## **Louisa M Alcott And The American Family Story:**

**Louisa M. Alcott and the American Family Story** Cornelia Meigs, 1971-01-01 A biography of the author whose *Little Women* and other popular books were based on the experiences of her family Writers of the American Renaissance Denise Knight, 2003-12-30 The American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer's critical reception and primary and secondary bibliographies LITTLE WOMEN and THE FEMINIST IMAGINATION Janice M. Alberghene, Beverly Lyon Clark, 2014-04-08 Raising key questions about race class sexuality age material culture intellectual history pedagogy and gender this book explores the myriad relationships between feminist thinking and *Little Women* a novel that has touched many women's lives A critical introduction traces 130 years of popular and critical response and the collection presents 11 new essays two new bibliographies and reprints of six classic essays The contributors examine the history of illustrating *Little Women* Alcott's use of domestic architecture as codes of female self expression the tradition of utopian writing by women relationship to works by British and African American writers recent thinking about feminist pedagogy the significance of the novel for women writers and its implications from the vantage points of middle aged scholar parent and resisting male reader *The Inheritance* Louisa May Alcott, 1998-02-01 Her recently discovered first novel *The Inheritance* written when Alcott was just 17 offers readers a fascinating look at the birth of a remarkable career *The Inheritance* set in an English country manor is the story of Edith Adelon an Italian orphan brought to England by Lord Hamilton as a companion for his children With a charm reminiscent of Jane Austen's novels Alcott's plot sets love and courtesy against depravity and dishonor and with the help of a secret inheritance allows virtue to prevail In their Introduction Joel Myerson and Daniel Shealy relate their fortuitous discovery of Alcott's manuscript draft of *The Inheritance* preserved at the Houghton Library of Harvard They explore the forces both literary and personal that shaped the novel and study how it foreshadowed Alcott's later work For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished

scholars and contemporary authors as well as up to date translations by award winning translators **The Louisa May Alcott Encyclopedia** Gregory Eiselein, Anne K. Phillips, 2001-02-28 Louisa May Alcott 1832 1888 is arguably the most widely read 19th century author in America Even through the 1990s her books continued to appear on bestseller lists and her works were made into films She has long been a staple of children s literature courses and now also receives significant attention in American studies and women s studies classes While her tremendous popularity has yielded numerous biographies and a growing number of critical works very few reference books have been devoted to Alcott studies and none are particularly current or complete This book collects in a comprehensive and reliable single volume the most important facts about Alcott s life and works This reference surveys the basic biographical details about Alcott s family and personal life It supplies essential information on her historical and cultural contexts including her place in the 19th century publishing milieu various reform movements and major historical events such as the Civil War It also treats her writings both the adult and children s works in an accurate informative and accessible manner The volume includes more than 600 alphabetically arranged entries Each entry discusses the topic s relevance to Alcott s life and current scholarship about her Many of the entries close with brief bibliographies and the book concludes with a list of works for further reading **Quakers and the American Family**

**: British Settlement in the Delaware Valley** Amherst Barry Levy Assistant Professor of History University of Massachusetts, 1988-06-30 Americans have an unusually strong family ideology We believe that morally self sufficient nuclear households must serve as the foundation of a republican society In this brilliant history Barry Levy traces this contemporary view of family life all the way back to the Quakers \_\_\_\_ Levy argues that the Quakers brought a new vision of family and social life to America one that contrasted sharply with the harsh formal world of the Puritans in New England The Quaker emphasis was on affection friendship and hospitality They stressed the importance of women in the home and of self disciplined non coercive childrearing \_\_\_\_ This book explains how and why the Quakers had such a profound cultural impact and why more so in Pennsylvania and America than in England and what the Quakers experience with their own radical family system can tell us about American family ideology \_\_\_\_ Who were the Northwest British Quakers and why did their family system so impress English French and New England reformers Voltaire Crèvecoeur Brissot Emerson George Bancroft Lydia Maria Child and Lousia May Alcott to name just a few To answer this question Levy tells the story of a large group of Quaker farmers from their development of a new family and communal life in England in the 1650s to their emigration and experience in Pennsylvania between 1681 and 1790 The book is thus simultaneously a trans Atlantic community study of the migration and transplantation of ordinary British peoples in the tradition of Sumner Chilton Powell s Puritan Village the story of the formation and development of a major Anglo American faith and an exploration of the origins of American family ideology A Social History of the American Family from Colonial Times to the Present Arthur Wallace Calhoun, 1918

**Elva S. Smith's The History of Children's Literature** Elva Sophronia Smith, Margaret Hodges, Susan Steinfirst, 1980

The New Practical Reference Library Charles Herbert Sylvester, 1914

**Adopting America** Carol J. Singley, 2012-01-01

American literature abounds with orphans who experience adoption or placements that resemble adoption. These stories do more than recount adventures of children living away from home. They tell an American story of family and national identity. In narratives from the seventeenth to the early twentieth century, adoption functions as narrative event and trope that describes the American migratory experience, the impact of Calvinist faith, and the growth of democratic individualism. The roots of literary adoption appear in the discourse of Puritan settlers who ambivalently took leave of their birth parent country and portrayed themselves as abandoned children. Believing they were chosen children of God, they also prayed for spiritual adoption and emulated God's grace by extending adoption to others. Nineteenth-century adoption literature develops from this notion of adoption as salvation and from simultaneous attachments to the Old World and the New. In domestic fiction of the mid-nineteenth century, adoption also reflects a focus on nurture in childrearing, increased mobility in the nation, and middle-class concerns over immigration and urbanization assuaged when the orphan finds a proper loving home. Adoption signals fresh starts and the opportunity for success without genealogical constraints, especially for white males, but inflected by gender and racial biases, it often entails dependency for girls and children of color. A complex signifier of difference, adoption gives voice to sometimes contradictory calls to origins and fresh beginning to feelings of worthiness and unworthiness. In writings from Cotton Mather to Edith Wharton, it both replicates and offers an alternative to the genealogical norm, evoking ambivalence as it shapes national mythologies.

*Children's Books and Their Creators* Anita Silvey, 1995

Unique in its coverage of contemporary American children's literature, this timely single-volume reference covers the books our children are or should be reading now, from board books to young adult novels. Enriched with dozens of color illustrations and the voices of authors and illustrators themselves, it is a cornucopia of delight. 23 color, 153 b/w illustrations.

*What Katy Read* Shirley Foster, Judy Simons, 1995

Through close readings of these eight North American and British novels, which have had a powerful impact on the development of literature for girls, Foster and Simons consider genres from the domestic myth to the school story, analyze the transgressive figure of the tomboy, and discuss ways in which superficially conventional texts implicitly undermine patterns of patriarchy.

**Little Women** Louisa May Alcott, 1998-04-02

*Little Women* has remained enduringly popular since its publication in 1868, becoming the inspiration for a whole genre of family stories. Set in a small New England community, it tells of the March family. Marmee looks after daughters in the absence of her husband, who is serving as an army chaplain in the Civil War. Meg, Jo, Beth, and Amy experience domestic trials and triumphs as they attempt to supplement the family's small income. In the second part of the novel, sometimes known as *Good Wives*, the girls grow up and fall in love. The novel is highly autobiographical, and in Jo's character, Alcott portrays a strong-minded and independent woman determined to control her own destiny. The introduction to this edition provides a fascinating history of the Alcotts and of Louisa Alcott's own struggles as a writer.

ABOUT THE SERIES For over 100 years Oxford World's Classics

has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
