*Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines* Mih?e?, Lorena  
 Clara,Andreescu, Raluca,Dimitriu, Anda,2021-01-15 Stories are everywhere around us from the ads on TV or music video  
 clips to the more sophisticated stories told by books or movies Everything comes wrapped in a story and the means employed

to weave the narrative thread are just as important as the story itself. In this context, there is a need to understand the role storytelling plays in contemporary society, which has changed drastically in recent decades. Modern global society is no longer exclusively dominated by the time-tested narrative media such as literature or films, because new media such as videogames or social platforms have changed the way we understand, create, and replicate stories. *The Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines* is a comprehensive reference book that provides the relevant theoretical framework that concerns storytelling in modern society, as well as the newest and most varied analyses and case studies in the field. The chapters of this extensive volume follow the construction and interpretation of stories across a plethora of contemporary media and disciplines. By bringing together radical forms of storytelling in traditional disciplines and methods of telling stories across newer media, this book intersects themes that include interactive storytelling and narrative theory across advertisements, social media, and knowledge sharing platforms, among others. It is targeted towards professionals, researchers, and students working or studying in the fields of narratology, literature, media studies, marketing, and communication, anthropology, religion, or film studies. Moreover, for interested executives and entrepreneurs or prospective influencers, the chapters dedicated to marketing and social media may also provide insights into both the theoretical and the practical aspects of harnessing the power of storytelling in order to create a cohesive and impactful online image.

**Memoirs of a Longshot** W. Cothran Campbell, 2007-02-20. Teenage drinking diverted Cot Campbell onto the perilous slope of alcoholism. This invidious enemy stymied the talents of young Campbell, who lurched from job to job and from jail to jail. Finally disgusted by his personal failures, Cot grasped the aid of Alcoholics Anonymous. Thereafter, he forged a rising career curve with passion, imagination, and integrity, taking his cherished wife and family along on the ride. Campbell founded one of the South's leading advertising agencies, then found a way to turn his love of horse racing into a sporting career, and his success completed a remarkable transformation. *Memoirs of a Longshot* is a sprightly telling of that unique tale. It is indeed the story of a Riproarious Life. Praise for Cot Campbell's *Memoirs of a Longshot*. Leave it to a world-class storyteller like Cot Campbell to weave the vague, stumbling beginnings of a lad on a Tennessee horse farm with the raucous highs and desperate lows of big-time horse racing. Sprinkle the tale with such characters as Featherlip, Trabue, Rhumba Pete, and a one-armed barber named Baker Lane, and come out the other end with an indelible memoir of a life lived in grand and gracious style. Jay Hovdey, *Daily*
