Herrick, 2004-06 But let me love you always Let me fancy you when I walk down these gleaming boulevards in the silent evenings as you sit flashingly lovely by some soft lamplight wrapped about in the cotton wools of society That will reconcile me to the roar of these noonday streets The city exists for you *Literary Love-letters and Other Stories* Robert Herrick, 1997 Literary Love-Letters and Other Stories (Classic Reprint) Robert Herrick, 2016-12-25 Excerpt from *Literary Love Letters and Other Stories* Yes they were chattering about you especially around the table where some solid ladies of Chicago served iced drinks I was sipping it all in with the punch and looking at the pinks above the dark hair and wondering if you found having your own way as good fun as when you were eighteen You have gained my dear lady while I have been knocking about the world You are now more than sweet you are almost handsome I suppose it is a question of lights and the time of day whether or not you are really brilliant And you carry surety in your face There is nothing in Chicago to startle you perhaps not in the world She at the punch remarked casually to her of the sherbet I wonder when Miss Armstrong will settle matters with Lane It is the best she can do now though he isn't as well worth while as the men she threw over And her neighbor replied She might do worse than Lane She could get more from him than the showy ones So Lane is the name of the day They have gauged you and put you down at Lane I took an ice and waited but you will have to supply the details About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Literary Love-Letters and Other Stories Robert Herrick, 2019-12-19 In *Literary Love Letters and Other Stories* Robert Herrick explores the intricate dance of desire and literary expression through a collection of poignant narratives that blend romance with philosophical insights Herrick's prose is characterized by its lyrical quality rich imagery and a deep understanding of human emotions Set against the backdrop of the early 20th century the stories reflect the complexities of love relationships influenced by societal norms and personal aspirations inviting readers to engage with the text on both emotional and intellectual levels Robert Herrick an influential figure in American literature often drew inspiration from his own experiences and the literary movements of his time His background in poetry and engagement with themes such as identity and love greatly shaped the narrative style and thematic depth in this collection As a writer attuned to the subtleties of human experience Herrick's literary craftsmanship marries the

Love Letters and Two Other Plays A. R. Gurney Jr., 1990-09-01

FINALIST FOR THE PULITZER PRIZE FOR DRAMA In such critically acclaimed plays as *The Dining Room* and *The Cocktail Hour* A R Gurney has wittily captured the manners of upper middle class WASP America but never as gracefully or with such dazzling economy as in *Love Letters* Tracing the lifelong correspondence of the staid dutiful lawyer Andrew Makepeace Ladd III and the lively unstable artist Melissa Gardner the story of their bittersweet relationship gradually unfolds from what is written and what is left unsaid in their letters A smash hit both off and on Broadway *Love Letters* captures Andy and Melissa with a precision of detail and depth of feeling that only Gurney can command Two other thematically related plays by Gurney *The Golden Age* and *What I Did Last Summer* are included providing a trio of wry and affectionate paeans to love lost found and fleetingly glimpsed

Three Letters from Teddy and Other Stories Elizabeth Ballard, 2018-05-31 The stories are timeless They touch the heart and make one think The stories are beautifully written It seems to me that there is too much truth in some of the stories for her not to have experienced the pain described Heart wrenchingly beautiful You feel pain and sadness but at the same time you understand forgiveness and truth and are left with a feeling of peace when you come to the end Everyone who reads the book will be able to identify with it each differently based on what they've experienced It's a book you can read again and again I loved the book and will recommend it to my friends Lona Lockhart

Little Book of Love Letters, 1998

The Greatest Love Story Never Told Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled *Somewhere Sometime* Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love

affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
