Potts,2016-09-13 She crept back down the stairs and turned to her left and saw a stone path which she began to follow that led to the back of the house There she saw a large enclosed back porch that had many tall windows and a door She thought to herself that Mama would love to sit out there in the afternoons and Rick could even sleep in his playpen in the enclosed area and how she would just love to play in this big backyard She turned her eyes to the wide long lawn that comprised the back of the property and she spied two very large maple trees in the very back of the yard the leaves of which were just beginning to turn red and mused that her father could put swings up on each of the trees Just as she was delighting herself with all the wonderful possibilities of living there she heard mans voice behind her softly ask Are you looking for someone little girl She whirled around suddenly afraid of both being on someones property without her mothers permission and meeting up with a stranger She began to stammer a reply but couldnt form her words very well I I I was I mean I was just looking **The Letters: Portrait of an Artist, Jim Houser** Connie Houser,2007-10-05 The Letters Portrait of an Artist Jim Houser is a book about Connie and Jim Houser s passion for art and each other as well as for living and family It is a dialogue about their adventures in pursuing those loves and achieving recognition for their accomplishments In 2008 the book garnered FIRST PLACE in the DIY California Book Fest and HONORABLE MENTIONS in A DOZEN BOOK FESTS including the New England Book Fest and the

LONDON ENGLAND book fest It is a readable visual delight There is a profound degree of suchness or Zen quality in Jim Houser s paintings as well as a lyricism not unlike the clear concise resonance of Robert Frost s shorter verse Those essentials are shown in the almost forty paintings photographed for The Letters Portrait of an Artist Jim Houser The imagined and inventive device and use of letters or messages in The Letters Portrait of an Artist Jim Houser swiftly conveys the actual events in Jim and Connie Houser s lives The creative partners are portrayed in a rapidly moving dialogue that involves the reader in artist s competitions art gallery shows foreign and domestic travel family life and an understanding of the profession of producing a fine work of art in modern times The Letters Portrait of an Artist Jim Houser explains that a fine work of art is very different from the remainder of artistic endeavor Fine art engages the viewer in a visual dialogue that distinguishes it and bonds the viewer in love or hate but never mediocrity Not a run of the mill coffee table book The Letters Portrait of an Artist Jim Houser is a charming and accurate account of the modern day artist s life while creating works of art and bringing them to the public s attention The story encompasses the tragedies and the successes in the Houser s lives and their interaction with others Written by the artist s wife Connie Houser herself an awarded artist and writer it spans the artists relationship thus far and offers insights into their creative work The Letters Portrait of an Artist Jim Houser follows the artists creative work accomplished during their hectic everyday existence The same full lives of having a family a home and a job to pay bills necessary today to most people Although the letters themselves are an imaginative artistic device to enliven the book the events are true Not satisfied to just get by they made career choices that would eventually make them both candidates for inclusion in the prestigious Marquis Who s Who editions of art literature America and the World Jim has been represented in those volumes for fifteen years and Connie joined the ranks in 2004 Photographs of his paintings will also appeared in the 2008 2009 Who s Who in American Art Artist s gallery Their ability to continue to work under conditions that might discourage others is made clear in The Letters Portrait of an Artist Jim Houser Jim s profession is painting and Connie s is writing and painting The rest of their work although they contributed much enjoyed it and performed with excellence was done to pay the bills Jim was a 30 year college professor and full time family man Connie organized family matters taught part time while writing for various publications and magazines plus painting The carousing hours were the working hours for their creative efforts because silence reigned Their many travel adventures in the states and abroad guaranteed they played hard with the same energy and enthusiasms When Jim began winning countless awards for his painting he was invited to show at numerous exhibitions and in New York City galleries They added these events plus art show openings to their already hectic schedule Through it all they managed a fulfilling family life while taking creative care of their parents and allowing them their desired home life

Leonard Bernstein and His Young People's Concerts
Alicia Kopfstein-Penk, 2015-01-22 Leonard Bernstein touched millions of lives as composer conductor teacher and activist He frequently visited homes around the world through the medium of television particularly through his fifty three award

winning Young People's Concerts 1958-1972 which at their height were seen by nearly ten million in over forty countries. Originally designed for young viewers but equally attractive to eager adults, Bernstein's brilliance as a teacher shined brightly in his televised presentations. And yet despite the light touch of the maestro, the innocence of his audience and the joyousness of each show's topic, the turbulence of the times would peek through. In this first in-depth look at the series, Alicia Kopfstien Penk's *Leonard Bernstein and His Young People's Concerts* illustrates how the cultural, social, political, and musical upheavals of the long sixties impacted Bernstein's life and his Young People's Concerts. Responding to trends in corporate sponsorship, censorship, and arts programming from the Golden Age of Television into the 1970s, the Young People's Concerts would show the impact of and reflect the social and cultural politics of the Cold War, Vietnam, the Civil Rights and Women's Movements, and the Counterculture. Bernstein cheerfully bridged classical and popular tastes, juxtaposing the Beatles with Mozart, even as he offered personal televised pleas for peace and unity. At the same time, the concerts reflect Bernstein's troubled relationship as a professional musician with the dominance of atonality and his quest to nurture American music. Anyone who enjoys the oeuvre of Leonard Bernstein has watched his Young People's Concerts or is passionate about the history of the long sixties will find in *Leonard Bernstein and His Young People's Concerts* a story of all three captured in this monumental study. *Christian Writers' Market Guide 2008* Sally Stuart, 2009-02-25. emotional battles following the breakup of the Beatles as he comes to terms with his legacy Born in 1940 as Richard Starkey in the Dingle one of Liverpool s most gritty rough and tumble neighborhoods he rose from a hardscrabble childhood marked by serious illnesses long hospital stays and little schooling to emerge against all odds as a locally renowned drummer Taking the stage name Ringo Starr his big break with the Beatles rocketed him to the pinnacle of worldwide acclaim in a remarkably short time He was the last member of the Beatles to join the group but also the most vulnerable and his post Beatles career was marked by chart topping successes a jet setting life of excess and alcohol abuse and ultimately his rebirth as one of rock s revered elder statesman
