ordinary soldiers. With the grace and pace of a novel The Deserters moves beyond the false extremes of courage and cowardice to reveal the true experience of the frontline soldier. Glass shares the story of men like Private Alfred Whitehead a Tennessee farm boy who earned Silver and Bronze Stars for bravery in Normandy yet became a gangster in liberated Paris robbing Allied supply depots along with ordinary citizens. Here also is the story of British men like Private John Bain who deserted three times but never fled from combat and who endured battles in North Africa and

northern France before German machine guns cut his legs from under him The heart of The Deserters resides with men like Private Steve Weiss an idealistic teenage volunteer from Brooklyn who forced his father a disillusioned First World War veteran to sign his enlistment papers because he was not yet eighteen On the Anzio beachhead and in the Ardennes forest as an infantryman with the 36th Division and as an accidental partisan in the French Resistance Weiss lost his illusions about the nobility of conflict and the infallibility of American commanders Far from the bright picture found in propaganda and nostalgia the Second World War was a grim and brutal affair a long and lonely effort that has never been fully reported to the detriment of those who served and the danger of those nurtured on false tales today Revealing the true costs of conflict on those forced to fight The Deserters is an elegant and unforgettable story of ordinary men desperately struggling in extraordinary times

Operation Chaos Matthew Sweet,2024-09-04 An untold Cold War story how the CIA tried to infiltrate a radical group of U S military deserters a tale that leads from a bizarre political cult to the heart of the Washington establishment Stockholm 1968 A thousand American deserters and draft resisters are arriving to escape the war in Vietnam They re young they re radical and they want to start a revolution Some of them even want to take the fight to America The Swedes treat them like pop stars but the CIA is determined to stop all that It s a job for the deep cover men of Operation Chaos and their allies agents who know how to infiltrate organizations and destroy them from inside Within months the GIs have turned their fire on one another Then the interrogations begin to discover who among them has been brainwashed Manchurian Candidate style to assassinate their leaders When Matthew Sweet began investigating this story he thought the madness was over He was wrong Instead he became the confidant of an eccentric and traumatized group of survivors each with his own theory about the traitors in their midst All Sweet has to do is find out the truth And stay sane Which may be difficult when one of his interviewees accuses him of being a CIA agent and another suspects that he s part of a secret plot by the British royal family to start World War III By that time he s deep in the labyrinth of truths and half truths wondering where reality ends and delusion begins

A German deserter's war experience Anonymous,2019-12-03 In A German Deserter s War Experience the anonymous author delves into the harrowing realities of World War I through the lens of a soldier who chooses to abandon the battlefield Written in a stark yet poignant prose style the narrative unfolds as an unflinching account of the psychological and moral dilemmas faced by those involved in the war The book operates within the context of the anti war literature that emerged in response to the catastrophic consequences of the Great War reflecting a profound sense of disillusionment and the questioning of nationalistic fervor that characterized the era The anonymity of the author adds a layer of universality to the text inviting readers to grapple with the shared experiences of soldiers regardless of their national identity This lack of attribution suggests a broader intent to highlight the collective anguish experienced by combatants and deserters alike driven perhaps by personal trauma or a desire for reconciliation amidst the chaos of war Readers seeking a deep introspective exploration of the human condition amid conflict will find this work both compelling

and transformative A German Deserter s War Experience is not just a recounting of events it is a profound meditation on courage conscience and the quest for peace in the wake of devastation Social Welfare ,1929 *DA Pam* ,1967

Military Law Review ,1967 **Amnesty** United States. Congress. House. Committee on the Judiciary,1974 **Amnesty** United States. Congress. House. Committee on the Judiciary.
