globe and listing architectural gems in danger of being destroyed But when Burnell is in Budapest ten years of his memory including his sexual experiences are stolen In this near future where thieves sell memories on the black market Burnell tries to resume his life while also searching for the bullet that will restore his memory Intelligent funny and hopeful in spite of itself Kirkus Reviews      *Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare* Ramsis Ghaly MD FACS,2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to my patients and to my residents As a physician I have reached the top within America both as a professor of neurological surgery and anesthesiology and as a well published author of several famous medical journals As an academic teacher I trained for more than thirty four years and have watched thousands of trainees graduate But all this is nothing as I strive to achieve Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual miracles testimonials and sincere quotes from patients as a testament to the Almighty and the dire need for faith and good hearted medicine This book is full of many vibrant stories that I love to share which is timely since I am guessing that my generation will soon be viewed obsolete by future generations What will remain are the books I authored This book is a text of wealth covering broad and diverse topics in my life journey within 134 chapters and organized over fourteen sections So many chapters are written about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views

about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about     **A Good Family** Erik Fasnacht,2015-08-25 Named a Best Book of 2015 by Chicago Book Review Meet the Brunsons of Downers Grove Illinois Henry is the once magical father whose fear of aging and endangered career lead him to the nightclubs of Chicago s Viagra Triangle His wife Julie struggles to reclaim her life with a bottle of Zoloft and dreams of her youthful independence Charlie the golden boy son leaves the lucrative job his father arranged to serve in Afghanistan and returns angry damaged and uncertain of his place in the world And Barkley the bumbling youngest is an aspiring writer of geeky science fiction stories now interviewing for his first job at a forbidding Catholic high school When Henry s health abruptly declines he tries to return to the home and the life he had dominated But his family once totally dependent on his love physical strength and income no longer needs him As Julie Charlie and Barkley begin to find their ways forward Henry tries desperately to bring them back together In the end each one will arrive at a new understanding of what family can and cannot be Unusually assured and perceptive combining narrative drive with humor insight and powerful family dynamics A Good Family is a memorable debut by former high school teacher Erik Fasnacht     [Killer Consulting Resumes](#) WetFeet.com (Firm),2008     **Sam's Song** Hannah Howe,2014-11-05 Love Hurts For Derwena de Caro songstress female icon teenage dream success brought drugs alcohol and a philandering boyfriend It also brought wealth fame and a stalker or so she claimed And that s where I came in to investigate the identity of the stalker little realising that the trail would lead to murder and a scandal that would make the newspaper headlines for months on end Love Hurts For me Samantha Smith Enquiry Agent love arrived at the end of a fist First I had to contend with an alcoholic mother who took her frustrations out on me throughout my childhood then my husband Dan who regarded domestic violence as an integral part of marriage But I survived I obtained a divorce kept my sense of humour and retained an air of optimism I established my business and gained the respect of my peers However I was not prepared for Dan when he re entered my life or for the affection showered on me by Dr Alan Storey a compassionate and rather handsome psychologist Sam s Song This is the story of a week that changed my life forever
