This Dream Is Not for You Wade Joye,2023-09-12

Christian speaker and Bible teacher Wade Joye pushes back against the dominant self help teaching of the day to follow your dreams and encourages us to let go and surrender our lives to God in order to truly live Follow your dreams is the self help message of our day In our schools and universities media and culture and even in church we are taught to dream big work hard and find true happiness in living our dreams And so we spend our lives chasing But as we chase our dreams we can be met with exhaustion anxiety and disappointment Our circumstances may put our dreams in jeopardy or even deny them and we re heartbroken Or we achieve them and just want more Wade Joye offers here a different way Release your grip on your dreams and trust God with your whole life Joye shows that by letting go we are freed from the pressure to secure some ideal unattainable life and

instead become open to God and his plans Living a life of daily surrender to God's purpose we begin to see glimpses of God in our present circumstance as he shows us that he more than anyone can be trusted With deep wisdom frank teaching and a pastor's heart Wade guides readers step by step to the place of letting go the place where we find real life **Gingerbread** Helen Oyeyemi,2019-03-05 Exhilarating A wildly imagined head spinning deeply intelligent novel The New York Times Book Review Wildly inventive Helen Oyeyemi's prose is not without its playful bite Vogue The prize winning bestselling author of Boy Snow Bird What Is Not Yours Is Not Yours and Peaces returns with a bewitching and imaginative novel Influenced by the mysterious place gingerbread holds in classic children's stories beloved novelist Helen Oyeyemi invites readers into a delightful tale of a surprising family legacy in which the inheritance is a recipe Perdita Lee may appear to be your average British schoolgirl Harriet Lee may seem just a working mother trying to penetrate the school social hierarchy but there are signs that they might not be as normal as they think they are For one thing they share a gold painted seventh floor walk up apartment with some surprisingly verbal vegetation And then there's the gingerbread they make Londoners may find themselves able to take or leave it but it's very popular in Druh strana the far away or according to many sources non-existent land of Harriet Lee's early youth The world's truest lover of the Lee family gingerbread however is Harriet's charismatic childhood friend Gretel Kercheval a figure who seems to have had a hand in everything good or bad that has happened to Harriet since they met Decades later when teenaged Perdita sets out to find her mother's long lost friend it prompts a new telling of Harriet's story As the book follows the Lees through encounters with jealousy ambition family grudges work wealth and real estate gingerbread seems to be the one thing that reliably holds a constant value Endlessly surprising and satisfying written with Helen Oyeyemi's inimitable style and imagination it is a true feast for the reader
