**Alan Clarke** Dave Rolinson, 2013-07-19 The British television director Alan Clarke is primarily associated with the visceral social realism of such works as his banned borstal play *Scum* and his study of football hooliganism *The Firm* This book uncovers the full range of his work from the mythic fantasy of *Penda's Fen* to the radical short film on terrorism *Elephant* Dave Rolinson uses original research to examine the development of Clarke's career from the theatre and the studio system of provocative television play strands of the 1960s and 1970s to the increasingly personal work of the 1980s which established him as one of Britain's greatest directors Alan Clarke examines techniques of television direction and proposes new methodologies as it questions the critical neglect of directors in what is traditionally seen as a writer's medium It raises crucial issues in television studies including aesthetics authorship censorship the convergence of film and television drama documentary form narrative and realism

**Solzhenitsyn** Lee Congdon, 2021-08-15 In this examination of Solzhenitsyn and his work Lee Congdon explores the consequences of the atheistic socialism that drove the Russian revolutionary movement Beginning with a description of the post revolutionary Russia into which Solzhenitsyn was born Congdon addresses the Bolshevik victory in the civil war the origins of the concentration camp system the Bolsheviks war on Christianity and the Russian Orthodox Church Solzhenitsyn's arrest near the war's end his time in the labor camps his struggle with cancer his exile and increasing alienation from the Western way of life and his return home He concludes with a reminder of Solzhenitsyn's warning to the West that it was on a path parallel to that which Russia had followed into the abyss

**Tamizdat** Yasha Yakov Klots, 2023-05-15 Tamizdat offers a new perspective on the history of the Cold War by exploring the story of the contraband manuscripts sent from the USSR to the West A word that means publishing over there tamizdat manuscripts were rejected censored or never submitted for publication in the Soviet Union and were smuggled through various channels and printed outside the country with or without their authors knowledge Yasha Klots demonstrates how tamizdat contributed to the formation of the twentieth century Russian literary canon the majority of contemporary Russian classics first appeared abroad long before they saw publication in Russia Examining narratives of Stalinism and the Gulag Klots focuses on contraband manuscripts in the 1960s and 70s from Khrushchev's Thaw to Stagnation under Brezhnev Klots revisits the traditional notion of late Soviet culture as a binary opposition between the underground and official state publishing He shows that even as tamizdat represented an alternative field of cultural production in opposition to the Soviet regime and the dogma of Socialist Realism it was not devoid of its own hierarchy ideological agenda and even censorship Tamizdat is a cultural history of Russian literature outside the Iron Curtain The Russian literary diaspora was the indispensable ecosystem for these works Yet in the post Stalin years they also served as a powerful weapon on the cultural fronts of the Cold War laying bare the geographical stylistic and ideological rifts between two disparate yet inextricably intertwined fields of Russian literature one at home the other abroad Open Access edition funded by the National Endowment

for the Humanities      **Sex in Tourism** Neil Carr, Liza Berdychevsky, 2021-11-04 This book encompasses the diversity and complexity of sex in tourism incorporating the light dark and shades of grey in between It brings together work and ideas from a diverse array of researchers from around the world and examines the affects and effects of diverse sexual encounters in tourism romance tourism sex tourism and sexual exploitation in tourism including the sexual exploitation of children in travel and tourism and sexual harassment Sex in tourism has arguably been an understudied area of research relative to the central roles that sex plays within tourism experiences This volume explores the complexity and nuanced nature of sex in tourism in more detail It will be of interest to students and researchers of tourism impacts tourist behaviour hospitality management destination management and development      One Day in the Life of Ivan Denisovich Alexis Klimoff, 1997 Alexis Klimoff's companion to Aleksandr Solzhenitsyn's *One Day in the Life of Ivan Denisovich* includes a general introduction discussing the work in the context of Solzhenitsyn's oeuvre as well as its place within the Russian literary tradition Also included are primary sources and other background materials as well as discussions of the work by leading scholars and an annotated bibliography Combining the highest order of scholarship with accessibility this critical companion illuminates a great work of Russian literature and will enhance its appreciation by both teachers and students Book Jacket      *Making Marriage Meaningful* Robert Samms Ph D, 2005-08 Have you ever pondered why some troubled marriages succeed while other seemingly fairytale marriages flounder and fail According to Dr Robert O A Samms the key to a successful marriage is not the absence of conflicts or problems but rather the presence of the appropriate strategies to resolve them In *Making Marriage Meaningful* Dr Samms examines the dynamic inner workings of a modern family to determine its strengths and weaknesses as well as its successes and failures All of these elements must be analyzed in order to improve a marriage The real life situations described in the book also give those couples contemplating marriage some very sound principles to ponder *Making Marriage Meaningful* suggests practical workable strategies for couples in troubled marriages and for happily married couples seeking a greater understanding of the marital relationship The book is also helpful for single separated and divorced people who want to avoid problems in their present or future relationships and who desire to tweak their passion for success Dr Samms includes his personal public and private views on topics such as Commitment Compromise Children Communication Sex Spirituality and much more Based on Dr Samms's own forty year marriage and his comprehensive research *Making Marriage Meaningful* provides realistic strategies for making your marriage successful

**A daughter of Eve, A woman of thirty, and others stories** Honoré de Balzac, 1901      Critical Paths Dan Miller, Mark Bracher, Donald D. Ault, 1987 The great expositors of Blake and those who have followed in their footsteps have clarified the most minute particulars of Blake's vision Now in the place of traditional exegesis comes a significantly new set of critical problems and interpretive methods In this volume of essays the major shift in Blake studies already under way in practice is addressed gauged analyzed and debated The contributors assembled here leading exponents of contemporary critical

methods as well as close students of Blake argue the grounds purposes and validity of each approach and then apply its method in detailed readings of Blake s works We see deconstruction psychoanalytic interpretation feminist critique semiotic analysis Marxist criticism revisionism and other methods brought to bear on Blake s texts and into confrontation with one another by those best able to do so Through the essays themselves and in the reaction they will certainly provoke Critical Paths will bring increased theoretical awareness to the study of Blake and will further the ongoing redefinition of Blake s art At the same time the collection investigates the general problem of methodology in literary studies by means of a casebook examination of modern critical approaches Blake criticism and current literary theory here come together the encounter illuminates and enriches both
