When Life is Hard James MacDonald, 2010-01-01 When life is hard really hard we often spend all our time pleading begging yelling refusing and questioning While none of these things are necessarily unusual they are missing the ultimate point When life is hard when things get ugly when all hope seems to be lost that is when we are able to display the superiority of the life lived in God It is in those moments of despair when we question what is happening when we don't know what to do when some trials never seem to end that we can lean most heavily on God's promises and truths Working his way through five questions we've all had run through our heads trusted pastor James MacDonald helps us understand what we should do now We begin the journey by looking at different types of trials figuring out exactly what we're dealing with and recognizing that God certainly knows Second the obvious question Why God sees us going through trials and we long for two things for them to be over and to know why they happened in the first place Next we need to know what to do with these trials when they come and they will most certainly come Fourth we have all wondered it can trials be refused Are God's purposes really being fulfilled in the midst of this trying time And lastly God reveals Himself to us through these trials and sometimes they just don't ever end Why doesn't this trial go away God told us to expect trials don't be surprised when they come Grow when they come Find hope when they come
