All for Love: Or, The World Well Lost John Dryden, 1692 *Ocean of Love, or Sea of Troubles?* Geoffrey Harris, 2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives **Love or Die: Finding Oneness in a Me-First World** Sandy Meadows, Stan Wenck, 2018-11-20 Love or Die delivers a critical look at two false beliefs that contribute to so much of the suffering and violence in the world today the beliefs that 1 we are separate and 2 we are incomplete Once the reader understands that every action he takes affects the Whole since we are all connected as part of that Whole he will realize that extinction awaits us if we continue to be self indulgent at the expense of others or the environment To destroy any part of nature is to destroy a part of ourselves We must awaken from our self destructive ego consciousness move into higher levels of awareness and begin functioning with cooperation rather than competition Failing this our quality of life will rapidly deteriorate and humans will go the way of the dinosaurs We must learn how to love or we will perish **The Pearl of Love; or, Josey's Gift** Madeline Leslie, 2023-10-04 Madeline Leslie s enchanting novel *The Pearl of Love or Josey s Gift* weaves a delicate tapestry of themes such as love sacrifice and the pursuit of true happiness Set against the backdrop of the 19th century the narrative employs an engaging sentimental style that reflects the moralistic tendencies of the time Leslie

skillfully interlaces vibrant characters with intricately constructed plots drawing readers into a world where devotion and personal growth triumph amidst trials and tribulations Madeline Leslie a prominent author of children s and young adult literature was deeply influenced by the prevailing Victorian ideals particularly those surrounding familial love and moral uprightness Her own experiences as a devoted educator likely informed her understanding of youth and character development enabling her to mold the characters journeys toward self discovery and enlightenment in *The Pearl of Love* This richly layered story exemplifies her commitment to imparting moral lessons through engaging storytelling characteristic of the literature of her era Readers seeking a historical novel that delves into the complexities of the human heart will find *The Pearl of Love* or *Josey s Gift* a compelling exploration of love s transformative power Leslie s intricate characterizations and earnest narrative voice invite readers to reflect on the timeless truths of emotional resilience and hope making this work a valuable addition to any literary collection
