Lassiter,Clyde Ellis,Ralph Kotay,2002-01-01 In this highly original and moving volume an anthropologist a historian and a Native singer come together to reveal the personal and cultural power of Christian faith among the Kiowas of southwestern Oklahoma and to show how Christian members of the Kiowa community have creatively embraced hymns and made them their own Kiowas practice a unique expression of Christianity a blending that began with the arrival of missionaries on the Kiowa Comanche Apache Reservation in the 1870s In these pages historian Clyde Ellis offers a compelling look at the way in which many Kiowas became Christian over the past century and have woven that faith into their identity The personal and cultural significance of traditional songs and their close connection to the power of hymns is then illuminated by anthropologist Luke Eric Lassiter Like traditional Kiowa songs Christian hymns help restore and minister to the community they also can be highly individualistic since many are composed and shared by church members themselves at different times in their lives In the final section of the book Kiowa singer Ralph Kotay tells of the personal meaning and value of the hymns and of the Christian faith in general This remarkable sensitive book makes an important contribution to our understanding of the complexity of Native lives today and offers a subtle yet penetrating look at the legacy of Christianity among Native peoples

**The Rizzlerunk Club: Best Buds Under Frogs** Leslie Patricelli,2018-02-13 Ten years after Leslie Patricelli's first board book took the toddler world by storm she ventures into a new genre with an offbeat and funny illustrated middle grade novel Lily is pretty lucky She made a friend on the first day at her new school even after she barfed on the playground and now she and Darby are the only two members of the RizzleRunk Club Darby is fun She tells funny stories she likes to catch frogs and there's lots of junk food at her house Darby is good at lots of things too Especially lying Which Lily isn't She gets that ants under her skin feeling when she even thinks about doing it But sometimes telling the truth is just too hard so when Lily accidentally does something to the class rat that she's afraid to admit she denies it Soon the lie feels like something awful sitting in the bottom of her stomach Will Lily find a way to let it out      *A Song of Muhammad* M. Muhaiyaddeen,1995      **Romantic Things** Mary Jacobus,2012-09-01 Our thoughts are shaped as much by what things make of us as by what we make of them Lyric poetry is especially concerned with things and their relationship to thought sense and understanding In Romantic Things Mary Jacobus explores the world of objects and phenomena in nature as expressed in Romantic poetry alongside the theme of sentience and sensory deprivation in literature and art Jacobus discusses objects and

attributes that test our perceptions and preoccupy both Romantic poetry and modern philosophy John Clare John Constable Rainer Maria Rilke W G Sebald and Gerhard Richter make appearances around the central figure of William Wordsworth as Jacobus explores trees rocks clouds breath sleep deafness and blindness in their work While she thinks through these things she is assisted by the writings of Maurice Merleau Ponty Jacques Derrida and Jean Luc Nancy Helping us think more deeply about things that are at once visible and invisible seen and unseen felt and unfeeling Romantic Things opens our eyes to what has been previously overlooked in lyric and Romantic poetry      *Ambiguity and Film Criticism* Hoi Lun Law,2021-02-02 This book defends an account of ambiguity which illuminates the aesthetic possibilities of film and the nature of film criticism Ambiguity typically describes the condition of multiple meanings But we can find multiple meanings in what appears unambiguous to us So what makes ambiguity ambiguous This study argues that a sense of uncertainty is vital to the concept Ambiguity is what presses us to inquire into our puzzlement over a movie to persistently ask why is it as it is Notably this account of the concept is also an account of its criticism It recognises that a satisfying assessment of what is ambiguous involves both our reason and doubt that is reason and doubt can work together in our practice of reading This book then considers ambiguity as a form of reasonable doubt one that invites us to reflect on our critical efforts rethinking the operation of film criticism      *Shadows of Foxworth* V.C. Andrews,2020-06-30 Forbidden passions have been the hallmark of the Dollanganger clan since *Flowers in the Attic* debuted more than forty years ago In this third book of a new related trilogy witness the birth of the Dollanganger curse as Corrine Foxworth s children learn that family is but destiny by another crueler name As a young girl in France Marlina Hunter s life was a fairy tale She had a talented artist for a father a doting mother and a brother she couldn t be closer to She loved her family she just didn t know what her family actually was When a car crash kills their parents Marlina and Yvon lose not only France but also their identity Sent to Richmond Virginia they arrive at the home of two aunts they ve never met before who tell them that their true last name is Dawson that their father had fled the family years back and that now the family is calling in the debt Trapped in a mansion with as many secrets as rooms Marlina yearns for escape But in America you can either make friends or make profit and Yvon suddenly seems much more interested in the latter While he is free to leave the house Marlina is left to avoid lecherous tutors and the secretary to wife track expected of a woman Caught between mastering the game to escape it and falling prey to its allure she needs to learn fast for Malcolm Foxworth has cast his eye in her direction And no family name can protect her from the twisted roots of the Dollanganger family tree      *Life Inside the Asylum* Don Savant,2008-05-17 A Collection of Poetry written by some of the internet s best kept secrets      *Women with Disabilities as Agents of Peace, Change and Rights* Karen Soldatic,Dinesha Samararatne,2020-10-29 Drawing on rich empirical work emerging from core conflict regions within the island nation of Sri Lanka this book illustrates the critical role that women with disabilities play in post armed conflict rebuilding and development This pathbreaking book shows the critical role that women with disabilities play in post armed conflict

rebuilding and development Through offering a rare yet important insight into the processes of gendered disability advocacy activation within the post conflict environment it provides a unique counter narrative to the powerful images symbols and discourses that too frequently perpetuate disabled women s so called need for paternalistic forms of care Rather than being the mere recipients of aid and help the narratives of women with disabilities reveal the generative praxis of social solidarity and cohesion progressed via their nascent collective practices of gendered disability advocacy It will be of interest to academics and students working in the fields of disability studies gender studies post conflict studies peace studies and social work
