Creative Bible Teaching Lawrence O. Richards,Gary J. Bredfeldt,2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God s Word is always relevant the teacher must help students see Scripture s vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God s Word Creative Bible Teaching offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God s Word This newly revised edition makes learning about God s Word more accessible for both teachers and students today Simple clear and memorable the method laid out in Creative Bible Teaching provides a sure fire way of communicating God s Word in a way that sticks

Formational Children's Ministry (ēmerſion: Emergent Village resources for communities of faith) Ivy Beckwith,2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation But what if children s ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God the story of church history the story of the local community and the story of the child intersect and speak to one another What if children s ministry was less about downloading information into kids heads and more about leading them into these powerful compelling stories Beckwith aims to help ministers and parents create a ministry that captures children s imaginations not just to keep them occupied but to live as citizens of the kingdom of God In addition to providing theological reasons for formational children s ministry the book offers examples of how Ivy and other practitioners are implementing a formational model

Principles and Practices of Christian Education Robert W. Pazmiño,2002-04-29 Principles and Practices of Christian Education shows teachers how they can use two important principles that stand behind all evangelical practices to make their education program stand out from all the others in its nurture of students First evangelical Christian education recognizes the need for conversion personal and corporate transformation that reconnects people to their Creator Second evangelical Christian education strives for connection making contact with people as unique individuals who live in a particular society and who need to know more about scripture In this book Christian education students learn that the work for which they prepare is a partnership with God to transform people Their central task is worship but through it and other activities they lead others to faith commitment and transformation of communities *The Ladies' Home Journal* ,1893

Adoptive Youth Ministry (Youth, Family, and Culture) Chap Clark,2016-01-26 Kids desperately need healthy committed adults who can help them thrive in their faith and become active participants in the life of the church This requires the efforts of the whole faith community Chap Clark one of the leading voices in youth ministry today brings together twenty four experts from a variety of denominations and traditions to offer a comprehensive introduction to adoptive youth ministry a theologically driven academically grounded and practical youth ministry model The book shows readers how to integrate emerging generations into the family of faith helping young adults become active participants in God s redemptive community **You and Children** Elsiebeth McDaniel,Larry Richards,1973 The Effective Teaching series by popular Christian education author Lawrence O Richards is a practical outgrowth of his best selling textbook Creative Bible Teaching Here he presents the specific details of the plan he outlined earlier The series has a threefold purpose 1 To orient teachers and parents to distinctive aspects of the subject or age group which affect communication of biblical concepts and values 2 To help readers evaluate their present ministry and practices to teachers and parents 3 To give practical guidance for development of more helpful and effective behavior for teachers and parents You and Children is the third volume in this series following You the Teacher and You and Youth It centers specifically on the special problems faced by parents and teachers working with children Elsiebeth McDaniel an expert on beginners and primaries did the writing following the popular Richards style Richards says of her You ll find her a blend of the theoretical and the bluntly practical You ll find
