The 12 Lists Men and Women Think They Know Moisaquw Blanc, 2013-02-26 This book was written to help the common men and women to understand one another Majority of people out there who reads relationship books usually come out in the end with half the knowledge or none at all They seem to forget what they have just read The reason why this happens is either two things first the reader probably already knew about those topics thus making it daunting for him or her to relate to the scenarios the book presented Most relationship books may sound the same as the rest to the reader unless something new is introduced Second many authors want to sugarcoat everything We believe the ultimate mistake an author can do when

writing relationship books is to treat readers like children by sugarcoating every word We feel the readers have the right to know all the truth The whole good dirty damn truth With that said we apologize in advance if any words in this book seem to be unmannerly Our intention is not to enrage you Nor is it to conceal what most authors are afraid to say in order to protect their prestige You will notice that this may be the only book on relationships so far that is not afraid to tell it how it is Sugar coating does not exist here *The Relationship Training Manual for Men* *Women's Edition* Ph D David Unger,2008-09 We all know relationships can drive us crazy Our partners routinely annoy us disappoint us and refuse us They upset us hurt us embarrass us and occasionally make us wonder whether we wouldn't be better off without them Yet despite all that most people still want to be in a relationship That's because relationships can also be a source of joy inspiration companionship stability and semi regular and perhaps even spectacular sex This book helps pave the way Praise for the Relationship Training Manual For Men Every woman I know who has read The Relationship Training Manual has immediately given copies to her friends and gratefully given one to her man Every man I know has hidden the book from the women he knows while secretly upgrading himself I am not sure who gets the most out of it but everyone *Every Woman's Battle* Shannon Ethridge,2014-06-25 When does an affair begin Not with the first forbidden touch but with the first forbidden thought Unexpectedly you find yourself enjoying a powerful emotional bond with another man You feel like you matter to someone again And the door you thought was locked so firmly the door to sexual infidelity is suddenly ajar The only way women can survive the intense struggle for sexual integrity is by guarding not just your body but your mind and heart as well Every Woman's Battle can help you learn to do that Using real life stories and examples from her own struggle Shannon Ethridge helps women like you whether married engaged or planning to marry someday *Devils and Their Master* Leo Spaziano,2010-10 *Death of the Cheating Man* Maxwell Billieon,Ray J,2012-02-14 A revealing look at why men cheat through the lives of two men one a faithful business mogul and the other a celebrity addicted to infidelity Jacket
