The Look of a Woman Eric Plemons, 2017-07-27 Developed in the United States in the 1980s facial feminization surgery FFS is a set of bone and soft tissue reconstructive surgical procedures intended to feminize the faces of trans women While facial surgery was once considered auxiliary to genital surgery many people now find that these procedures confer distinct benefits according to the different models of sex and gender in which they intervene Surgeons advertise that FFS not only improves a trans woman's appearance it allows her to be recognized as a woman by those who see her In *The Look of a Woman* Eric Plemons foregrounds the narratives of FFS patients and their surgeons as they move from consultation and the operating room to postsurgery recovery He shows how the increasing popularity of FFS represents a shift away from genital based conceptions of trans selfhood in ways that mirror the evolving views of what is considered to be good trans medicine Outlining how conflicting models of trans therapeutics play out in practice Plemons demonstrates how FFS is changing the project of surgical sex reassignment by reconfiguring the kind of sex that surgery aims to change , *Life in Tune with Bhairavi* Paroo Das, 2014-02-21 A rebel in her own quiet way Tracy Austin was never one to sit silently by and let others dictate her life A passive yet strong willed young woman she did not let her upbringing in a traditional Brahmin household keep her from challenging customs and traditions In many ways she was a victim of circumstances but she found the strength to hold her ground when events overtook her As a child she played in the foothills of the Himalayas where she blissfully chased butterflies and rainbows Her two best friends Chotu and Chandini were two tame elephants and her favorite partners in spirited games of hide and seek Her relationships were complicated Tracy wasn't sure if she even understood what love meant when much of what she had experienced was so painful When she is reunited with Mark a young man who further confuses her definitions and expectations she dares to dream of a new beginning But on what should have been one of the happiest days of her life her world is ripped apart As she is giving birth an offhand comment made by a doctor reveals something she never knew about her own parentage Tracy is devastated Can she find the courage and strength to move forward with her dignity and hope intact *The Dawn, a Church and home journal* , 1885 *Claire DeWitt and the Bohemian Highway* Sara Gran, 2013 The second installment in the acclaimed Claire DeWitt mystery series from an author who reminds me why I fell in love with the genre Laura Lippman **The American Chatterbox** , 1882 *American Illustrated Magazine* , 1886 Children's Book Review Index , 1985 **Witch and Wombat** Carolyn Cushman, 2009-09-26 A magic realm is set on a collision course with wackiness when a witch and her wombat sidekick guide an assortment of tourists from the mortal world through an enchanted forest they think is merely a high tech amusement park **Revengeful Fangs** F.
