Greenwood,2023-07-06 Growing up in Yorkshire and with farming blood in his genes James Greenwood always knew he would end up as a vet Animals have been part of James life for as long as he can remember from pulling lambs on a hilltop farm as a child and having stick insects crawling out of his school uniform in class to renting a flat behind a zoo in Jersey and finding himself treating a newborn baby elephant as a newly qualified vet Written with his trademark warmth and humour James offers a fascinating insight into the world of veterinary medicine with tales of treating cats and dogs horses pigs and cows as well as delving deep into his relationship with his beloved and much missed one eyed Labrador Oliver However the path to realising his childhood ambition has not always been easy and at times he has questioned whether it truly is the best job in the world Through all of the challenging lows and extraordinary highs it has been the animals themselves that have spurred James on to want to continue vetting and helping him find his calling as a GP vet Warm poignant and full of heart James story is both a beautiful tribute to the role animals play in our lives and a rare glimpse into what it s really like to be a

vet and is perfect for fans of Matt Baker *The Yorkshire Shepherdess* and *The Supervet* *Abyssal Love, Book One: The Prince's Vow* Elian Cloud, 2025-06-22 *Abyssal Love Book one The Prince's Vow* In a world where ocean and land meet two generations of princes are bound by fate woven into a romantic legend that transcends species kingdoms and time itself Years ago Prince Elias of the land and Prince Kael of the sea fell in love on a remote island and vowed to never forsake each other Their devotion forged a fragile peace between realms symbolized by the Ocean Guardian Sword a sacred relic born of their bond Now their sons Prince Adrian and Prince Lucian are destined to continue the story Defying law and duty the two embark on a breathtaking voyage across uncharted seas From enchanted islands to glowing kelp forests from ghost ships and cursed ruins to the long lost Ice Sea Kingdom they face magical trials and ancient secrets forging their own path through wonder danger and devotion But love is not without peril As darkness awakens beneath the waves and Adrian's treacherous uncle schemes for power Lucian is captured and torn from his side With the fate of both land and sea hanging in the balance Adrian must risk everything to protect the prince who holds his heart A sweeping fantasy romance of vows sacrifice and the enduring power of love beneath the tides **Preaching Parables** Steven J. H. De Gitter-Pherekyde, 2024-12-04 You're not defeated when you're bleeding nor when your eyes are full of tears The true defeats will take place only if you give up your dreams Radu Gyr Romanian poet translation This story is for grandchildren grandparents and everyone in between because it's about love love is ageless and it's for all Love created the universes and Love keeps them together Love created Life Love is Life and Life is Love The aspects of Love are unlimited and even reversible it affects a person's actions in both directions good and bad When the direction is positive love leads to evolution and when it is negative it causes transformation Even hate which is love upside down can be transformed to become love upside up This story can be the symbol of everyone's life which unfolds in two stages The primary stage could be called the Abstract or Conceptual phase It takes place in the soul and mind It begins with a Dream which ignites Motivation which in turn generates a Goal and the Goal sparks ideas and designs Planning The second stage could be called the Action phase It activates the heart and mind to carry out the Dream giving life to the elements elaborated in the first stage and it doesn't stop until the fulfilment of the Dream is achieved This Achievement could be called the Adventure of one's life What is life's adventure if not jumping into the unknown because only there can be found everything that one wants and desires to have Is it possible for every I to get in the end what every I really wants and dreams of I represents every person at any age everywhere at any time in every place in all existing worlds and yes it can When the mind is opened a loving heart carries a free spirit and with focus determination and perseverance everything is possible and achievable Therefore YES I can because I declares with conviction I SAID I CAN *San Diego Magazine* , 2006-01 *San Diego Magazine* gives readers the insider
