Quattlebum, 2013-11-12 It may be an oversimplification to say that faith hope and love are all we need But with an understanding of what these three are we have a better understanding of what they can do in our lives Our focus will turn from our needs and wants to what leads us into the answer of all these things faith hope and love which we find through our relationships with Jesus It is simple but not always easy to allow the control of our life to transfer from us to God It is important to know these three what they are and how we interact with them We want to look at these three as the following Faith the God Possible Hope the God Perspective Love the God Power In these three we make all things about Jesus and less about us The more we live in these three the more we become like Him These three faith hope and love will do the work to establish the kingdom of God in us and in others *Learning to Love Yourself* Gay Hendricks, 1993 **Unity and the**

Potpourri of Love Evelyn B. Ryan,2010-12-14 This book lets the reader see into the personality of God and His love for all He is a very diversified God and allows us to laugh or cry in these poems We can move on from the spiritual to the very human comedy of errors that we are prone to make and we can laugh at ourselves Some poems also describe the beauty of the world that God made exclusively for us We can touch the face of nature and know that God is giving His approval These poems are not so deep that they cannot be enjoyed by anyone who reads them They were meant to be enjoyed with your favorite beverage of choice sitting in a comfortable chair or beside a loved one in a quiet setting Good poetry links heart to heart mind to mind and promotes an understanding that heightens spiritual love May these poems do that for you the reader
