Paul Scott V.R. Badiger,1994 This Is A Critical Study On Paul Scott S Novels It Explores In Depth The Novelist S Private Art Of Writing The Novel As An Image Symbol Or An Extended Metaphor As Well As The Intricate Textural Relationship Between His Art Of Fiction And Vision Of Life **Paul Scott** P. Swinden,1980-10-30 *Her Quest for Self: a Journey* Gayreen Lyngdoh,2015-10-14 To journey into the pages of this book is to journey into the colourful world of Chinese and Chinese American culture into slivers of history into gender politics into myth and perhaps even into ourselves In the private struggles and triumphs of Pearl S Bucks and Amy Tans women characters in their quest to re frame and re define themselves and their lives echo the universal experience of women in time and space the stories of love and loss the yearnings and heartaches the joys and sorrows the laughter and the tears and above all their quiet strength and resilience in the face of great odds and injustices that more often than not have marked the female experience through generations The book will no doubt strike a chord in the hearts of the readers and offer a fascinating insight into the heart of a womans world and what it is to be a woman Pearl S Buck and Amy Tan the two authors revisited in this book may both be described as writers who have in their own ways written about the lives of women Through their work they challenged patriarchal assumptions about women by attempting to fashion a distinctive feminine voice that allows for the articulation of womens experiences in their own voices and or through the female perspective This book takes a re look at the women characters in select novels of these two writers examining and analysing their experiences and subjectivities as they journey in quest of the self Special attention is drawn to the role of stories storytelling as a potent means of female expression and of bridging multifarious human divides The urgency of reframing and reinterpreting popular myths as a way of critiquing and changing mindsets where these need to be changed is also explored in depth The book is therefore a critical and insightful study of the works of two women that although written in different periods yet intersect in these pages The novels studied are those relating specifically to China and the Chinese Chinese American experience the main subject being the Chinese woman both in her own local space as well as outside of it Storytelling enables the transmission and perpetuation of values culture and history which as depicted here are crucial to self knowledge and to an understanding of ones place and identity in the universe The self that is represented in these novels therefore is not a self in isolation but a self that is a part and parcel of the human tapestry where race gender culture and history meet and intersect **Hymns for the use of Sunday Schools, selected from various authors. Shades of Empire in Colonial and Post-Colonial Literatures ,2021-11-01 The scope of the articles in Shades of Empire in Colonial and Post Colonial Literatures which are arranged in a broad sweep from East to West with four short papers nestled in the middle on the theme of colonialism and motherhood is extensive and varied But in one way or another they all reflect the growing importance of literatures and cultures that might once have been regarded as marginal During the colonial period the literature of the centre took possession of the margin as well as of the imagination of the margin But only recently has the question been raised as to why traditional English literary history has paid so little attention to colonial literature Now post colonial literatures are writing themselves back into the centre and what used to be the margins of the English language world have now set themselves up as rival centres An interesting question to arise from this is whether in the process the former colonial or colonizing literature has now itself turned into a post colonial literature What this book affirms is the importance and interest of a wide variety of literatures sharing a language but reflecting a rich and provocative diversity of histories experiences and attitudes to the shared world which still also divides us **A Matter of Death** Suzan Harden,2019-07-15 Two skinwalkers controlling Tander had been bad enough but then a demon army waltzed up to the city gates Anthea Luc and their allies are trapped inside the border city of Tander They've lost all contact with the rest of Issura and their neighboring countries And if the demons get by Tander the entire continent will become their dinner table But the city is low on food and more importantly water Can Anthea and Luc find a solution Or will they be forced to activate the final defense spells of Death to stop the demons and kill everyone in Tander and themselves in the process Magic and mayhem have never been this desperate Or this fatal **To Slay The Dreamer** Alexander Cordell,2014-08-21 From the Spanish sierras to the French Pyrenees one desperate cause unites them As the stormclouds gather in the passionate fight against the Fascists a young Spanish countess and a trained american assassin join forces with the partisans in a desperate attempt on the life of General Franco TO SLAY THE DREAMER is a rich and compelling story of a group of patriots ready to die for their country a moving novel of dangerous loyalty amidst the ultimate futility of war **Asia in Western fiction** Robin Winks,2017-03-01 Any reader who has ever visited Asia knows that the great bulk of Western language fiction about Asian cultures turns on stereotypes This book a collection of essays explores the problem of entering Asian societies through Western fiction since this is the major port of entry for most school children university students and most adults In the thirteenth century serious attempts were made to understand Asian literature for its own sake Hau Kioou Chooan a typical Chinese novel was quite different from the wild and magical pseudo Oriental tales European perceptions of the Muslim world are centuries old originating in medieval Christendom's encounter with Islam in the age of the Crusades There is explicit and sustained criticism of medieval mores and values in Scott's novels set in the Middle Ages and this is to be true of much English language historical fiction of the nineteenth and early twentieth centuries Even mediocre novels take on momentary importance because of the pervasive power of India The awesome remote and inaccessible Himalayas inevitably became for

Western writers an idealised setting for novels of magic romance and high adventure and for travellers tales that read like fiction Chinese fictions flourish in many guises Most contemporary Hong Kong fiction reinforced corrupt mandarins barbaric punishments and heathens Of the novels about Japan published after 1945 two may serve to frame a discussion of Japanese behaviour as it could be observed or imagined by prisoners of war *Black Fountains and Three Bamboos* *The Masnavi, Book Five* Jalal al-Din Rumi, 2022-08-11 If something else can capture your attention Then it s not love but just a trivial passion Love is that flame which once it blazes up Burns everything but the Beloved up This is the first ever translation of the entirety of Book Five of Rumi s magnum opus *The Masnavi* into English Prior to this verse translation in heroic couplets translations were either of selected passages or in lineated prose with passages deemed too salacious rendered into Latin as was the convention in Britain of the early twentieth century This fifth book of Rumi s *The Masnavi* is well known to contain much sexually explicit content within teaching stories about the path of annihilation of the self in a total and uncompromising way *Intimations of Joseph Conrad* G.W. Stephen Brodsky, 2024-09-27 Master mariner and pioneer author of Modernist technique Joseph Conrad 1857 1924 achieved such eminence in his lifetime that his presence explicit or implicit could be found in the lives and works of several contemporaries of consequence Through the century since his death he has lived on as a presence in the works of later authors to the present day A collection spanning fifteen years of the present author s sightings of Conrad s presences are not only literary but also memorial Monuments sculpture ships plaques the performing arts cabinetry and even a pub find a place Each sighting is described in its context a couple of certain or likely sightings by Conrad such as Moli re and Matthew Arnold and the rest sightings or ambient intimations of Conrad s presence fiction and social commentary in novels and film by significant authors who carry on his legacy from contemporaries such as H G Wells Ford Madox Ford and F Scott Fitzgerald to moderns George Orwell Albert Camus John Le Carr e Ian MacEwan and John Banfield among others Presented in a clear yet poetic prose style this record of Conrad s influence on these contemporary and later writers brings a significant dimension to their interpretation conversely Conrad s place may be perceived more precisely in the historically broadening canon from Modernist to Postmodern Together with its illustrations *Intimations of Joseph Conrad* is a novel and unique concept as entertaining as it is informative ***The Man Book*** Otto DeFay, 2008-05-13 *The Man Book* is an essential life skills handbook a manual for everything a modern man needs to know such as Things Never to Say During Sex Hottest Animated Women Fly Fishing and much more *A collection of hymns for the use of the people called Methodists.
