Louisiana in Perspective 2009 CQ Press, 2009-03-19 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Perspectives on the Restoration of the Mississippi Delta** John W. Day, G. Paul Kemp, Angelina M. Freeman, David P. Muth, 2014-05-16 Human impacts and emerging mega trends such as climate change and energy scarcity will impact natural resource management in this century This is especially true for deltas because of their ecological and economic importance and their sensitivity to climate change The Mississippi delta is one of the largest in the world and has been strongly impacted by human activities Currently there is an ambitious plan for restoration of the delta This book by a renown group of delta experts provides an overview of the challenges facing the delta and charts a way forward to sustainable management *Hurricane Katrina in Transatlantic Perspective* Romain Huret, Randy J. Sparks, 2014-12-15 There is no such thing as a natural disaster writes Romain Huret in his introduction to this multidisciplinary study of the events surrounding and the legacy of Hurricane Katrina Though nature produced Katrina s rising waters and destructive winds a vast array of manmade factors shaped the scope of the storm s impact as well as the local and national response to it In *Hurricane Katrina in Transatlantic Perspective* American and European scholars approach this infamous storm and its aftermath through a variety of disciplines from music to geography to anthropology creating a nuanced understanding of how society reacts to and later remembers times of disaster Richard Campanella and Romain Huret examine the particular geographical and political mix that set the stage for Katrina s devastation especially among the poorest populations of New Orleans and the Gulf South Jean Kempf James Boyden Andrew Diamond and Thomas Jessen Adams address the ideological biases and racial stereotypes that infused local and national commentary in the days and weeks after the storm Finally Bruce Raeburn Sara Le Menestrel Anne M Lovell and Randy J Sparks explore the impact of this powerful tropical event on the city s institutions and cultural organizations *Hurricane Katrina in Transatlantic Perspective* offers a profound and innovative collection of insights on one of the most significant environmental catastrophes in U S history forcing us to examine the cultural actors that transformed a natural disaster into a humanitarian crisis *Environmental Health Perspectives* , 2004-07

Historical Perspectives on Democracies and their Adversaries Joost Augusteijn, Constant Hijzen, Mark Leon de Vries, 2019-08-07 This book historicizes the debate over how democratic regimes deal with anti democratic groupings in society Democracies across the world increasingly find themselves under threat from enemies ranging from terrorists to parties and movements that undermine democratic institutions from within This compilation of essays provides the first historical exploration of how democracies have dealt with such anti democratic forces in their midst and how this impacted upon what democracy meant to all involved From its inception in the nineteenth century modern democratic politics has included fundamental debates over whether it is undemocratic and dangerous to ban parties with anti democratic objectives and whether democracies should defend themselves if necessary with violence against perceived anti democratic forces This

volume shows that implicit conceptions of democracy and democratic repertoires become explicit fluid and contested throughout these confrontations not only within democratic parties but also among their adversaries Both sides have at times used force or limited the expression of ideas thus blurring the lines between who is democratic and who is not

Perspectives on the History of Higher Education Roger L. Geiger, 2017-07-05 The early twentieth century witnessed the rise of middle class mass periodicals that while offering readers congenial material also conveyed new depictions of manliness liberal education and the image of business leaders Should Your Boy Go to College asked one magazine story and for over two decades these middle class magazines answered in numerous permutations with a collective yes In the course of interpreting these themes they reshaped the vision of a college education and created the ideal of a college educated businessman Volume 24 of the *Perspectives on the History of Higher Education* 2005 provides historical studies touching on contemporary concerns gender high ability students academic freedom and in the case of the Barnes Foundation the authority of donor intent Daniel Clark discusses the nuanced changes that occurred to the image of college at the turn of the century Michael David Cohen offers an important corrective to stereotypes about gender relations in nineteenth century coeducational colleges Jane Robbins traces how the young National Research Council embraced the cause of how to identify

and encourage superior students as a vehicle for incorporating wartime advances in psychological testing Susan R Richardson considers the long Texas tradition of political interference in university affairs Finally Edward Epstein and Marybeth Gasman shed historical light on the recent controversy surrounding the Barnes Foundation The volume also contains brief descriptions of twenty recent doctoral dissertations in the history of higher education This serial publication will be of interest to historians sociologists and of course educational policymakers Global Perspectives on Issues and Solutions in Urban Education Petra A. Robinson,Ayana Allen-Handy,Amber Bryant,Chance W. Lewis,2019-03-01 In 2014 The Urban Education Collaborative at the University of North Carolina at Charlotte hosted its first biennial International Conference on Urban Education ICUE in Montego Bay Jamaica In 2016 the second hosting of the conference took place in San Juan Puerto Rico Additionally in 2018 the third hosting of the conference took place in Nassau Bahamas These solution focused conferences brought together students teachers scholars public sector and business professionals as well as others from around the world to present their research and best practices on various topics pertaining to urban education With ICUE s inspiration this book is a response to the growing need to highlight the multifaceted aspects of urban education particularly focusing on common issues and solutions in urban environments e g family and community engagement student academic achievement teacher preparation and professional development targeted instructional and disciplinary interventions opportunity gaps culturally relevant and sustaining practices etc Additionally with this book we seek to better understand the challenges facing urban educators and students and to offer progressive initiatives toward resolutions This unique compilation of work is organized under four major themes all targeted at critically addressing concerns that may inhibit the success of urban learners and providing solutions that have implications for curriculum design development and delivery teacher preparation and teaching diverse populations career readiness and employment and even more nuanced issues related to foster care undocumented students and mental health sustainable consumption childhood marriage food deserts and marine life and urban communities **Cavernous Sinus** Vinko V. Dolenc,Larry Rogers,2009-07-31 20 years ago Professor Dolenc edited the first comprehensive and up to date text dealing with the cavernous sinus and addressing anyone concerned with the diagnosis and treatment of lesions of the skull base Now he has edited a new volume with articles by specialists in this topic presenting the state of the art in this technology **State and Metropolitan Area Data Book** ,2006 Contains data similar to that found in the County and City Databook but on the state and MSA Metropolitan Statistical Areas levels **Beyond Collapse** Ronald K. Faulseit,2015-12-07 The Maya The Romans The great dynasties of ancient China It is generally believed that these once mighty empires eventually crumbled and disappeared A recent trend in archaeology however focusing on what happened during and after the decline of once powerful societies has found social resilience and transformation instead of collapse In Beyond Collapse Archaeological Perspectives on Resilience Revitalization and Transformation in Complex Societies editor Ronald K Faulseit gathers scholars with diverse theoretical perspectives to

present innovative approaches to understanding the decline and reorganization of complex societies Essays in the book are arranged into five sections The first section addresses previous research on the subject of collapse and reorganization as well as recent and historic theoretical trends In the second section contributors look at collapse and resilience through the concepts of collective action eventful archaeology and resilience theory The third section introduces critical analyses of the effectiveness of resilience theory as a heuristic tool for modeling the phenomena of collapse and resilience In the fourth section contributors examine long term adaptive strategies employed by prehistoric societies to cope with stresses Essays in the fifth section make connections to contemporary research on post decline societies in a variety of time periods and geographic locations Contributors consider collapse and reorganization not as unrelated phenomena but as integral components in the evolution of complex societies Using archaeological data to interpret how ancient civilizations responded to various stresses including environmental change warfare and the fragmentation of political institutions contributors discuss not only what leads societies to collapse but also why some societies are resilient and others are not as well as how societies reorganize after collapse The implications of the fate of these societies for modern nations cannot be underestimated Putting in context issues we face today such as climate change lack of social diversity and the failure of modern states Beyond Collapse is an essential volume for readers interested in human environment interaction and in the collapse and subsequent reorganization of human societies
