**Ocean of Love, or Sea of Troubles?** Geoffrey Harris,2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives      Chicorel Index to Poetry in Anthologies and Collections in Print: A-Ex Marietta Chicorel,1974      A Bittersweet Love Story Karin Lindberg,2018-08-24 No job no degree no special someone Anna s life hasn t been spectacular so far What s a girl to do on her twenty fifth birthday but go out with her best friend and roommate Izzy and have a few drinks To wipe away the memories of her ex she spontaneously kisses a complete stranger and decides that very evening to change her life Soon after that she manages to score the perfect job in a big international corporation and her luck seems to have changed for the better and fate dishes up a nice surprise Jetting around the world between Hamburg Shanghai Hong Kong and Tokyo Anna is enjoying the luxury of Business Class travel and learning about the world of business in Asia Her dreams of a jet set life are coming true and suddenly she finds herself torn between two guys After making her decision though a painful turn of events knocks Anna off her feet      **Love and Death with the In Crowd** Jessica Anya Blau,2014-06-04 We think of the past as a more innocent time But in these stories of California teenagers acting out in the last years of the 70s it s easy to see that love loss and heartbreak are even more poignant when viewed through 15 or 16 year old eyes Surrounded by friends and family who are spinning with their own losses and heartache these teenage girls navigate the terrors and tenderness of life in the only ways they know how In this touching and moving pair of coming of age stories best selling author Jessica Anya Blau makes it clear that once you step over certain lines there s no going back      **Revelation: God'S Last Love Letter** Kenneth E. Nissen,2014-04-16 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect Gods last love letter to be a favorite book among Christians but it isnt It isnt because it isnt understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as

far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina

*Love on a Whirlwind* J. Jean Elliott, 2007-08-30 One thing Rachel Hardison knew for sure was that she did not want to find herself twice divorced at age twenty nine as was her older sister Devon who was in the midst of ending her second marriage so since all every man ever wanted in her experience was just one thing and she had no intention of satisfying their boody calls at age twenty four she had contented herself with being single And while she would love to find a man who would be able to look past her face and her body and love her for herself the way she would want to love him Rachel simply did not see that happening So when she arrived in Alaska for her older brother Georges wedding to his boss Stacey an Alaska native the last thing Rachel arrived looking for was a man Instead what was on her mind was sightseeing and plenty of it and with George having lived in Anchorage for five years now he would know every nook and cranny to take her to Only problem she discovered once having arrived at the fancy Anchorage hotel owned by his fiance was that George was too busy putting last minute touches on Saturdays wedding as well as handling last minute hotel business in preparation for his and Staceys honeymoon to show her around And with Alaska being the habitat of bears and other such wildlife and wilderness trappings that could prove dangerous to a visitor untaught in its ways George offered to get one of his groomsmen to stand in as a tour guide for her It is on that note that he asks her to guess whos standing in as his best man and when she asks him who and he tells her Felix Latham Rachel cant believe it Felix Latham his gorgeous best friend from college who fell head over heels in love with their sister Devon who dated him briefly before dumping him to the wayside and forgetting him completely That said Rachel had not heard his name in ten years

surprised George had kept in touch with him after all that time And indeed George had to hear him tell it Felix was presently an actor on a New York soap opera had been for six years and had the Emmys to prove it Rachel simply couldnt believe that Felix was that successful much less a famous actor George then suggests that Felix would make an excellent tour guide for her and when Rachel naturally asks why when hes not a native any more than is she George tells her that hes been at the hotel for over a week now having upset half his female staff getting them to show him around while theyre off duty Rachel doesnt doubt that for a minute always having thought of Felix as a lady killer with the exception of being unable to keep Devon wrapped around his finger Small wonder hed become an actor she thought And so she agrees to let Felix be her tour guide provided hes up to it just as she anticipates the reaction shes going to get when he sees how Georges kid sister filled out since the last time he saw her not to mention she wasnt exactly a dog either And indeed again when George finally does reintroduce his old friend to the kid sister he hasnt seen in ten years Felix cant believe it any more than he can keep his eyes off her In fact despite the fact that he is still clearly in love with Devon the disappointment he feels at learning from Rachel that Devon is in the midst of a divorce and thus wont be there to attend the wedding is almost eclipsed by his excitement at the thought of showing her all the fabulous places in and around Anchorage that he has been avidly exploring the length of his stay thus far knowing shell provide a most pleasant and familiar distraction And so he agrees to be her tour guide for the next three days and they have so much fun not to mention so much in common that Rachel is bent on keeping it from happening despite Felixs equal determination that it does But just as the inevitable happens and they are about to give in to their attraction whats going to happ     Touched by Divine Love Samantha Richards,2013-06-27 From a young age Samantha Richards knew things that others didnt saw things that others couldnt and said things that others simply couldnt understand She had the sight the ability to see beyond and deliver messages This ability which some might consider a gift was the source of great stress and pain for the young woman After an out of body experience in her teens she stopped the spirits from speaking to her through their usual routes and life became quieter In 2000 at the age of thirty one tragedy struck when her first child died during delivery In her grief and her anger at God she shut her gifts down for good vowing never to give another person a message from beyond She excommunicated herself from the Catholic faith and from God furious that such a pure innocent soul had been taken For nine years her heart was filled with hatredand then a miracle happened after her guardian angel healed her heart Samantha didnt know how to hate anymore A year later she witnessed angels protecting her plane With these invitations she welcomed the spirits back into her life with joy and hope In Touched by Divine Love Samantha shares the astonishing details of her path back to her true spiritual self Now a personal and spiritual development leader psychic medium and healer she hopes that others will see themselves as beings of raw potentialand reach for their true selves in the process     **United States Earthquakes** ,1980     Love Between Black & White Feng Qi,2020-06-01 Ever since he had successfully accepted Black Impermanence s job Xie Liao s daily life had changed to chasing after ghosts with

**Foreigners: A Novel** Shane O'Brien MacDonald,2015-05-19 There were live measurements of reactor temperatures Three other buildings that hadn t exploded It was like a movie Will they catch fire Blow up Melt down Or won t they Readers who enjoyed Youth in Revolt and Bridget Jones s Diary won t want to miss this tale of a pale skinned foreigner navigating life in Japan How To Make Love to Foreigners is the diary of Randy Campbell whose life after moving to Japan has taken him places he never expected Fresh off the plane he faces the challenges of learning Japanese navigating the Tokyo train system and compiling a list of women he s quick to bed but terrified of committing to With all this going on around him Randy has to deal with threats from yakuza while filming a documentary the racist comments of a girl who is in love with him and feelings of helplessness when on March 11 2011 an earthquake strikes eastern Japan unleashing a deadly tsunami that envelops a nearby coastline With a radioactive wind drifting towards Tokyo from the crippled Fukushima nuclear plant Randy discovers the terror and absurdities that arise during a devastating catastrophe Inviting us in on the feelings you go through when everything your career the place you live perhaps even your life seems about to be wiped away forever From inside the book These buildings were important to national security There were FBI secret service and CIA offices in some of these buildings They needed guarantees that if another bombing took place no one could just walk in and peruse their files Uh huh but if I was the owner why would I destroy my own buildings These buildings were a terrorist target They were the tallest buildings in New York After the first bombing there were meetings about structural integrity potential casualties financial losses But never in all these discussions did anyone imagine that somebody would try to fly a plane into these buildings Or if they did it would be something small not a commercial airliner You have to think about this not from our point of view but from the perspective of 1994 They really believed that someone was at some point going to drive another truck into the basement

Finish what they d tried to do in 93 This became a real panic after that Timothy McVeigh thing in Oklahoma City Oh yeah that s right That was 95 Yeah The guy parked a fertilizer truck next to the building and the whole thing came down So the consensus at the time was that someone might try to blow up the buildings again From the street level Or the basement Hell even the subway was identified as a possible route What no one wanted to talk about was that if you blew up the building from the basement the entire structure might topple over Like a domino Anything in a thousand foot radius could be destroyed including the other tower I took a sip of my drink That seems highly unlikely I m sure the engineers who designed Chernobyl said the same thing Anyway they came up with a plan that would prevent the building from toppling over A controlled demolition Exactly A completely vertical collapse So the building wouldn t kill as many people I mean nowadays there are residential apartments in that area I looked at Dewey I was interested but unconvinced How many others bought into the same crazy theories     The design of love, by E.B.
