Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike      **The Modern Murasaki** Rebecca L. Copeland, Melek Ortabasi, 2006 The first anthology of its kind The Modern Murasaki brings the vibrancy and rich imagination of women's writing from the Meiji period to English language readers Along with traditional prose the editors have chosen and carefully translated short stories plays poetry speeches essays and personal journal entries Selected readings include writings by the public speaker Kishida Toshiko the dramatist Hasegawa Shigure the short fiction writer Shimizu Shikin the political writer Tamura Toshiko and the novelists Miyake Kaho Higuchi Ichiyo Tazawa Inabune Kitada Usurai Nogami Yaeko and Mizuno Senko The volume also includes a thorough introduction to each reading an extensive index listing historical social and literary concepts and a comprehensive guide to further research The fierce tenor and bold content of these texts refute the popular belief that women of this era were passive and silent A vital addition to courses in women's studies and Japanese literature and history The Modern Murasaki is a singular resource for students and scholars      **Embracing Vulnerability** Christa Anbeek, 2024-11-12 I have long argued that we should not avoid life's all encompassing fragility but rather embrace it Fragility uncertainty unpredictability dependence and porousness however difficult they often can be are sources of deep insights Disruptive experiences bring us into borderlands They make our vulnerability manifest but also reveal new perspectives and creativity Disruptive experiences knock the ground out from under your feet Who are you when nothing is as it was before Who can you become and who can help you get there In the era of climate change refugee crises

growing inequality and war an era in which prior certainties cease to be and new certainties are yet to be discovered Christa Anbeek lays out the contours of communities with a heart Precisely from our vulnerability we can seek and discover new connections     *Grief and Bereavement in Contemporary Society* Robert A. Neimeyer, Darcy L. Harris, Howard R. Winokuer, Gordon Thornton, 2021-09-08 Grief and Bereavement in Contemporary Society is the authoritative guide to the study of and work with major themes in bereavement The classic edition includes a new preface from the lead editors discussing advances in the field since the book's initial publication The book's chapters synthesize the best of research based conceptualization and clinical wisdom across 30 of the most important topics in the field The volume's contributors come from around the world and their work reflects a level of cultural awareness of the diversity and universality of bereavement and its challenges that has rarely been approximated by other volumes This is a readable engaging and comprehensive book that shares the most important scientific and applied work on the contemporary scene with a broad international audience It is an essential addition to anyone with a serious interest in death dying and bereavement     Music Of The Sky: An Anthology Of Spirit Patrick Laude, 2010-08-01 A collection of spiritual poetry from antiquity to the present reflecting many styles and expressions of our experience of the sacred through the medium of poetry Organized into three universal dimensions of spiritual life the awareness of suffering and death the experience of the depth of compassion and love and the knowledge of the unity of the transcendent and immanent Real Music of the Sky collects short poems from Buddhist Christian Hindu Islamic and Native American traditions Meant neither as an historical survey of spiritual poetry nor as a definitive collection of essential poems the reader may open this book at any page at any time in virtually any situation traveling or at rest The truth and beauty of these poems are certain to provide a source of inspiration for countless generations     **Tree Wisdom** Alice Peck, 2023-09-12 Discover how all trees can mirror us teach us and heal us As author Alice Peck reflected on the maple tree in her backyard she began to notice and then study its intricacies and changes This became her regular meditation and inspiration In Tree Wisdom Alice shares what she has learnt from that maple tree and from the trees all around us Every tree tells a complete and ongoing story from its powerful taproots to the birds that alight on its fragile high branches Like us trees feel and react to their environment and communicate with us in subtle but distinct ways They evolve along a much more protracted timetable than humans Alice explores trees from four perspectives their roots wisdom and understanding their branches symbols and rituals their leaves healing and science and their seeds transformation and spirituality All of these elements show us how although they live outside us trees offer a path to our inner selves Filled with insights from botany to poetry ecology to mythology and herbalism to sacraments Tree Wisdom explores the ways these grounded yet soaring entities can steady and move us teach and transform us inspire and comfort us     **Japantown** Barry Lancet, 2014-07-22 An American antiques dealer turned reluctant private investigator draws on his knowledge of Japanese culture to assist the San Francisco police department with the senseless murder of an entire family     Black Robe, White Mist Rengetsu, Melanie

Eastburn, Lucie Folan, Robyn J. Maxwell, 2007 Rengetsu 1791-1875 whose name translates as Lotus Moon was a Japanese Buddhist nun whose tragic life inspired extraordinary creativity. One of a very few successful female artists in nineteenth century Japan, Rengetsu was primarily a poet and calligrapher but also excelled in pottery and scroll painting. Her idiosyncratic personal aesthetic attracted an enormous following in her own lifetime and was imitated by many of her admirers. *Black Robe White Mist* presents contemplative works on paper and clay inscribed with Rengetsu's elegant poetry and understated calligraphy reflecting the beauty of the imperfect and unconventional. A number of distinguished contributors share their knowledge of and enthusiasm for Rengetsu's poetry and art. Melanie Eastburn is assistant curator of Asian art at the National Gallery of Australia. Other contributors include Chiaki Ajioka, Lucie Folan, Patricia J. Graham, Robyn Maxwell, Meher McArthur, Sandra Sheckter, John Stevens, and Saymi Takahashi.

*The Art of Budo* John Stevens, 2022-12-06

Explore this stunning collection of spiritual calligraphy by Japan's greatest martial arts masters with commentary from Zen art authority and aikido master John Stevens. Beginning with the legendary samurai Miyamoto Musashi, nearly all of the great martial arts masters left a legacy of calligraphy and painting. Their artwork, Zenga and Zensho, Zen pictures, and Zen calligraphy was not only an extension of their Zen practice but also reflected their deep spiritual commitment to the budo ethos: the perfection of self through martial arts training. This book presents a concise history of this tradition with works from such samurai as Musashi, Takuan, Yagyu, Motusgai, Rengetsu, Teshu, Deishu, Kano, Morihei, and others. Aikido master John Stevens is an expert on Zen and budo art and he provides a fascinating introduction to the tradition and biographical details on each of the warrior artists and brief illuminating commentary on each piece.

**Clay** Jennifer Lucy Allen, 2025-03-04

A human history told through clay and how it has shaped us from ancient times to the present day. This book is a love letter to clay, the material that is at the beginning, middle, and end of all of our lives that contains within it the eternal, the elemental, and the everyday. People have been taking handfuls of earth and forming them into their own image since human history began. Human forms are found everywhere; there was a ceramic tradition and there is a ceramic tradition everywhere there was human activity. The clay these figures are made from was formed in deep geological time. It is the material that God cast as the potter uses to form Adam in Genesis. Tomb paintings in Egypt show the god Khum at a potter's wheel throwing a human. Humans first recorded our own history on clay tablets; the shape of the characters influenced by the clay itself. The first love poem was inscribed in a clay tablet from a Sumerian bride to her king more than 4000 years ago. Born out of a desire to know and understand the mysteries of this material, the spiritual and practical applications of clay in both its micro and macro histories. *Clay: A Human History* is a book of wonder and insight, a hybrid of archaeology, history, and lived experience as an amateur potter.
