The every person s guide to social media how to use it and what never to do Are you trying to figure out how to safely use social media but finding yourself struggling Here s a book specifically designed to help regular people figure out social media platforms It begins with a chapter about social media basics how they normally work why people use them and general safety tips It is easy to get confused by the large number of options that are out there so this book breaks down each major network into its own chapter Chapters are included for Facebook Snapchat Pinterest LinkedIn Instagram YouTube Twitter Reddit and Tumblr Because each social media platform has its their own rules benefits and challenges each chapter gives a summary of the platform and tells the reader why people use it Next each chapter has a glossary of terms to explain language and slang that are used This will help people who are new to social media learn about terminology like subreddits retweets and more If readers decide to use the platform or already use it and want to learn more each chapter guides users through a how to of using each platform This includes the basic functionality setting up profiles settings and odd features that even current users

may not know about Privacy and safety are also covered with a platform specific section devoted to these important issues in each chapter Two final chapters cover other notable social media platforms that readers might want to know about and archiving tips for saving social media posts and information This book can help people new to social media people joining new social media and people who are already on but want to learn how to better manage and protect their accounts **You Should Quit Reddit** Jacob Desforges,2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit s r NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple You Should Quit Reddit is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit s flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner **Luigi Mangione Lone Wolf** Matthew Russell Lee,2024-12-31 For Luigi Mangione s arraignment the press line in the 100 Centre Street courthouse began at 8 am on December 23 2024 But members of the public began outside at 4 30 am Inner City Press was there as it had been for the Federal presentment on December 19 Today with more time to organize there had been a Free Luigi poster complete with QR code there were more people I think he should get a fair trial a woman from New Jersey said from behind her mask I m here because of the cost of health insurance said another Over the weekend a woman had been burned to death after being set on in fire on a subway train in Coney Island A migrant from Guatemala had been arrested Inner City Press might catch his arraignment over in Brooklyn Or would that case too be Federalized Surely that defendant would have no supporters Inner City Press had reported on defendants being sentenced to 20 years or more in prison for lesser crimes than murder with no one else in the courtroom gallery This assassination on video had struck a nerve more so after the Crime Stoppers photos were released It was a tale of comparative crimes of dual prosecutions This is the first book of a series Lone Wolf Not so fast Remain seated The Court

Security Officer in the white shift the same one as from the Daniel Penny trial shouts at the journalists and the Luigi Mangione supporters The prosecutors follow Mangione out of the courtroom Kurt Wheelock is trying to get his laptop to fall asleep The orange light remains lit though OK clear out this courtroom is being closed Kurt waits for the elevator with the other journalists The female supporters it seems will ride on other cars In the 100 Centre Street lobby a prisoner is being led in by a policeman his hands cuffed in front of him Stepping through the revolving doors Kurt can see a crowd across the street There is chanting about health care there is a guy standing on a ladder with a Palestinian flag above him Kurt wants to film it He takes out his phone moves his NYC Press Pass to the outside of his jacket The cops in front of the courthouse barely look at him He crosses the street into the press pen in front of the demonstrators Free Luigi they chant And that sign again Luigi Freed Us From what Brian Thompson Kurt does a livestream and shoots a six second video to put up later His hands are freezing It s time to return to SDNY He s going to upload this book this first book and publish it before nightfall Kurt designs the cover does one final spell check Just after noon he uploads it It will take some hours two to four he estimates based on the past He does not want to stay staring at the laptop screen He heads out up to his barber by the United Nations the one he started going to before the UN threw him out It seems obligatory to make small talk with barbers at least this one He asks about Luigi Mangione Oh the CEO killer the barber says What an asshole The barber is also against congestion pricing Is there a correlation With a new short haircut Kurt takes the subway back downtown The book is Under review longer than that usually takes Kurt is getting jump He goes to his City gym in the housing projects checks his phone on the way back to the courthouse Nothing Under review It is nearly eight pm when something happens Kurt gets an email alert one of your books cannot be published He signs up to check his bookshelves There it is Blocked Why this book Kurt emails back he opens up a chat box A person or bot calling themselves Willow tells him his email is being reviewed But nothing Later he asks for a call back and a woman with a Missouri area code says the review is ongoing a ticket has been opened By midnight they tell him Your publishing account has been suspended He cannot reach any of his books More back and forth this time with a sense of desperation A content investigator from India tells him his content has been deemed offensive He will have to swear an affirmation he will never do it again But what is it What is so offensive Kurt must look for alternatives The biggest the Search behemoth has books too At least e books New era Diddy Detained was up now Luigi Mangione Lone Wolf If you have it the answer is yes and there will be more

Gaming Democracy Adrienne L. Massanari, 2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In *Gaming Democracy* Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley's emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming *Gaming Democracy* is a novel contribution to our understanding of online platforms and far right political activism
