Intimacies Alan Frank,Patricia T. Clough,Steven Seidman,2013-07-24 In the last decade or so there has been a shift in the popular and academic discussion of our personal lives Relationships and not necessarily marriage have gravitated to the center of our relational lives Many of us feel entitled to seek intimacy an emotionally depthful social bonding rather than simply security or companionship from our relationships Unlike in a marriage centred culture intimacy is today pursued in varied relationships from familial to friends and to romances And intimacies are being forged in multiple venues from face to face to virtual cyber contexts A new scholarship has addressed this changing terrain of personal life there is today a vast literature on cohabitation parenthood without marriage sex and love outside marriage queer families cyber intimacies and friendships However much theorizing and research has focussed either on the interior subjective or sociocultural aspects of intimacies not their interaction This volume aims to break new ground Intimacies explores the psychological terrain of intimacy in depthful ways without abandoning its sociohistorical context and the centrality of power dynamics Drawing on a rich archive that includes the social sciences feminism queer studies and psychoanalysis the contributors examine changing cultures of intimacy fluid and solid attachments and intimacies from hook ups to sibling bonds to erotic love a politics of intimacy that may involve state enforced hierarchies class misrecognition social exclusion and violence embodied experiences of intimacy and dynamics of endings and loss a pluralization of intimacies that challenge established ethical hierarchies This volume aims to define the cutting edge of this emerging field of scholarship and politics It challenges existing paradigms that assume rigid hierarchical approaches to relational life Intimacies will be of interest for

psychoanalysts and for students or scholars in sexualities gender studies family studies feminism studies queer studies social class cultural studies and philosophy Frigidity in Woman in Relation to Her Love Life Wilhelm Stekel,1926 *The Hite Report* Shere Hite,2011-01-04 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author The Hite Report first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions The Hite Report declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire **Motivation** Lambert Deckers,2018-01-29 This textbook provides a complete overview of motivation and emotion using an overarching organizational scheme of how biological psychological and environmental sources become motivation the inducement of behavior feelings and cognition It combines classic studies with current research and uses numerous real world examples to engage the student and make often difficult theoretical concepts come to life By understanding and applying the principles of motivation described in the text students will not only discover insights into what motivates their own behavior but also how to instigate self change Thoroughly revised and updated throughout this fifth edition provides a major review of recent research with over 225 new references including expansion in the areas of goal motivation and emotion psychology Other updated topics include new findings and interpretations on how evolution affects our preferences how personality traits determine motivation and how self control depends on a cost benefit analysis The addition of individual chapter glossaries and an increased number of links to additional resources supplement student learning This textbook is suitable as a primary text for courses on motivation For additional resources please consult the companion website at www.routledge.com/cw/deckers The Art of Love Walter Franklin Robie,1921 Chapter 1 The kama sutra chapter 2 The psychology of love chapter 3 The art of love chapter 4 The art of love for the unmarried chapter 5 1 The Oneida community and the doctrine of male continence chapter 5 2 The Oneida community continued chapter 6 An unsolicited life story with comments chapter 7 More sex and case histories chapter 8 Brief mention of case illustrating the necessity of universal knowledge of the psychology and art of love chapter 9 Article on sex education and venereal disease in Mental hygiene October 1920 chapter 10 How sex perversions arise and why they increase chapter 11 Free love doctrines discussed deplored and devitalized chapter 12 Prolegomenon and an apotheosis of love **THE ART OF LOVE** W. F. Forbie M.D> ,1921 **Psychological Perspectives on Sexual Problems** Jane M. Ussher,Christine D. Baker,1993 The regulation

of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of Psychological Perspectives on Sexual Problems is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders Psychological Perspectives on Sexual Problems is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality

Om, Baby! a Pilgrimage to the Eternal Self Jack Haas, 2005 This is both a remarkable journey through sacred India and a pilgrimage to the immortal self With his ever inexorable determination to pursue his highest path Jack Haas visits many holy areas within the subcontinent of India and communes with numerous masters who have passed from this plane but who remain in the subtle realm to assist mankind in its growth towards freedom and eternity These include Krishna Guru Nanak Ramana Maharishi and Shiva himself Within the pages of this book Haas describes his own evolution towards an expanded unlimited consciousness as well as his unique relationships with many aspects of the divine feminine including Mother Mary Sophia Parvati Gauri Kali Saraswati Durga and Gaia Haas path eventually leads him to the absolute union of spirit and flesh and to the inextinguishable Tao running through all of life

The Power of Wonder Monica C. Parker, 2023-02-21 THE WALL STREET JOURNAL BESTSELLER Wonder is a mindset we can bring to anything to enrich our lives and the lives of those around us This is a must read book for our times SCOTT BARRY KAUFMAN PhD author of Transcend and host of The Psychology Podcast From the first tickle of curiosity to an unexpected shift in how we perceive the world there isn't a person who hasn't experienced wonder and yet the why and how of this profoundly beneficial emotion is only just beginning to be scientifically examined The Power of Wonder takes readers on a multidisciplinary journey through psychology neuroscience philosophy literature and business to share some of the surprising secrets behind the mechanics of wonder This inspiring book explores the power of wonder to change the way we learn develop new ideas build resiliency and ultimately become better humans If we embrace this essential emotion we can find deeper meaning and lead a more fulfilling life From art and architecture to love and sex to sleep and psychedelics you will learn about how wonder can transform our bodies and brains Where it's taking a daily wonder walk embracing the benefits of daydreaming or discovering a new absorbing intellectual pursuit this book shows us how to become more wonderprone and reconnect with a reverence for the world and all the magic in it

Love's Sacrifice

and the Ordeal to Become Human Dennis Stilwell,2011-02 Tantra Vision : An Invitation to Silence Osho, Five Minutes to Orgasm Every Time You Make Love D. Claire Hutchins,2000 *How to be a Good Lover* Kwabena Osei,2022-07-10 It is meaningful to talk about love Love is the universal language The essence of life is the divine love Love beautifies life Life without love is meaningless The circle of life operates on the energy of love and sex To be ignorant about love and sex through which you existed for the human experiences on the mother earth is suicidal Let us talk about love and sex in the open platform to enlighten mankind Awareness in the divine principles of love automatically upgrades your romances through loving kindness to boost your sexual capabilities to be a good lover Lack of the knowledge about the true love and the false love alike rushing in love for possessiveness many people are perishing each and every day by the edge of the hidden sword of the false love This precious book how to be a good lover is very significant for the human race It is meant to serve as the preventive measures against the deceptions and the atrocities being caused consistently in the name of love Life relationship or marriage is all about self expression through loving kindness and caring for each other to make the world a safer place for mankind
