Forbes, 2014-08-21 Writing has always been my way of relaxing and dealing with stress Raised by Myrtle Brown my grandmother in Perrine Florida my brother and I learned survival on a whole new scale Having no family in Florida my Jamaican grandmother worked hard as a housekeeper to give us a good life While she was out working my brother and I were home alone It was not just a struggle to survive but to gain an education in a place that had no love for outsiders We pushed to overcome every obstacle to earn the success we have today Even though my grandmother has been gone for eight years I can only pray that she would be proud of all I have accomplished I graduated from Miami Palmetto Senior High School and went on to fight for my country aboard the USS Enterprise during the war on terrorism when America was attacked I have always seen life as a challenge to be answered Even though there are things I would do differently I am thankful that I now stand complete as a man This book is just one of many accomplishments I look forward to happening I am also looking to God to bring me into the state of life that He wants me reach **Love After Love** Alex Hourston, 2018-02-27 Nancy Jansen is the beating heart of her family She is the centre around whom many lives turn Mother Therapist Daughter Sister Wife But Nancy has a new role Lover Everybody can be happy Nancy believes so long as they can be kept apart But when these lives start to overlap collision becomes inevitable with consequences for all **The Universal Christ** Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply

Jesus's last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world God loves things by becoming them he writes and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice When we recover this fundamental truth faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet Thought provoking practical and full of deep hope and vision The Universal Christ is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is
