Defining Love Rod Charles,1901 Recently I was thinking of a way to define love I will use a visual illustration to look at love There are many different inaccurate uses of the word love as it applies to the material world From the heartfelt love I see that there are two ways to define love One To fill a void in our lonely lives we find a kind of love that I refer to as a superficial love To illustrate this I will use a glass of water Once the water is consumed the glass is empty as is life and the lonely heart returns to find another glass of water That is why the divorce rate in the world is so high This kind of love is very definable as you can see Two Again I will use the same glass of water to illustrate this second kind of love The glass is full of water as before however when the water is consumed the glass is still full It does not matter how much water is consumed the glass remains full there is no way to explain or define the reason why this phenomenon exists It is a kind of meaningful everlasting love You can live this love through the deep feelings from an unknown source within our hearts and our inner beauty Inner beauty is defined as living life from the heart These deep feelings of love remain undefinable We feel this love

but we will never know why and we really do not need to know why This love is just there and all the relationships last until death do us part For centuries philosophers sages and countless other individuals have tried to define these inner unknowing feelings of love All efforts have failed and will continue to fail for as long as time exists These words I have written here I hope will inspire the readers to look at life a little differently Living a Life You Love Joyce Meyer,2018-04-03 You may say that you love your family your spouse your church or the Lord You may also express love for more temporal things like a good cup of coffee your home or a nice dinner at your favorite restaurant But it is rarer to truly say I love my life It s common to be more frustrated with life than at peace with it because the daily grind wears you down Responsibilities and burdens become heavy and rob you of the happiness you re meant to have as a child of God But you can be hopeful learn to rise above your challenges and be filled with wonder at what God might do every day Written by 1 New York Times bestselling author Joyce Meyer who has gone from heartache to happiness through Christ this book is the key to shifting your perspective so that you may also relish every moment and every part of life You will learn how to love life fully in spite of your obstacles and experience the happiness that is promised to you Joyce will explain Why you can t love life unless love is the central theme of it Why your attitude affects your life more than any outside circumstances How the love help and kindness you give away will come back to you immeasurably How to look to the future and keep your joy And so much more God has already blessed you with a life to love and it s time to start LIVING A LIFE YOU LOVE With Love G. Bradley,2019-09-09 This is more than a book about love and relationships This is a book that shows how love works and how to make love work for you Nurture the love within and the rest will follow You can focus your thoughts on love today to free yourself from the past Reclaim your innocence with love and feel your happiness flow Introduce love to your dreams to empower their fulfilment Use your belief in the spirit of love to heal and comfort You will be introduced to four hundred quotes about love that will help you feel the joy love brings to all aspects of your life Open your mind and your heart to the discovery of some of the deeper and spiritual meanings of love Feel the love that is provided by nature and see the love in all things around you **Series Starter — When Lightning Strikes — Twist of Fate —Love Always — Finding Natalie** Kathryn Kaleigh,2021-02-02 Escape to the past with this series starter A collection of FOUR stand alone novels All first in series by bestselling author Kathryn Kaleigh Two time travel romances going back to the American South One historical western set in the old west And one historical set in the American Civil War In this collection When Lightning Strikes Twist of Fate Finding Natalie Love Always All heartwarming sweet romances with happily ever afters Get your copy today and escape to another time 66 Love Letters Larry Crabb,2010 Writing in a conversational first person Dr Crabb looks at each individual book in Scripture and boils it down to a short chapter answering the question What does God want me to hear from this love letter Self Love Mantra Arun Gupta,2020-12-17 Self Love Love Yourself Like never before The process of cultivating self love is slow requiring patience and commitment to create an empowering inner dialogue You carry around with you loads of negative beliefs I am

not good enough or I have issues with my looks or with my body and similar ones By exposing your so called imperfections you look for people who speak the same language thus reinforcing your beliefs Imperfections make you unique and perfect Embrace the wholeness of who you are and personify goodness by just your presence To accept yourself who you really are means to embody your strengths and limitations your shadow self It is true recognition that you are already worthy irrespective of your limitations In his book I have tried to cover every aspect of self love where you can build yourself to be loved by you and others **The Blue Dolphin Peace Poetry Digital Collection 2007 , Love's Curriculum** Jenny Hogg Ashwell,2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love s Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council s gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul s assignment to scribe Love s Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love s Curriculum gently awaken within you the memory of Love as you uncover your soul s Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love s Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love s Curriculum help you on your journey to awaken to Love It is time The High Council At the Door Knocking William Berning,2007-12-14 Which of these is more loving To tell someone what they want to know so they feel better or to tell them what they need to know so they get better How you answer that question will determine your interest in this highly readable and very insightful examination of basic church sayings that have misled Christians for years William Berning brings these basic teachings to the light of Scripture rightly divided and rightly applied and reveals their darkness For the spiritually young or the spiritually mature this book goes straight to the deepest questions of what makes a Christian a Christian
