Farhang, 2010-08-26 They say a family's blood is stronger than a stranger's love but what happens when your family turns against you and it is then that a stranger walks through the path of your life and suddenly those who were your family turn to complete strangers and it is then when everything changes Thus love has a price to pay In some love stories blood is the price to pay Happy endings turn to worst nightmares and destiny starts to take control Join me through a tragedy that will bring tears to your heart and sympathy to your blood Im Angel Khan and this is my tragedy A journey through fire and blood and what happens when a stranger walks through the path of my life and everything seems to be okay **Rooted in Love:**
