

My Eternal Flame,

*As the sands of time flow, my love for
you only grows, burning brighter with
each passing moment. I've come to
realize that love isn't just about the
here and now. It's about every shared
yesterday and every hoped-for
tomorrow. With every tick of the clock,
my love for you becomes a part of
eternity, a testament to the power of
two souls entwined in time.*

Forever and always.

Love Letters To The Blue Planet:

Love Letter to the Earth Thich Nhat Hanh, 2013-06-17 The world renowned Zen monk argues for a more mindful spiritual approach to environmental protection and activism one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change Love Letter to the Earth is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same

suffocating challenges we face in everyday life but cannot find the right words to express them OR right person to share with Issues like bullying loneliness anger issues screen addiction social media obsession low self esteem helplessness due to old age grief and more BUT Here is the twist Jade never lectures or hand out lengthy and heavily crafted generic advice or examples He writes with humor kindness and love He ensures that his words bring comfort without intimidating and heal without reopening the wounds At its core this book is about connection and care It is for those fragile moments when our life feels overwhelming when the right support and direction is much needed or when you simply need to look at life from a fresh perspective Through the letters and stories Jade brings a mix of fresh wisdom empathy and playfulness to everyday struggles and stress Whether he is writing to a teenager dealing with self doubts screen addiction or living a monotonous life It can be to someone who is quietly grieving a loss and does not know what to do with life In these times Jade s words meet the readers exactly where they are and be with them Each letter carries a sense of flow and continuity It is a little playful a little reflective a lot relatable and filled with love and hope

Love Letters to Sports John Clendening,2011-10-19 At a time when the sporting world seems to be losing its perspective author John Clendening provides another viewpoint In Love Letters to Sports he celebrates sports at its best its moments in time that capture our hearts and remind us of the role it can play as a touch point in our lives In this memoir Clendening narrates his special sports moments such as his first ever road trip with his eight year old son and how his sons sports obsession at a young age reminds him of his own He tells of going to a football game in Texas and falling in love all over again with a certain cheerleader and how his favorite announcer brought him to tears on the night his youngest daughter was born This collection of 19 personal essays pays tribute to our own moments in time and moments in life when sports play a supporting role in creating memories never to be forgotten From football to tennis from baseball to golf from the fields of youth to the armchair of middle age this is not a book about love nor is it one about sports Its about the many times and places the two have met in one mans life
